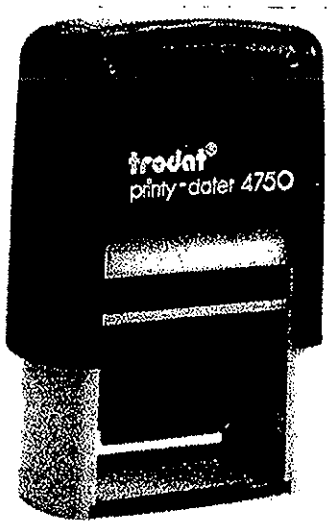
PRINTY SELF-INKING SPECIAL DATERS & NUMBERERS

Small Die Plate

Small die plate, approximately 3/16" x 1" above the date bands. 2-color pad option available. Approximate imprint size shown below.

4850: AUG 31 2020



The Printy Self-Inking Daters work and feel as great as they look. Simply attach your rubber or photopolymer stamp dies around the date band set on the self-adhesive die plate. Adjust the date/number set height to perfectly align with your dies using the adjusting screws. In addition to the standard ink colors, some stamps are available with 2-color pads - red in the center for the date and blue outside. 2-color pads can be ordered uninked for your custom inking to customer's specifications.

Plain Daters and Numberers

Stamps the date or series of numbers only, no die plate. Three dater and two numbering stamp options are offered. Approximate imprint size shown below.
