omissions. Additionally, AOA may request the firm or firms to make oral presentations as part of the evaluation process. Not all firms may be asked to make such oral presentations. All costs associated with participation in oral presentations conducted for the State of Delaware are the firm's responsibility.

10.2 The Evaluation Committee may negotiate with one or more of the qualified firms during the same period and may, at its sole discretion, terminate negotiations with any and all firms at any time.

a. Review of Proposals

Proposals that do not meet or comply with the instructions of this RFP may be considered non-conforming, deemed non-responsive, and be subject to disqualification at the sole discretion of the Evaluation Committee.

The Evaluation Committee will use a point formula during the review process to score the proprietary sections of proposals. All assignments of points must be at the sole discretion of the Evaluation Committee. Each member of the Evaluation Committee will first score each proprietary section of the proposals by each of the criteria described in Section 9. The Evaluation Committee will then convene to review and discuss these evaluations and to combine the individual scores to arrive at an average technical score for each firm. At any point a firm may be eliminated from further consideration for unacceptably low technical scores.

b. Evaluation Criteria

Only firms meeting the mandatory requirements and all the must requirements of the RFP will have their proposals evaluated and scored for both technical qualifications and cost.

1. Technical Qualifications: (Maximum Points: 90)

Technical criteria will include, but are not limited to, staffing qualification, prior experience, AOA's prior experiences with the firm, use of specialist, engagement approach and innovation, and realistic time estimates.

2. Cost: (Maximum Points: 10)

Cost **will not** be the primary factor in the selection of any firm.

- Waive or modify any information, irregularity, or inconsistency in proposals received.
- Request modification to proposal from any or all contractors during the review and negotiation.
- Negotiate any aspect of the proposal with any firm and negotiate with more than one firm at the same time.

The Evaluation Committee reserves the right to reject any proposal as represented throughout this document and from a firm who:

- Has been convicted for commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of the contract or subcontract;
- Has been convicted under State or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or other offenses indicating lack of business integrity or business honesty that currently and seriously affects responsibility as a State contractor;
- Has been convicted or has had a civil judgment entered for a violation under State or federal antitrust statutes;
- Has violated contract provisions such as:
 - Knowing failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract;

designated agents. There must be no disclosure of any firm's information to a competing firm prior to award of the contract.

The State of Delaware is a public agency as defined by State law, and as such, it is subject to the Delaware Freedom of Information Act, 29 Del. C., c. 100. Under the law, all the State of Delaware's records are public records, unless otherwise declared by law to be confidential, and are subject to inspection and reproduction by any person. Vendors are advised that once a proposal is received by the State of Delaware and a decision on contract award is made, its contents will become public record and nothing contained in the proposal will be deemed to be confidential except proprietary information.

11. Contract Conditions

- 11.1 The firm awarded the contract will be required to enter into a written agreement with AOA. AOA reserves the right to incorporate standard State of Delaware contractual provisions into any contract negotiated as a result of a proposal submitted in response to an RFP. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by AOA. The firm must be referred to as "Contractor" in the agreement.
- 11.2 The selected firm will be expected to enter negotiations with AOA, which will result in a formal agreement between the parties. Procurement will be in accordance with the subsequent contracted agreement. This RFP and the selected firm's response to this RFP will be incorporated as part of any formal agreement.
- 11.3 If the firm to whom the contract is awarded fails to enter in the agreement as herein provided, the award will be annulled and an award may be made to another firm. Such firm must fulfill every stipulation embraced therein as if they were the party to whom the first award was made.
- 11.4 The selected firm under this RFP must be subject to contractual provisions, in a form substantially similar to the following, as well as those agreed to by the parties and not specifically described herein.
- a. Term
The term of the contract between the successful firm and AOA must be determined by AOA. The agreement may be terminated by AOA at any time by giving written notice to the Contractor of such termination. Upon such termination, the Contractor will be paid for the hours of work actually completed.

In the event the successful firm materially breaches any obligation under this Agreement, the Contractor must not be relieved of any liability to the State of

State of Delaware

Delaware for damages suffered by it by virtue of any such breach. AOA may withhold any payments to Contractor for the purpose of set off for such damages.

b. Compensation

AOA agrees to pay Contractor compensation calculated solely on the amount of engagement work performed by firm's staff, based on actual hours billed and hourly rates as set forth in Appendix A herein, as well as approved out-of-pocket expenses.

Contractor agrees to bill AOA only for actual work performed and out-of-pocket expenses incurred during its performance of the engagement. Contractor **must** submit all invoices in electronic format for AOA approval. Any additional work outside the contract or for additional fees related to the contract is not permitted without the AOA Liaison's knowledge and approval. Invoices must include the name of the person who performed the work, the nature of work performed, the date(s) work was performed, the number of hours worked, and the corresponding hourly rate, in addition to the amounts, descriptions, and dates of all out-of-pocket expenses for which reimbursement is requested. If approved, AOA will forward the invoice to the engagement entity for payment or pay the invoice itself, depending on the type of engagement.

If the deliverables are not submitted on the due dates as enumerated in the Request for Proposal due to the fault of the Contractor or an advance written request for extension has not been received and approved by AOA in writing per the terms of this contract, the Contractor is thus in default and may be subject to a late penalty. The penalty shall amount to zero point one percent (0.1%) of the total contract price for each day following the deliverable date specified in the Contract up to ten percent (10%) of the total price. This provision does not preclude damages for breach of contract for substandard work or damages as enumerated herein.

c. Non-Appropriation

In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or in part, the agreement must be terminated, as to any obligation of the State of Delaware requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

d. Debarment

AOA reserves the right to debar the Contractor from doing business with AOA. Debarment shall be used only in the public interest and for the State of

State of Delaware
Office of Auditor of Accounts

Delaware's protection, not for purposes of punishment. Although this is not an exhaustive list, AOA may debar the Contractor for any of the following reasons:

 3. Failing to perform in accordance with the contract terms and conditions.

 5. Failing to respond to requests for information regarding performance or accumulating repetitive, substantiated complaints regarding performance of a contract.

 - a. A conviction of a criminal offense related to the performance of a contract or subcontract with AOA or any State of Delaware agency, board, or authority.
 - b. A criminal conviction which negatively reflects on the vendor's business integrity, including but not limited to, embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, negligent misrepresentation, price-fixing, bid-rigging, or a violation of state or federal anti-trust statutes.
 - c. Suspension or loss of license from the AICPA or respective State Board of Accountancy for reasons that are relevant to the contract.
 - d. A loss or suspension of a business license or the right to do business in the State of Delaware.
- e. Notice of Termination
Any notice to AOA required under this Agreement must be in writing and sent by regular mail and registered mail to:

accordance with the bid specifications and the special instructions, once it is received by the successful firm.

g. Indemnification

By submitting a proposal, the proposing firm agrees that in the event it is awarded a contract, the Contractor must defend, indemnify and save harmless the State from and against all liability, damages, costs or expenses, causes of actions, suites, judgments, losses, and claims including reasonable attorney's fees, brought against the State arising out of or resulting from the performance of the auditing services by Contractor under the Agreement resulting from this RFP to the extent caused by Contractor's negligence or arising from any breach or default Contractor under such Agreement. The foregoing obligation of Contractor to defend, indemnify and hold harmless the State must not extend or apply to any claim alleging that the State's financial statements are inaccurate or incomplete or were not prepared in accordance with generally accepted accounting principles. Further, in no event will Contractor indemnify and hold harmless the State from any claims or liabilities resulting from the acts of the State.

h. Compliance

In performance of the contract the firm is required to comply with all applicable federal, state and local laws and regulations of the jurisdiction in which the Agreement is performed, as well as all applicable professional conduct rules and guidelines. Contractor will also comply with any policies, guidelines and requirements of the jurisdiction in which the Agreement is performed, provided that such policies, guidelines, and requirements are identified to the Contractor by the jurisdiction and the Contractor states, in writing, that it can comply. The cost of permits and other relevant costs required in the performance of the contract must be borne by the successful firm. The firm **must** be properly licensed and authorized to transact business in the State of Delaware as provided in 30 Del. C. §2502 and other applicable statutes and regulations.

AOA reserves the right to audit conformance to the contract terms and may perform this audit with a third party at its discretion. Contractor shall be under no obligation to permit an audit to the extent that such audit would violate applicable professional standards or undermine the integrity of the audit.

i. Non-Disclosure and Data² Security Agreement

At no point will any information obtained for the purposes of this engagement be used in any transaction that does not include AOA. Additional precautions

² For the purposes of the Contract (including the Non-Disclosure and Data Security Agreement and Biggs Data Center Non-Disclosure Agreement, if applicable), "data" does not include audit documentation required by the auditing standards.

If awarded the Contract, the Contractor must agree to the terms specified in Appendix C prior to the commencement of the engagement. The Contractor and its employees are forbidden from signing any agreements related to this engagement (e.g. non-disclosure agreements, data usage agreements, etc.) that are not presented directly by AOA.

j. Confidentiality of Information

Any reports, information, data, etc. given to, prepared, or assembled by the Contractor under this Contract shall not be released or made available to any individual or organization by the Contractor without the prior written approval of AOA. All information must be properly secured to prevent unauthorized access in accordance with Internal Revenue Service (IRS) Publication 1075, Tax Information Security Guidelines for Federal, State, and Local Agencies, the Privacy Act of 1974 (as amended by the Computer Matching and Privacy Protection Act of 1988), the Federal Information Security management Act of 2002, the Social Security Administration’s “Information System Security Guidelines for Federal, State, and Local Agencies Receiving Electronic Information from the Social Security Administration,” and related National Institute of Standards and Technology (NIST) guidelines. Notwithstanding the forgoing, the Contractor is authorized to disclose any information related to this Contract when required to by law, legal process, or applicable professional standards.

k. Use of Work Product

All reports developed under this Contract are the sole and exclusive property of the State, and the State has the exclusive right to their use.

l. Insurance

The firm recognizes that it is operating as an independent contractor, and not an employee of the State of Delaware, and that it is liable for any and all losses,

³ The National Institute of Standards and Technology (NIST) defines cloud computing as a “model for enabling ubiquitous, convenient, on-demand network access to a shared pool of configurable computing resources (e.g. networks, servers, storage, applications, and services) that can be rapidly provisioned and released with minimal management effort...”

penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the contractor's negligent performance under this contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the contractor in their negligent performance under this contract.

The firm **must** certify that it must maintain such insurance as will protect against claims under Worker's Compensation Act and from any other claims for damages for personal injury, including death, which may arise from operations under the Agreement. The firm is an independent contractor and is not an employee of the State of Delaware.

The firm **must**, at its expense, carry insurance of minimum limits as follows:

Commercial General Liability	\$1 million per claim/ \$3 million aggregate
Professional Liability	\$1 million per claim/ \$3 million aggregate

The firm **must** provide a certificate of insurance as proof that the firm has the required insurance.

m. Non-Discrimination

In performing the services subject to this RFP, the firm agrees that it will not discriminate against any employee or applicant for employment because of race, creed, age, marital status, religion, color, sex, genetic information, national origin, or disability. The successful firm must comply with all federal and state laws, regulations and policies pertaining to the prevention of discriminatory employment practice. Failure to perform under this provision constitutes a material breach of contract.

n. Covenant Against Contingent Fees

The successful firm warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement of understanding for a commission or percentage, brokerage or contingent fee excepting bona-fide employees, bona-fide established commercial or selling agencies maintained by the bidder for the purpose of securing business. For breach or violation of this warranty, AOA must have the right to annul the contract without liability or at its discretion to deduct from the contract cost or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

State of Delaware

o. Contract Documents

The RFP, the Purchase Order and the executed Agreement between AOA and the successful firm must constitute the Contract between AOA and the firm. In the event there is any discrepancy between any of these contract documents, the following order of documents governs so that the former prevails over the latter: Agreement, Purchase Order, and RFP. No other documents must be considered. These documents contain the entire agreement between AOA and the firm. The firm agrees to be bound by the terms of this RFP pending final execution of the Agreement by the parties.

p. Applicable Law

The laws of the State of Delaware must apply, except where Federal law has precedence. The successful firm consents to exclusive jurisdiction in the State of Delaware and agrees that any litigation relating to this Agreement must be filed and litigated in a court in the State of Delaware.

q. Scope of Agreement

If the scope of any provision of this Agreement is too broad in any respect whatsoever to permit enforcement to its full extent, then such provision must be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Agreement must not thereby fail, but the scope of such provisions must be curtailed only to the extent necessary to conform to the law.

12. Additional Services

12.1 If, during the course of the engagement, the firm suspects that there will be significant delays in the timing of the work due to the actions of the engagement entity, such as not providing requested items in a timely manner or not adhering to the agreed-upon time schedule discussed at the entrance conference, the firm must notify AOA immediately. AOA and the firm will discuss the issues and develop a solution for completing the engagement.

12.2 If it must become necessary for AOA to request the firm to render any additional services to either supplement the services requested in this RFP or to perform additional work as a result of the specific recommendations included in any report issued on this engagement, then such additional work must be performed only if set forth in an addendum to the Agreement between AOA and the firm. Any such additional work agreed to between AOA and the firm must be performed at the same rates set forth in the schedule of fees and expenses included in the cost section of the proposal. Further, if these delays cause the firm to perform additional work, the AOA liaison must approve any additional hours **before** they are incurred.

13. Manner of Payment Notice

- 13.1 Progress payments may be made no more frequently than 30, 60, 90, and 100 percent of completion based on the hours of work completed during the course of the engagement and out-of-pocket expenses incurred in accordance with the firm's cost section of the proposal and not less than a calendar month.

Appendix D – Frequently Asked Questions

1. Who prepared the financial statements?
It is the agency's responsibility to ensure the financial statements and related notes are prepared for the audit.
2. What were the prior year audit fees?
Total fees paid for the FY 2013 audit were \$40,000. The firm is encouraged to evaluate the hours they believe are necessary to complete the engagement in accordance with the current standards, including any updates that may have occurred from the prior year to present. Firms that provide a more detailed proposal and related hours tend to score much higher than those that do not. In fact, lack of adequate detail and or hours will result in a reduced scoring.
3. How many hours did the most recent audit take?
The FY 2013 audit took approximately 500 hours. Please see response to question 2 above.
4. Is there a prior report?
The FY2013 audit report has been issued and is available at auditor.delaware.gov.
5. Were there any difficulties in completing the prior period audit?
We are not aware of any difficulties in completing the audit.
6. Were there any audit adjustments in the prior year audit? If so, how many were there?
There were two adjusting journal entries for the FY 2013 audit. Based on the lack of a finding, there were no material adjustments in the prior year audit. AOA does not receive the audit difference schedule from the contracted firm as a regular practice, so we would not know the number or amount of adjustments passed on.
7. Did any event occur that would make the current year audit significantly different from the prior year?
AOA is not aware of any operational issues. The firm is expected to reflect any and all accounting and standards changes in its presentation to demonstrate adequate professional competencies.
8. How much are the agency's federal expenditures?
In FY 2014, Diamond State Port Corporation is estimating less than \$100,000 in federal expenditures.
9. Can a firm opt to provide proof of insurance upon request or contract award?
Absolutely not, please refer to all elements considered mandatory requirements. They are mandatory and must be provided as part of the proposal or the proposal is disqualified.

State of Delaware
Office of Auditor of Accounts
Request for Proposal

10. In the RFP, section 8.3 (b) asks for authorization from NASBA. Since Delaware is a State that is part of the Portability Act, can we just say that we meet the requirements of the Act and provide a copy of our firm's State license and a copy of the State licenses for the Partner, Manager, and Supervisor in the proposal?

Yes, that is acceptable. Copies of the firm and the partner, manager, and supervisor-in-charge CPA licenses must be provided. Please keep in mind that a copy of a valid State of Delaware business license is also required.

11. In the RFP section 8.3 (g), what do you want to see in the proposal pertaining to Affirmative Action?

We have a policy, so can we simply say that we have an Affirmative Action Policy?

Yes, you may state that you have an Affirmative Action Policy. Per section 8.3 (g) of the RFP: "The firm must identify the extent to which staff to be assigned to the engagement reflect the State of Delaware's commitment to Affirmation Action."

12. Can we include an insurance binder showing our limits to satisfy the proof of Insurance requirement?

Can the insurance certificate have an expired date?

Yes, however AOA will require the selected firm to provide evidence of actual insurance prior to the contract being signed. The insurance certificate or binder will not be accepted if the certificate is not current as of the date the proposals are submitted.

13. Can you share with us the information given to other bidders in response to their inquiries?

Answers to all questions received are posted at bids.delaware.gov.

14. What assistance is given to the auditors during the audit?

Per section 4.3 (b), "The firm agrees it will not prepare the financial statements, note disclosures, or management discussion and analysis (MD&A). The firm should notify AOA immediately of any request to perform such services."

15. Is this RFP for a fixed price contract?

No, our contracts are not fixed in price. As described in Section 11.4 (b) of the RFP, the Contractor agrees to bill AOA only for actual work performed and out-of-pocket expenses incurred during its performance of the engagement. Therefore, if a firm's work is less than the estimated hours in its proposal, the firm should only bill for actual hours. Any additional work outside the contract or for additional fees related to the contract is not permitted without the AOA Liaison's prior knowledge and approval.

16. Is the proposing partner required to submit clarifying questions to AOA?

Questions may be submitted by any representative deemed appropriate by the firm; however, the proposing partner should sufficiently participate in the proposal process to eliminate unnecessary questions and to ensure the firm's proposal meets all RFP requirements.

State of Delaware

17. Does the quality of past engagement work and reports play a role in firm's technical proposal score?

Yes. AOA looks for high quality audit work, including quality writing in both findings and reports. When auditors perform quality audit work in accordance with GAGAS, it can lead to improved government management, better decision making and oversight, effective and efficient operations, and accountability and transparency for resources and results. (GAGAS 1.05) Audit reports are used to effectively communicate necessary information to both government officials and the public. Therefore, sufficient time should be budgeted and spent on writing user-friendly findings that allow these readers to understand the issues found and their impact. When evaluating a firm on previous work experience, the Evaluation Committee will consider whether previously submitted engagement reports were complete, accurate, objective, convincing, clear, and concise (GAGAS A7.02) and whether sufficient time has been allocated in the current proposal for performing these tasks.
