Dear Mr. Jon Ramsey,

The Special Provisions of Contract No. DDA-15001-Pesticide Disposal, provides that the term of the contract may be extended by mutual consent. The Delaware Department of Agriculture would like to exercise that option and extend the contract for a period of one year under the same pricing, terms and conditions. The contract would then continue to be effective through March 9th, 2018.

Please return a signed copy enclosed indicating your acceptance and return to me as soon as possible. An executed copy will be returned for your records.

We appreciate your cooperation and look forward to hearing from you. Should you have any questions, please do not hesitate to contact me.

Sincerely,

Christopher Wade
Pesticide Compliance Administrator
