There is no expressed or implied obligation for AOA to reimburse firms for any costs or expenses incurred in preparing proposals in response to this request. AOA will **not** pay any costs or expenses incurred by any firm associated with any aspect of responding to this RFP, including proposal preparation, printing, delivery, or the negotiation process. Additionally, no indirect reimbursements (e.g., in the form of credits or reductions to any agreed upon compensation) will be made to any responding firm by AOA for any such costs or expenses.

Public notice has been provided in accordance with 29 Del. C. § 6981.

II. Proposal Process

Any inquiries concerning this RFP must be emailed directly to:

Kathleen O'Donnell
Chief Administrative Auditor
302-857-3919
Kathleen.Odonnell@state.de.us

Direct contact with the State of Delaware or AOA employees other than the above-referenced contacts **regarding this RFP is expressly prohibited without prior consent.** Firms contacting the State of Delaware or AOA employees risk elimination of their proposal from further consideration.

To be considered, the *technical* proposal and the *cost* proposal **must be emailed separately** to Wendy Roberts (Wendy.Roberts@state.de.us) on or before 3:00 p.m. on September 14, 2012.

AOA reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. AOA reserves the right without prejudice to reject any or all proposals.

By submitting a bid, each proposer must be deemed to acknowledge that it has carefully read all sections of this RFP, including all forms, schedules and exhibits hereto, and has fully informed itself as to all existing conditions and limitations.

State of Delaware
Office of Auditor of Accounts
Request for Proposal

Once the selection of a firm is completed, all proposers will be notified and the executed contract will be completed reasonably thereafter.

III. Term of Engagement

The contract period is for two years, with the option to renew the contract at AOA's request for two additional years subject to the satisfactory negotiation of terms (including a cost acceptable to both AOA and the selected firm) and the annual availability of an appropriation by the Legislature.

IV. Nature of Services Required

A. Engagement Description and Cycle

The proposer shall conduct an annual financial statement audit of the Department of Agriculture (the Department), Delaware Agricultural Lands Preservation Foundation (the Foundation). The Foundation's fiscal year begins on July 1 and ends on June 30.

B. Engagement Standards

To meet the requirements of this RFP, the review must be performed in accordance with standards established by the American Institute of Certified Public Accountants and U.S. Government Accountability Office, *Government Auditing Standards*.

C. Deliverables

A detailed engagement plan and programs **must** be submitted to the AOA Liaison for review and approval before work can start.

The firm agrees it will not prepare the financial statements, note disclosures, or management discussion and analysis (MD&A). The firm should notify AOA immediately of any request to perform such services.

Following the completion of the engagement, the firm must issue a written report in accordance with standards established by the American Institute of Certified Public Accountants and *Government Auditing Standards*. AOA will distribute copies of the reports to the appropriate officials.

In the report, all findings must be reported unless they are clearly inconsequential, considering both qualitative and quantitative factors. Inconsequential findings must be presented in writing to AOA for review and approval prior to communicating them to the engagement entity. Once approved, the findings must be presented

either verbally or in a separate, written document, depending on their significance. Evidence of the communication must be in the engagement documentation.

Irregularities and illegal acts: All situations or transactions that come to the firm's attention that could be indicative of fraud, abuse, illegal acts, material errors, defalcations, or other irregularities must be promptly reported to AOA. AOA will determine the appropriate course of action.

D. Retention and Access to Engagement Documentation

All engagement documentation and reports must be retained, at the firm's expense, for a minimum of three years, unless the firm is notified in writing by AOA of the need to extend the retention period. The firm is required to make engagement documentation available, upon request, to the AOA or its designees.

In addition, the firm must respond to the reasonable inquiries of successor firms and allow the firms to review engagement documentation relating to matters of continuing engagement significance.

V. Description of the Entity

A. Engagement Contact and Location

The engagement entity's principal engagement contact will be Howard Mesick, Accountant, or a designated representative, who will coordinate the assistance to the firm. The location of the audits will be at the Foundation's office, located in Dover, DE.

B. Background Information

The Foundation is directed to provide economic incentives and benefits to agribusiness, purchase development rights from landowners, encourage development in areas where infrastructures exist, and promote the agricultural industry and the concept of preserving viable land for the future. The Foundation is part of the Department of Agriculture, which is included in the primary government of the State of Delaware and reports on only one fund, which is the special revenue fund (a governmental fund type). All accounting for the Foundation is within the State's accounting system.

State of Delaware
Office of Auditor of Accounts
Request for Proposal

Firms must not include any information in their proposal that is proprietary in nature or that they would not want to be released to the public. Proposals must contain sufficient information to be evaluated and a contract written without reference to any proprietary information. If a firm feels that it cannot submit its proposal without including proprietary information, it must adhere to the following procedure or the firm's proposal may be deemed unresponsive and will not be recommended for selection. The firm must submit such information in a separate email labeled "Proprietary Proposal Information" with the RFP number. The email must contain a letter from the firm's legal counsel describing the documents in the email, representing in good faith that the information in each document is not "public record" as defined by 29 Del. C. § 10002(d), and briefly stating the reasons that each document meets the said definitions.

IX. Contract Conditions

The firm awarded the contract will be required to enter into a written agreement with AOA. AOA reserves the right to incorporate standard State of Delaware contractual provisions into any contract negotiated as a result of a proposal submitted in response to an RFP. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by AOA. The firm must be referred to as "Contractor" in the agreement.

The selected firm will be expected to enter negotiations with AOA, which will result in a formal agreement between the parties. Procurement will be in accordance with the subsequent contracted agreement. This RFP and the selected firm's response to this RFP will be incorporated as part of any formal agreement.

If the firm to whom the contract is awarded fails to enter in the agreement as herein provided, the award will be annulled and an award may be made to another firm. Such firm must fulfill every stipulation embraced therein as if they were the party to whom the first award was made.

The selected firm under this RFP must be subject to contractual provisions, in a form substantially similar to the following, as well as those agreed to by the parties and not specifically described herein.

A. Term

The term of the contract between the successful firm and AOA must be determined by AOA. The agreement may be terminated by AOA at any time by giving written notice to the Contractor of such termination. Upon such termination, the Contractor will be paid for the hours of work actually completed.

In the event the successful firm materially breaches any obligation under this Agreement, the Contractor must not be relieved of any liability to the State of

Delaware for damages suffered by it by virtue of any such breach. AOA may withhold any payments to Contractor for the purpose of set off for such damages.

B. Compensation

AOA agrees to pay Contractor compensation calculated solely on the amount of engagement work performed by firm's staff, based on actual hours billed and hourly rates as set forth in Appendix A herein, as well as approved out-of-pocket expenses.

Contractor agrees to bill AOA only for actual work performed and out-of-pocket expenses incurred during its performance of the engagement. Contractor must submit all invoices in writing or electronic format to AOA for approval. Invoices must include the name of the auditor who performed the work, the nature of work performed, the date(s) work performed, the number of hours worked and the corresponding hourly rate, in addition to the amounts, descriptions and dates of all out-of-pocket expenses for which reimbursement is requested. If approved, AOA will forward the invoice to the engagement entity for payment or pay the invoices itself, depending on the type of engagement.

C. Non-Appropriation

In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or in part, the agreement must be terminated, as to any obligation of the State of Delaware requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

D. Notice of Termination

Any notice to AOA required under this Agreement must be in writing and sent by regular mail and registered mail to:

Townsend Building, Suite 1
401 Federal Street
Dover, DE 19901

E. Formal Contract and Purchase Order

When purchase orders are applicable, no bidder is to begin any service prior to receipt of a State of Delaware purchase order signed by two authorized representatives of the agency requesting service, properly processed through the State of Delaware Division of Accounting and the engagement entity, where applicable. The purchase

State of Delaware
Office of Auditor of Accounts

order must serve as the authorization to proceed in accordance with the bid specifications and the special instructions, once it is received by the successful firm.

F. Indemnification

By submitting a proposal, the proposing firm agrees that in the event it is awarded a contract, the Contractor must defend, indemnify and save harmless the State from and against all liability, damages, costs or expenses, causes of actions, suites, judgments, losses, and claims including reasonable attorney's fees, brought against the State arising out of or resulting from the performance of the auditing services by Contractor under the Agreement resulting from this RFP to the extent caused by Contractor's negligence or arising from any breach or default Contractor under such Agreement. The foregoing obligation of Contractor to defend, indemnify and hold harmless the State must not extend or apply to any claim alleging that the State's financial statements are inaccurate or incomplete or were not prepared in accordance with generally accepted accounting principles. Further, in no event will Contractor indemnify and hold harmless the State from any claims or liabilities resulting from the acts of the State.

G. Compliance

In performance of the contract the firm is required to comply with all applicable federal, state and local laws, regulations, policies, guidelines and requirements of the jurisdiction in which the Agreement is performed, as well as all applicable professional conduct rules and guidelines. The cost of permits and other relevant costs required in the performance of the contract must be borne by the successful firm. The firm **must** be properly licensed and authorized to transact business in the State of Delaware as provided in 30 Del. C. §2502 and other applicable statutes and regulations.

H. Confidentiality of Information

Any reports, information, data, etc. given to, prepared, or assembled by the Contractor under this Contract shall not be released or made available to any individual or organization by the Contractor without the prior written approval of AOA. All information must be properly secured to prevent unauthorized access in accordance with Internal Revenue Service (IRS) Publication 1075, Tax Information Security Guidelines for Federal, State, and Local Agencies.

I. Insurance

The firm recognizes that it is operating as an independent contractor, and not an employee of the State of Delaware, and that it is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the contractor's negligent performance under this contract, and particularly without limiting the foregoing, caused by, resulting

from, or arising out of any act of omission on the part of the contractor in their negligent performance under this contract.

The firm **must** certify that it must maintain such insurance as will protect against claims under Worker's Compensation Act and from any other claims for damages for personal injury, including death, which may arise from operations under the Agreement. The firm is an independent contractor and is not an employee of the State of Delaware.

The firm **must**, at its expense, carry insurance of minimum limits as follows:

Commercial General Liability	\$1 million per claim/ \$3 million aggregate
Professional Liability	\$1 million per claim/ \$3 million aggregate

The firm **must** provide a certificate of insurance as proof that the firm has the required insurance.

J. Non-Discrimination

In performing the services subject to this RFP, the firm agrees that it will not discriminate against any employee or applicant for employment because of race, creed, age, marital status, religion, color, sex, genetic information, national origin, or disability. The successful firm must comply with all federal and state laws, regulations and policies pertaining to the prevention of discriminatory employment practice. Failure to perform under this provision constitutes a material breach of contract.

K. Covenant Against Contingent Fees

The successful firm warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement of understanding for a commission or percentage, brokerage or contingent fee excepting bona-fide employees, bona-fide established commercial or selling agencies maintained by the bidder for the purpose of securing business. For breach or violation of this warranty, AOA must have the right to annul the contract without liability or at its discretion to deduct from the contract cost or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

L. Contract Documents

The RFP, the Purchase Order and the executed Agreement between AOA and the successful firm must constitute the Contract between AOA and the firm. In the event there is any discrepancy between any of these contract documents, the following order of documents governs so that the former prevails over the latter:

State of Delaware
Office of Auditor of Accounts
Request for Proposal

Agreement, Purchase Order, and RFP. No other documents must be considered. These documents contain the entire agreement between AOA and the firm. The firm agrees to be bound by the terms of this RFP pending final execution of the Agreement by the parties.

M. Applicable Law

The laws of the State of Delaware must apply, except where Federal law has precedence. The successful firm consents to exclusive jurisdiction in the State of Delaware and agrees that any litigation relating to this Agreement must be filed and litigated in a court in the State of Delaware.

N. Scope of Agreement

If the scope of any provision of this Agreement is too broad in any respect whatsoever to permit enforcement to its full extent, then such provision must be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Agreement must not thereby fail, but the scope of such provisions must be curtailed only to the extent necessary to conform to the law.

X. **Additional Services**

If, during the course of the engagement, the firm suspects that there will be significant delays in the timing of the work due to the actions of the engagement entity, such as not providing requested items in a timely manner or not adhering to the agreed-upon time schedule discussed at the entrance conference, the firm must notify AOA immediately. AOA and the firm will discuss the issues and develop a solution for completing the engagement.

If it must become necessary for AOA to request the firm to render any additional services to either supplement the services requested in this RFP or to perform additional work as a result of the specific recommendations included in any report issued on this engagement, then such additional work must be performed only if set forth in an addendum to the Agreement between AOA and the firm.
