Below are the questions that were submitted for BSD18003-ATCSERVICES for Professional Automated Temperature Controls, for various projects at Brandywine School District over the past few days. The answers are provided as well.

Section Number – Title
Paragraph Number – Title
Page Number – 1

Question: Text of passage being questioned - The RFP states that it is a "Request for Proposals for Professional Services" Are you looking for a Professional Engineer (or Services Group) to provide Professional Engineering Design Services?

Answer: We are not looking for professional engineering services. We are looking for a controls vendor who can install new equipment into existing and renovated buildings and perform the required programming.

Section Number – I
Paragraph Number – 1
Page Number – 1

Question: Text of passage being questioned - First Sentence indicates that the Brandywine School District seeks professional services to provide Automated Temperature Controls Services and HVAC sequencing engineering services……
Are you looking for a professional Engineer to team up with one of the BAS Control Companies or are you looking for a Professional Engineer to put together a package that qualified BAS Control Contractors can Bid on…?

Answer: We have sequencing of operation requirements with design engineer for each project. The controls vendor is to be part of this process.
The professional engineer, Mechanical, electrical and Plumbing has been selected for each project that was issued two years ago.

It is the directive of the Board of Education that the Brandywine School District shall not discriminate in its employment practices or its educational programs and activities of students on the basis of race, creed, color, religion, national origin, age, sex, sexual orientation, domicile, marital status, disability, genetic information, veteran status, or any legally protected characteristic. All policies, regulations and practices of the District shall be guided by this directive.
