1. **Introduction**

1.1 In accordance with 29 Del. C. Chapter 69, Subchapter VI, *Professional Services*, the Office of Auditor of Accounts (“AOA”) is publishing this Request for Proposal (“RFP”) and seeking proposals (“Proposals”) from qualified certified public accounting firms (“Firms”) to perform an engagement in accordance with services described in this RFP at Section 4. Nature of Services Required, for each of the fiscal years ended June 30, 2017 and 2018.

1.2 There is no expressed or implied obligation for AOA to reimburse Firms for any costs or expenses incurred in preparing Proposals in response to this request, and AOA will not pay any costs or expenses incurred by any Firm associated with any aspect of responding to this RFP, including Proposal preparation, printing, delivery, or the negotiation process. Additionally, no indirect reimbursements (e.g., in the form of credits or reductions to any agreed upon compensation) will be made to any Firm by AOA for any such costs or expenses.

1.3 Public announcement of this RFP has been made in accordance with 29 Del. C. § 6981.

1.4 A mandatory pre-bid meeting has not been established for this RFP and is not required.

1.5 This RFP is available in electronic form through the State of Delaware Procurement website at [www.bids.delaware.gov](http://www.bids.delaware.gov). Paper copies of this RFP will not be provided by AOA or otherwise available.

If AOA determines that is necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware Procurement website at [www.bids.delaware.gov](http://www.bids.delaware.gov). The terms of this RFP and any addenda are controlling and any statement related to this RFP made by any State of Delaware employee, contractor, or its agents does not bind AOA.

2. **Proposal and Bid Submission Process**

2.1 All questions regarding this RFP must be submitted in writing and must be received by 4:00 p.m. EST on May 26, 2017 via e-mail directly to AOA’s Designated Contact:

Kimberly Judy
Audit Manager
Kimberly.Judy@state.de.us

If a Firm is seeking clarification regarding a specific aspect of the RFP, the Firm must cite the section and page number for reference. Answers to all submitted questions will be posted on [www.bids.delaware.gov](http://www.bids.delaware.gov) in the same manner as this RFP.

2.2 The lowest bid is not the deciding or the most significant factor in awarding professional services contracts. Any Firm identifying contingencies will have its proposed cost adjusted
in relation to others that do not include the contingency so that it is comparable from a cost perspective. Proposals that include sufficient details and realistic hours are likely to receive a higher score overall.

2.3 The State of Delaware may retain consultants or legal counsel to assist in the review and evaluation of responses to this RFP. Firms shall not contact the State’s consultant or legal counsel on any matter related to the RFP. Such contact may also result in the elimination of the Proposal from further consideration and award.

2.4 The **Minimum Requirements Section**, **Proprietary Section**, and **Cost Section** of the Proposal must be submitted in three separate PDF searchable files. The **Minimum Requirements** and **Proprietary Sections** can be submitted in the same email; however, the **Cost Section** of the Proposal must be submitted in a separate email. The two email subject lines should clearly state “**Minimum Requirements and Proprietary Sections**” and “**Cost Section**.” Proposals must be sent to AOAContracting@state.de.us on or before **3:00 p.m. EST on June 12, 2017** (the “Submission Deadline”). Any Proposal received after the Submission Deadline will not be considered and will be rejected. The Firm bears all risk of delays in delivery.

AOA will provide an email response of acknowledgement for each email received.

A Firm may modify or withdraw its Proposal by written request, provided that both the request and Proposal are received by AOA prior to the Submission Deadline. Any changes, amendments, or modifications to a Proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment, or modification to a previously submitted Proposal. Changes, amendments, or modifications to Proposals shall not be accepted or considered after the Submission Deadline.

All Proposals shall become the property of AOA upon receipt and are deemed firm offers at that time unless an amended Proposal is submitted prior to the Submission Deadline.

2.5 AOA will not conduct a public opening of Proposals but will maintain a public log of the names of all Firms that submitted Proposals. AOA’s evaluation of the Proposals will begin shortly after the Submission Deadline.

All documents submitted as part of the Proposal will be treated as confidential during the evaluation process. As such, Proposals will not be available for review by anyone other than AOA’s Proposal Evaluation Team or its designated agents, as well as AOA’s legal counsel. The content of Proposals will not be disclosed unless such disclosure is mandated by the State of Delaware Freedom of Information Act, Title 29, Delaware Code, Chapter 100. Once a written Proposal is received by AOA and a decision on contract award is made, the content of selected and non-selected Proposals will likely become subject to FOIA’s public disclosure obligations.
AOA expects to receive Proposals that include proprietary information, such as services that may not be provided by other Firms. The Firm must include this information in the Proprietary Section of the Proposal.

A Firm’s statement or position as to the confidentiality of any portion of its Proposal shall not be binding on the State. The State shall independently determine the validity of any Firm’s confidentiality designation. Any Firm submitting a Proposal or using the procedures discussed herein expressly accepts AOA’s absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, Firms assume the risk that confidential business information included within a Proposal may enter the public domain.

Firms shall be advised that as a publically bid contract, no Firm shall retain the right to declare its pricing confidential.

2.6 Non-conforming Proposals, defined as those that do not meet the requirements of this RFP, will not be considered. AOA, in its sole discretion, shall determine whether a Proposal conforms to the requirement of this RFP.

2.7 AOA expects that Firm can fully meet and fulfill the representations made in its Proposal and do so in a timely manner. Proposals must be realistic and must represent the best estimate of time, materials, and other costs including the impact of inflation and any economic or other factors that are reasonably predictable.

2.8 A Firm is fully responsible for the completeness and accuracy of its Proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of the Firm. Should the Firm find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, the Firm shall notify AOA’s Designated Contact, in writing, of such findings at least ten (10) days before the Proposal opening. This will allow issuance of any necessary addenda. It will also help avoid the opening of a defective Proposal and disclosure of a Firm’s Proposal upon which award could not be made. All unresolved issues should be addressed in the Proposal.

2.9 AOA reserves the right to retain, accept, or reject any or all Proposals or any part of any Proposal, and, in its sole judgment and discretion, determine the merit and qualifications of each product offered, or to solicit new Proposals on the same project or on a modified project which may include portions of the originally proposed project, all or any of which as AOA may deem necessary in the best interest of the State of Delaware and as permitted under law.

2.10 By submitting a Proposal, the Firm acknowledges that it has carefully read all sections of this RFP, including all forms, schedules, and exhibits hereto, and has fully informed itself as to all existing conditions and limitations.
2.11 This RFP will become part of the awarded and executed contract and its terms will be enforced as such.

2.12 AOA reserves the right to cancel this RFP at any time during the procurement process, for any reason or for no reason. AOA makes no commitments expressed or implied, that the publication of this RFP and the solicitation and submission of Proposals thereunder will result in a business transaction with any Firm.

This RFP does not constitute an offer by AOA. A Firm’s participation in this process may result in the Firm’s selection (“Selected Firm”) by AOA to engage in further discussions and negotiations in furtherance of the execution of a contract. The commencement of such negotiations does not, however, signify a commitment by AOA to execute a contract nor to continue negotiations. AOA may terminate negotiations at any time and for any reason, or for no reason.

2.13 The final award of a contract is subject to approval by the State of Delaware Auditor of Accounts. In accordance with State law, the Auditor of Accounts has the sole right to select the successful Firm(s) for award, to reject any Proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced Proposal, to award multiple contracts, or not to award a contract, as a result of this RFP.

After the Evaluation Committee reports its recommendation, and once the contract terms and conditions have been negotiated and finalized, AOA will award the contract. Notice in writing to a Firm of the acceptance of its Proposal by AOA and the subsequent full execution of a written agreement between the Firm and AOA will constitute a the legal relationship between the parties, and no Firm will acquire any legal or equitable rights or privileges until the occurrence of both such events.

AOA is not obligated to award a contract to the Firm that submits the lowest bid or to the Firm that receives the highest total point score, rather the contract will be awarded to the Firm whose Proposal is the most advantageous to the State of Delaware, as determined by AOA in its sole discretion.

2.14 Once AOA has selected a Firm to engage in contract discussions and negotiations with AOA, all Firms that submitted a Proposal within the established RFP deadline will be notified and the contract discussions and negotiations with the selected Firm will begin reasonably thereafter.
3. **Term of Engagement**

3.1 The contract period is for two one-year engagements, with the option to renew the contract at AOA’s request for two additional years, subject to the satisfactory negotiation of terms (including a cost acceptable to both AOA and the Selected Firm) and the annual availability of an appropriation by the General Assembly. AOA is under no express or implied obligation, legal or otherwise, to renew the contract.

4. **Nature of Services Required**

4.1 Engagement Description and Cycle

   a. The proposer shall conduct an annual financial statement audit of the Department of Natural Resources and Environmental Control (DNREC), Hazardous Substance Cleanup Fund (the Fund). The Fund’s fiscal year begins on July 1 and ends on June 30.

4.2 Engagement Standards

   a. To meet the requirements of this RFP, the engagement must be performed in accordance with the applicable standards established by the American Institute of Certified Public Accountants (AICPA) and *Government Auditing Standards*, issued by the Comptroller General of the United States.

   b. The Selected Firm must immediately notify AOA regarding any known or potential fraud, waste, or abuse identified during the engagement, regardless of materiality. The course of action and additional procedures, if necessary, will be determined by AOA. Failure to notify AOA immediately about any identified known or potential fraud, waste, or abuse is considered contract non-compliance.

4.3 Other Engagement Information

   a. The engagement letter must not have any contract terms or an offer to provide additional services. The engagement letter in no way modifies or adds conditions or terms to the contract and is not considered part of the contract with AOA.

   b. A Statements on Standards for Attestation Engagements (SSAE) 16 report performed on the State’s accounting and payroll systems is available for the Selected Firm to use during the engagement.

   c. The Selected Firm agrees it will not prepare the financial statements, note disclosures, or management discussion and analysis (MD&A). The Selected Firm should notify AOA immediately of any request to perform such services.
d. The Selected Firm agrees it will not provide auditor’s reports (e.g., audit opinions) to the auditee for incorporation into its reporting packages. The Selected Firm must obtain the auditee-prepared report (e.g., financial statements), insert the Selected Firm’s opinion and signature, and provide the complete reporting package\(^1\) directly to AOA.

e. AOA reserves the right to review the Selected Firm’s engagement difference schedule throughout the engagement and any findings the Selected Firm deems inconsequential to the engagement.

f. Following the completion of the engagement, the Selected Firm must provide a written reporting package in accordance with standards discussed in Section 4.2a. AOA will finalize and distribute copies of the reporting packages, with the exception of the management letter and any confidential information, to the appropriate officials. The Selected Firm is not to distribute or issue any work products, reporting packages, or findings without prior written consent from AOA. However, communicating exceptions to management in a timely manner is encouraged, along with discussion and in-depth review of the issue.

### 4.4 Retention and Access to Engagement Documentation

a. The Selected Firm shall maintain engagement documentation, reporting packages, records, documents, and other evidence pertaining to the workpapers and reports related to this engagement to the extent and in such detail as shall adequately reflect performance hereunder. The Selected Firm agrees to preserve and make available to AOA, upon request, such records for a period of five (5) years from the completion of the engagement. Records involving any litigation-related matters shall be retained for one (1) year following the termination of such litigation. The Selected Firm agrees to make such records available for inspection, audit, or reproduction to any authorized AOA representative in the performance of its duties under the contract. Upon written notice given to the Selected Firm, representatives of AOA or other duly authorized State or Federal agency may inspect, monitor, and/or evaluate the cost and billing records or other material relative to this contract. The cost of any contract audit disallowances resulting from the examination of the Selected Firm’s financial records will be borne by the Selected Firm. Reimbursement to AOA for disallowances shall be drawn from the Selected Firm’s own resources and not charged to contract cost or cost pools indirectly charging contract costs.

---

\(^1\) Financial reporting packages, for example, include, but are not limited to, the Independent Auditors’ Report, Management Discussion & Analysis (MD&A), financial statements, note disclosures, Required Supplementary Information (RSI), Supplementary Information (SI), and the Report on Internal Control over Financial Reporting, including findings, if applicable. All reports received must be in compliance with generally accepted government auditing standards (GAGAS). The firm must send each report in one, complete electronic file to AOA. Any management letter comments and communications with those charged with governance must also be provided to AOA.
5. **Description of the Engagement Entity**

5.1 Engagement Entity

a. For this RFP, the engagement entity is the Fund.

5.2 Engagement Contact and Location

a. The engagement entity’s principal engagement contact will be Terry Deputy, Environmental Finance Administrator, or a designated representative, who will coordinate the assistance to the Selected Firm. The location of the audits will be at the Fund’s office, located in Dover, Delaware.

5.3 The Fund Background Information

a. In July 1990, the State of Delaware Legislature enacted the Hazardous Substance Cleanup Act to protect the health and welfare of its citizens and the environment from releases of hazardous substances. The Division of Waste and Hazardous Substances within DNREC is responsible for administering the Act. Two branches were created within the Division that together make up the Fund: the Superfund Branch and the Tank Management Section. Both branches are funded primarily by a surtax on certain petroleum products sold in the State. The Fund’s activities are accounted for as a distinct operating unit within the Division and are run through the State’s accounting system. The Fund is further divided into three sub-funds: a Holding Account for the collection of tax assessments and other revenues, a Cleanup Fund for the remediation activities of the Fund, and an Administrative Account for the administrative activities of the Fund. The financial statements are presented on a cash basis of accounting and include only the portion of funds that are attributable to the transactions of the Fund.

b. The Division of Waste and Hazardous Substances website can be found at: [http://www.dnrec.delaware.gov/dwhs/](http://www.dnrec.delaware.gov/dwhs/).

d. Information about the Fund can also be found at 7 Del. C. §9113.

The AOA Liaison requires a minimum of 10 business days for review and to return any comments to the Selected Firm. The

- Fiscal Year 2018  October 17, 2018

b. Final Reporting Packages – Once the AOA Liaison approves the reporting package for issuance, the final reporting package must be emailed as one, comprehensive reporting package and in an unsecured PDF format to the AOA Liaison by the following dates.

- Fiscal Year 2017  November 8, 2017
- Fiscal Year 2018  November 7, 2018

Reporting package preparation and editing is the responsibility of the Selected Firm.

8. Cost Section

8.1 The Cost Section must include (1) a transmittal letter with the name of the Firm and (2) written certification that (a) the Firm agrees to bill AOA only for actual work performed and out-of-pocket expense incurred during its performance of the engagement; (b) billings will be submitted in the format outlined in Section 14.4. of this RFP; (c) a statement that the Firm will accept reimbursement for travel, lodging, and subsistence at the prevailing rate used by the State of Delaware for its employees; and (d) the person signing the Proposal is duly authorized to represent the Firm, submit the bid, and to execute a contract with AOA.

8.3 If a Firm determines additional items are necessary for the completion of this engagement, including more detail to demonstrate its engagement process, the Firm may include these in its Proposals as separate line items. Any additional items will be considered individually and removed from the total cost when comparing the cost sections of Proposals.

8.4 The rates quoted in the Proposal shall remain fixed and binding on the Firm at least through August 1, 2017. AOA reserves the right to ask for an extension of time if needed.

9. **Minimum Requirements Section**

9.1 There must be no dollars or total costs included in the Minimum Requirements Section of the Proposal. Inclusion of such information will result in disqualification of the Proposal.

9.2 Each Proposal must be accompanied by a transmittal letter that briefly summarizes the Firm’s interest in providing the required professional services. The transmittal letter must also clearly state and justify any exceptions to the requirements of the RFP that the Firm may have taken in presenting the Proposal.

Furthermore, the transmittal letter must attest to the fact, at a minimum, that the Firm shall not store or transfer non-public State of Delaware data outside of the United States.

AOA reserves the right to deny any and all exceptions taken to the RFP requirements.

9.3 The Minimum Requirements Section must address all the points outlined in the RFP in the following format:

a. **Independence**
   
   The Firm must provide the following statement:

   “The Firm is independent of the engagement entity as defined by engagement standards in *Government Auditing Standards*, issued by the Comptroller General of the United States.”

   The Firm must also list and describe the Firm’s professional relationships involving the engagement entity for the past five years, together with a statement explaining why each relationship does not constitute a conflict of interest relative to performing the proposed engagement, or the Firm must state: “The Firm has had no professional relationships involving the engagement entity within the last five years.”

A copy of such verification must be included in the Proposal.

   AOA will also accept screen shots of online license verification from both the State Boards of Accountancy and CPAverify.org, as long as all relevant information is provided in the screen shot, including the name of the state. The Firm must also indicate the web address, with the date, from which this information was obtained.

   (2) A copy of a valid Delaware firm professional license, also known as a permit to practice, issued by the State Board of Accountancy. AOA will accept the Firm professional license in the same manner as described above for individual CPA licenses.

Notwithstanding the foregoing, AOA retains the right to approve or reject replacements.

10. **Proprietary Section**

10.1 There must be no dollars or total costs included in the Proprietary Section of the Proposal. Inclusion of such information will result in disqualification of the Proposal.

10.2 The Proprietary Section must address all of the following:

   a. **Prior Engagements with AOA and the State of Delaware**
      All engagements performed for AOA and the State of Delaware (e.g., component units, related organizations) within the last three years must be listed in the Proposal. These engagements must be ranked on the basis of total staff hours and by type of engagement (e.g., audit, examination, other). The scope of work, date, engagement partners, total hours, the location of the Firm’s office from which the engagement was performed, and the name and telephone number of the principal client contact must also be detailed.

   b. **Similar Engagements with Other Government Entities**
      For the Firm office that will be assigned responsibility for the engagement, the Firm must list the most significant engagements (maximum of five) performed in the last three years that are similar to the engagement described in this RFP. These engagements must be ranked on the basis of total staff hours and must indicate the scope of work, date, engagement partners, total hours, and the name and telephone number of the principal client contact.

      The Firm should demonstrate why the Firm is uniquely qualified to perform the engagement on behalf of AOA. Information presented in this section should include, but not limited to, innovative engagement approach, approach to identifying and testing effective controls, unique methods for utilizing software and preparing engagement documentation, and example reporting package templates. In an effort to prevent substandard engagements and to provide the highest quality service to Delaware taxpayers, AOA will award a higher score to Firms that provide an innovative engagement approach. Any additional procedures that generate additional costs should be separately stated in the Cost Section.

The Proprietary Section must set forth a work plan including, but not limited to, the following, as applicable:

1. Proposed segmentation, phases, and/or milestones of the engagement.
2. Discussion regarding any early planning and interim testing approaches the Firm uses to try to improve timeliness and efficiency of planning and fieldwork.

d. **Examples of GAGAS findings**
   The Firm must include at least two (but more than three) examples of findings issued under a GAGAS engagement. AOA will evaluate the quality of the findings including whether the findings are clear, concise, and easily understood by the public and management. The Firm is encouraged to provide examples not previously reviewed by AOA under a different engagement or contract.

e. **Other work product examples**
   The Firm is encouraged to include examples of prior engagement plans, custom audit programs beyond canned or template audit programs, draft reporting packages, unusual analytical procedures, unique data or its procedures, and innovative engagement approaches for AOA’s review during the evaluation process.

The Evaluation Committee shall determine which Firms meet the minimum requirements pursuant to the selection criteria of the RFP and procedures established in 29 Del. C. §§ 6981 and 6982. Neither the lowest price nor highest scoring Proposal will necessarily be selected.

AOA reserves full discretion to determine the competence and responsibility, professionally and/or financially, of the Firm. The Firms is to provide, in a timely manner, any and all information that AOA may deem necessary to make a decision.

The Evaluation Committee shall make a recommendation to the State of Delaware Auditor of Accounts, who shall have final authority for the selection of a Firm, subject to the provisions of this RFP and 29 Del. C. § 6982, and to begin contract negotiations with the Selected Firm.
11.2 As stated above, no Proposal will move forward for full technical review and scoring unless the minimum requirements, as outlined throughout this RFP, are fully addressed. AOA will notify the Firm if the Firm’s Proposal did not meet the minimum requirements.

11.3 During the evaluation process, AOA reserves the right to request additional information or clarification from Firms; however, a Proposal may not be modified as a result of such clarification requests. Additionally, AOA, at its discretion may request one or more Firms (but not necessarily every Firm) to make oral presentations as part of the evaluation process. All costs associated with participation in oral presentations are the Firm’s sole responsibility.

11.4 The Evaluation Committee may contact any client or customer of the Firm, whether or not included in the Firm’s list requested at Section 10.2 of this RFP, and use such information in the evaluation process.

11.5 The Evaluation Committee may negotiate with one or more of the qualified Firms during the same period and may, at its sole discretion, terminate negotiations with any and all Firms at any time.

   a. Review of Proposals

   Proposals that do not meet or comply with the instructions of this RFP may be considered non-conforming, deemed non-responsive, and be subject to disqualification at the sole discretion of the Evaluation Committee.

   The Evaluation Committee will use a point formula during the review process to score the Proposals. All assignments of points will be at the sole discretion of the Evaluation Committee. Each member of the Evaluation Committee will first score each Proposal by each of the criteria described in Sections 8, 9, and 10. The Evaluation Committee will then convene to review and discuss these evaluations and to combine the individual scores to arrive at an average technical score for each Firm. At any point, a Firm may be eliminated from further consideration for unacceptably low technical scores.

   b. Evaluation Criteria

   Only Firms meeting the minimum requirements of the RFP will have their Proposals evaluated and scored for both technical qualifications and cost.

   All Proposals shall be evaluated using the same criteria and scoring process. Firms are encouraged to review the evaluation criteria and to provide a response that addresses each of the scored items. Evaluators will not be able to make assumptions about a Firm’s capabilities so the Firm should be detailed in its Proposal responses. The following criteria shall be used to evaluate Proposals:
Criteria | Weight
---|---
Prior experience with AOA or references | 10
Quality of work plan, including realistic proposal and time estimates | 15
Staffing experience, expertise, and education | 15
Sufficient staff assigned | 10
Sufficient plan to identify, evaluate, test, and rely on the most important internal controls | 10
Adequate risk, materiality, and sampling consideration | 10
Engagement approach and innovation, including sufficient detail | 10
Quality of reporting package examples | 8
Member of GAQC | 2
Cost | 10
Total | 100

Cost will not be the primary factor in the selection of any firm.

c. Reservation of Rights

The Evaluation Committee reserves the right to:

- Select for contract or for negotiations a Proposal other than that with the lowest costs.
- Reject any and all Proposals or portions of the Proposals received in response to this RFP, or to make no award or issue a new RFP.
- Waive or modify any information, irregularity, or inconsistency in Proposals received.
- Request modification to Proposal from any or all Firms during the review and negotiation.
- Negotiate any aspect of the Proposal with any Firm and negotiate with more than one Firm at the same time.

The Evaluation Committee reserves the right to reject any Proposal as represented throughout this RFP and from a Firm that:

- Has been convicted for commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of the contract or subcontract;

  - Knowing failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract;
  - Failure to perform or unsatisfactory performance in accordance with terms of one or more contracts;
  - Has violated ethical standards set out in law or regulation;
  - Any other cause listed in regulations of the State of Delaware determined to be serious and compelling as to affect responsibility as a State contractor, including debarment by another government entity for cause listed in the regulations.

12. Contract Conditions and Considerations

12.1 After the Selected Firm and AOA have completed successful contract negotiations, the Selected Firm will be required to enter into a written agreement with AOA (the “Contract”). AOA reserves the right to incorporate standard State of Delaware contractual provisions into any Contract negotiated as a result of an accepted Proposal under this RFP. Any proposed modifications to the terms and conditions of the standard Contract are subject to review and approval by AOA. The Selected Firm must be referred to as “Contractor” in the Contract.

12.2 The Selected Firm will be expected to enter negotiations with AOA, which will result in a formal Contract between the parties. This RFP and the Selected Firm’s response to this RFP will be incorporated as part of any formal Contract.

12.3 If the Selected Firm to which the Contract is awarded fails to enter into the Contract as herein provided, the award will be annulled and, at AOA’s sole discretion, an award may be made to another Firm.

12.4 The Selected Firm must agree to contractual provisions including, but not limited to, the following, as well as those negotiated and agreed to by the parties and not specifically described herein.

a. Term
   The term of the Contract between the Selected Firm and AOA shall be for two one-year engagements, with the option to renew the Contract at AOA’s request for two additional years. The Contract may be terminated by AOA at any time by giving written notice to the Selected Firm of such termination. Upon such termination, the Selected Firm will be paid for the hours of work actually completed.
In the event the Selected Firm materially breaches any obligation under the Contract, the Selected Firm must not be relieved of any liability to the State of Delaware for damages suffered by it by virtue of any such breach. AOA may withhold any payments to Selected Firm for the purpose of set off for such damages.

If the Selected Firm violates any provision of this RFP or the Contract without prior discussion with (and prior written approval of exception by) AOA, including not submitting deliverables timely due to the fault of the Selected Firm or not providing an advance written request for extension for AOA’s approval prior to the due dates, the Selected Firm shall be deemed to be in default and subject to liquidated damages in the amount of one-tenth of one percent (0.1%) of the total Contract price for each day following the violation up to ten percent (10%) of the total price. This provision does not preclude damages for breach of Contract for substandard work or damages as enumerated herein.

b. Non-Appropriation
If sufficient funds are not appropriated by the Delaware General Assembly, or other appropriate federal or State organization, to sustain in whole or in part the Selected Firm’s performance under the Contract, or if such appropriation is reduced such that the amount of the appropriation is insufficient to sustain said performance, this Contract shall be null and void at the option of AOA. If such termination should occur, AOA shall advise the Selected Firm as soon as possible.

c. Notice
Any notice to AOA required under this Contract must be in writing and sent by registered mail to:

Attention: R. Thomas Wagner, Jr.  
Auditor of Accounts  
Townsend Building, Suite 1  
401 Federal Street  
Dover, DE 19901

d. Formal Contract and Purchase Order
The Selected Firm must execute a Contract incorporating the terms of this RFP within twenty business days after commencement of negotiations. When purchase orders are applicable, the Selected Firm must not begin any service prior to receipt of a State of Delaware signed purchase order requesting service, properly processed through the State of Delaware Division of Accounting and the engagement entity, where applicable. The purchase order must serve as the authorization to proceed in accordance with the bid specifications and the special instructions, once it is received by the Selected Firm.
e. Indemnification

1. General Indemnification
   The Firm agrees that, in the event it is awarded a Contract, the Firm will defend, indemnify, and save harmless the State from and against all liability, damages, costs or expenses, causes of actions, suits, judgments, losses, and claims, including reasonable attorney’s fees, brought against the State arising out of or resulting from the performance of the auditing services by the Selected Firm under the Contract resulting from this RFP to the extent caused by the Selected Firm’s negligence or arising from any breach or default by the Selected Firm under such Contract. Further, in no event will the Selected Firm indemnify and hold harmless the State from any claims or liabilities resulting solely from the acts of the State.

2. Proprietary Rights Indemnification
   The Selected Firm shall warrant that all equipment, software, documentation, services, and deliverables, do not and will not infringe upon or violate any patent, copyright, trade secret, or other proprietary rights of any third party. In the event of any claim, suit, or action by any third party against the State of Delaware, AOA shall promptly notify the Selected Firm in writing and Selected Firm shall defend such claim, suit, or action at Selected Firm’s expense, and the Selected Firm shall indemnify the State of Delaware against any loss, cost, damage, expense, or liability arising out of such claim, suit, or action (including, without limitation, litigation costs, lost employee time, and counsel fees) whether or not such claim, suit or action is successful.

   If any equipment, software, services (including methods), products or other intellectual property used or furnished by the Selected Firm (collectively “Products”) is, or in the Selected Firm’s reasonable judgment is likely to be, held to constitute an infringing product, the Selected Firm shall at its sole expense and option either:
   a. Procure the right for the State of Delaware to continue using the Product(s);
   b. Replace the product with a non-infringing equivalent that satisfies all the requirements of the Contract; or
   c. Modify the Product(s) to make it or them non-infringing, provided that the modification does not materially alter the functionality or efficacy of the product or cause the Product(s) or any part of the work to fail to conform to the requirements of the Contract, or only alters the Product(s) to a degree that the AOA agrees to and accepts in writing.

f. Compliance
   In performance of the Contract, the Selected Firm is required to comply with all applicable federal, state, and local laws and regulations of the jurisdiction in which the Contract is performed, as well as all applicable professional conduct rules and guidelines. The Selected Firm will also comply with any policies, guidelines, and requirements of the jurisdiction in which the Contract is performed, provided that such
policies, guidelines, and requirements are identified to the Selected Firm by the
jurisdiction and the Selected Firm states, in writing, that it can comply. The cost of
permits and other relevant costs required in the performance of the Contract shall be
borne solely by the Selected Firm. For the duration of the engagement, the Selected
Firm must be properly licensed and authorized to transact business in the State of
Delaware as provided in 30 Del. C. § 2301(b) and all other applicable statutes and
regulations.

The Selected Firm will warrant that it possesses, or will secure at its own expense, all
personnel and licenses necessary to carry out and complete the work hereunder in
compliance with any and all federal and State laws, and County and local ordinances,
regulations, and codes. All of the services required hereunder shall be provided by or
performed by the Selected Firm or under its direct supervision, and all personnel
engaged in the work shall be fully qualified and shall be authorized under State and
local law to perform such services. In accordance with 29 Del. C. § 6984, information
regarding the award of the Contract will be given to the Delaware Division of Revenue.

AOA reserves the right to audit conformance to the Contract terms and may perform
this audit with a third party at its discretion. The Selected Firm shall be under no
obligation to permit an audit to the extent that such audit would violate applicable
professional standards or undermine the integrity of the audit.

g. Non-Disclosure and Data Security Agreement

No services or other related work under this Contract shall be subcontracted or
performed by a third party service provider to complete the engagement (see Section
9.3.g). Notwithstanding the foregoing, the Selected Firm may use third parties to
provide administrative and operational support to the Selected Firm’s business
operations, none of which includes the services to be performed by the Selected Firm
under this Contract. All of these third party service providers are subject to
confidentiality obligations to protect the confidentiality of client data. Such entities
may be located within or outside the United States; however, all AOA or State data, to
the extent stored or housed by such third party vendors, shall be stored or housed, in the
“cloud” or otherwise, within the United States as required by the Confidentiality and
Non-Disclosure Agreement. This includes backup data and disaster recovery locations.
The Selected Firm shall be fully responsible to the State for any such third party service
providers, including compliance with the Selected Firm’s obligations set forth in the
Confidentiality and Non-Disclosure Agreement if awarded the Contract, the Selected
Firm must agree to the terms specified in Appendix C prior to the commencement of

3 For the purposes of the contract (including the Non-Disclosure & Data Security Agreements, if applicable), “data”
does not include audit documentation required by the auditing standards.

4 The National Institute of Standards and Technology (NIST) defines cloud computing as a “model for enabling
ubiquitous, convenient, on-demand network access to a shared pool of configurable computing resources (e.g.,
networks, servers, storage, applications, and services) that can be rapidly provisioned and released with minimal
management effort…”
the engagement. The Selected Firm and its employees are forbidden from signing any agreements related to this engagement (e.g., non-disclosure agreements, data usage agreements, etc.) that are not presented directly by AOA.

h. **Confidentiality of Information**
   Any reporting packages, information, data, etc. given to, prepared, or assembled by the Selected Firm under this Contract shall not be released or made available to any individual or organization by the Selected Firm without the prior written approval of AOA. All information must be properly secured to prevent unauthorized access in accordance with Internal Revenue Service (IRS) Publication 1075, Tax Information Security Guidelines for Federal, State, and Local Agencies, the Privacy Act of 1974 (as amended by the Computer Matching and Privacy Protection Act of 1988), the Federal Information Security Management Act of 2002, the Social Security Administration’s “Information System Security Guidelines for Federal, State, and Local Agencies Receiving Electronic Information from the Social Security Administration,” and related National Institute of Standards and Technology (NIST) guidelines. Notwithstanding the foregoing, the Selected Firm is authorized to disclose any information related to this Contract when required to by law, legal process, or applicable professional standards.

Audit workpapers, summaries, and similar records must be retained electronically for at least five (5) years after the completion of the engagement.

At the end of the engagement all non-work paper documentation (documents provided by the State of Delaware to Selected Firm) must be destroyed in all forms (e.g. disk, CD, DVD, paper) except those items required for audit documentation purposes.

i. **Use of Work Product**
   All reporting packages developed under this Contract are the sole and exclusive property of the State, and the State has the exclusive right to their use. The Firm shall seek written permission to use any product created under this Contract.

j. **Independent Contractors**
   The parties to the Contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this Contract to create an agency, partnership, joint venture, or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding, and all other similar matters. Neither party shall be liable for any debts, accounts, obligations, or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums, or any income or other similar taxes.
Location of work for the Firm’s contractual support personnel shall be at AOA’s sole discretion. AOA may provide working space and sufficient supplies and material to augment the Selected Firm’s services.

k. **Temporary Personnel are not State Employees**

The Selected Firm agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Contract shall remain the employee(s) of the Selected Firm for all purposes including any required compliance with the Affordable Care Act by the Selected Firm. The Selected Firm agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Contract must be provided any benefits, including any healthcare benefits by the State of Delaware and the Selected Firm agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s).

In the event that the Internal Revenue Service, or any other third party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Contract, the Selected Firm agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this RFP, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the Selected Firm’s obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. The Selected Firm will waive any separation fee provided an employee works for both the firm and hiring agency, continuously, for a three (3) month period and is provided thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second month if it is the State’s intention to hire.

l. **Insurance**

The Selected Firm recognizes that it is operating as an independent contractor, and not an employee of the State of Delaware, and that it is liable for any and all losses, penalties, damages, expenses, attorney’s fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the Selected Firm’s negligent performance under this Contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the Selected Firm in its negligent performance under this Contract.
The Selected Firm shall maintain the following insurance during the term of this Contract:

- Worker’s Compensation and Employer’s Liability Insurance in accordance with applicable law; and
- Commercial General Liability - $1,000,000.00 per occurrence / $3,000,000 per aggregate; and either
  - Professional Liability - $1,000,000.00 per claim / $3,000,000 per aggregate; or
  - Miscellaneous Errors and Omissions - $1,000,000.00 per occurrence / $3,000,000 per aggregate; and
- Cyber Liability Insurance as required by Appendix E of this RFP.\(^5\)

Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered to AOA in accordance with the policy provisions.

Before any work is done pursuant to this Contract, the Certificate of Insurance specified in this section, referencing the Contract number stated herein, shall be filed with AOA. The certificate holder is as follows:

State of Delaware
Office of the Auditor of Accounts
Townsend Building, Suite 1
401 Federal Street
Dover, DE 19901

In no event shall the State of Delaware or AOA be named as an additional insured on any policy required under this Contract.

m. Non-Discrimination and Sexual Harassment

In performing the services subject to this Contract the Selected Firm, as set forth in 19 Del. C. §711, will agree that it will not discriminate against any employee or applicant with respect to compensation, terms, conditions, or privileges of employment because of such individual's race, marital status, genetic information, color, age, religion, sex, sexual orientation, gender identity, or national origin. The Selected Firm shall comply with all federal and State laws, regulations and policies pertaining to the prevention of discriminatory employment practice.

The Selected Firm shall establish and maintain a written sexual harassment policy that addresses not only the Selected Firm’s employees but also employees of the engagement entity. The Selected Firm shall inform its employees of the policy, which

---

\(^5\) At minimum, the Firm should describe what specific clauses, if any, in its General or Professional Liability insurance policies would satisfy this requirement.
must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.

n. Covenant Against Contingent Fees
The Selected Firm warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement of understanding for a commission, percentage, brokerage or contingent fee excepting bona-fide employees and bona-fide established commercial or selling agencies maintained by the Firm for the purpose of securing business. For breach or violation of this warranty, AOA may annul the Contract without liability or at its discretion to deduct from the Contract cost or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

o. Contract Documents
The RFP, the Purchase Order, and the executed Contract, including any supplemental documents, between AOA and the Selected Firm must constitute the Contract between AOA and the Selected Firm. In the event there is any discrepancy between any of these Contract documents, the following order of documents governs so that the former prevails over the latter: Contract, RFP, the Selected Firm’s response to the RFP, and the Purchase Order. No other documents shall be considered. These documents contain the entire agreement between AOA and the Selected Firm. The Selected Firm agrees to be bound by the terms of this RFP pending final execution of the Contract by the parties.

p. Applicable Law
The laws of the State of Delaware must apply, except where Federal law has precedence. The firm consents to exclusive jurisdiction in the State of Delaware and agrees that any litigation relating to this Contract must be filed and litigated in a court in the State of Delaware.

In submitting a Proposal, the Selected Firm certifies that it complies with all federal, State, and local laws applicable to its activities and obligations including:

1. The laws of the State of Delaware;
2. The applicable portion of the Federal Civil Rights Act of 1964;
3. The Equal Employment Opportunity Act and the regulations issued there under by the federal government;
4. A condition that the Proposal submitted was independently arrived at, without collusion, under penalty of perjury; and
5. That programs, services, and activities provided to the general public under resulting Contract conform with the Americans with Disabilities Act of 1990, and the regulations issued there under by the federal government.
If the Selected Firm fails to comply with (1) through (5) of this paragraph, AOA reserves the right to disregard the Proposal, terminate the Contract, or consider the Selected Firm in default.

The Selected Firm shall keep itself fully informed of and shall observe and comply with all applicable existing federal and State laws, and County and local ordinances, regulations and codes, and those laws, ordinances, regulations, and codes adopted during its performance of the work.

q. Scope of Contract
   If the scope of any provision of the Contract is deemed too broad in any respect whatsoever to permit enforcement to its full extent, then such provision must be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Contract must not thereby fail, but the scope of such provisions must be curtailed only to the extent necessary to conform to the law.

r. Collusion or Fraud
   Any evidence of agreement or collusion among firms and prospective firms acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such firms void.

   By responding, the Selected Firm shall be deemed to have represented and warranted that its Proposal is not made in connection with any competing firm submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the Selected Firm did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the Selected Firm’s Proposal preparation or submission.

   Advance knowledge of information which gives any Firm any advantage over any other interested Firm(s), in advance of the opening of Proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular Proposal.

s. Lobbying and Gratuities
   Lobbying or providing gratuities shall be strictly prohibited. If the Selected Firm is found to be lobbying, providing gratuities to, or in any way attempting to influence a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a Contract resulting from this RFP, the Selected Firm shall have its Proposal immediately rejected and shall be barred from further participation in this RFP.
All contact with State of Delaware employees, contractors, or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum, and conditions set forth in this RFP.

t. Solicitation of State Employees
Until the Contract is awarded, the Selected Firm shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware’s employment in order to accept employment with the Selected Firm, its affiliates, actual or prospective contractors, or any person acting in concert with firm, without prior written approval of AOA. Solicitation of State of Delaware employees by the Selected Firm may result in rejection of the firm’s Proposal.

This paragraph does not prevent the employment by a firm of a State of Delaware employee who has initiated contact with the Selected Firm. However, State of Delaware employees may be legally prohibited from accepting employment with the Selected Firm or its subcontractor(s) under certain circumstances. The Selected Firm may not knowingly employ a person who cannot legally accept employment under State or federal law. If the Selected Firm discovers that they have done so, they must terminate that employment immediately.

The Selected Firm shall not permit a former State employee, State officer, or honorary State official to represent or assist the Selected Firm on State matters related to this Contract for a period of two (2) years after termination of employment or appointed status with the State, where that person (a) gave an opinion, (b) conducted an investigation, or (c) were otherwise directly and materially responsible. (29 Del. C. §5805(d))

u. Firm Activity
No activity is to be executed in an off shore facility, either by a subcontracted firm or a foreign office or division of the Selected Firm. The Selected Firm must attest to the fact that no activity will take place outside of the United States in its transmittal letter. Failure to adhere to this requirement is cause for elimination from future consideration.

v. Firm Background Check Requirements

The Selected Firm that accesses State property or comes in contact with vulnerable populations, including children and youth, shall be required to complete background checks on all employees serving the State’s on premises Contracts. Unless otherwise directed, at a minimum, this shall include a check of the following registry:

    Delaware Sex Offender Central Registry at: https://sexoffender.dsp.delaware.gov/
Individuals who are listed in the registry shall be prevented from direct contact in the service of an awarded State Contract, but may provide support or off-site premises service for the Selected Firm. Should an individual be identified and the Selected Firm believes its employee’s service does not represent a conflict with this requirement, may apply for a waiver to AOA. AOA’s decision to allow or deny access to any individual identified on a registry database is final and at the AOA’s sole discretion.

All Selected Firm staff working on this engagement may be required to have a criminal background check completed through a process approved by AOA at the Selected Firm’s expense. At AOA’s request, the Selected Firm shall provide a list of all employees serving an awarded Contract. Prior to staff commencing any work on any part of this engagement, each staff member may be required to sign the form at Appendix D of this RFP and submit it to AOA directly as part of the Contract documentation and complete a successful criminal background check. If AOA determines that, due to criminal convictions reported on the background check, a staff member cannot work on the engagement, the Selected Firm shall remove such staff from the engagement at the request of AOA.

Individual Contracts may require additional background checks and/or security clearance(s), depending on the nature of the services to be provided or locations accessed, but any other requirements shall be stated in the Contract scope of work or be a matter of common law.

w. Costs and Payment Schedules
All Contract costs must be as detailed specifically in the Cost Section of the Selected Firm’s Proposal. No charges other than as specified in the Proposal shall be allowed without written consent of AOA. The Proposal costs shall include full compensation for all taxes that the Selected Firm is required to pay.

AOA will require a payment notice as detailed in Section 14 of this RFP. Payments for services will not be made in advance of work performed. AOA may require holdback of Contract monies until acceptable performance is demonstrated (as much as 25%).

13. Additional Services

13.1 If, during the course of the engagement, the Selected Firm suspects or has reason to suspect that there will be significant delays in the timing of the work due to the actions of the engagement entity, such as not providing requested items in a timely manner or not adhering to the agreed-upon time schedule discussed at the entrance conference, the Selected Firm must immediately notify AOA in writing. AOA and the Selected Firm will discuss the issues and develop a solution for completing the engagement.
13.2 If it becomes necessary for AOA to request the Selected Firm to render any additional services to either supplement the services requested in this RFP or to perform additional work as a result of the specific recommendations included in any reporting package issued on this engagement, then such additional work must be performed only if set forth in a Contract addendum between AOA and the Selected Firm. Any such additional work agreed to between AOA and the Selected Firm must fall within the scope of this RFP and be performed at the same rates set forth in the schedule of fees and expenses included in the cost section of the Proposal. Further, if these delays cause the Selected Firm to perform additional work, the AOA Liaison must approve any additional hours before the hours are incurred.

14. Notification and Manner of Payment

14.1 AOA agrees to pay the Selected Firm compensation calculated solely on the amount of engagement work performed by the Selected Firm’s staff, based on actual hours billed and hourly rates as set forth in the Cost Section of the Selected Firm’s Proposal, as well as approved out-of-pocket expenses.

14.2 Progress payments may be made no more frequently than 90 and 100 percent of completion based on the hours of work completed during the course of the engagement. Frequency of billing shall not exceed once per calendar month.

14.3 The Selected Firm agrees to bill AOA for actual work-performed and out-of-pocket expenses incurred during its performance of the engagement. This is not a fixed-price Contract. The Selected Firm is not to advance bill for work not yet performed. AOA reserves the right to audit the Selected Firm’s timekeeping records to ensure billing is appropriate and done after-the-fact.

14.4 The invoice for each engagement must include the following: (1) the name of engagement entity/engagement; (2) the sequential invoice number; (3) the purchase order number; (4) the retainage percentage applied to each invoice total, not the total Contract cost; (5) the total invoice amount and whether the invoice is a progress or final invoice; (6) a breakdown of each staff member, with both budgeted and actual hours for each person for each portion of the engagement, as represented in the Selected Firm’s Proposal, including the corresponding hourly rate; and (7) the amounts, descriptions, and dates of all out-of-pocket expenses for which reimbursement is requested. Ten percent of the invoice amount will be retained until the Exit Conference has been held and the final reports have been reviewed, approved, and issued by AOA (also referenced as AOA finalizing the audit).

14.5 The Selected Firm must submit all invoices in electronic format for AOA approval. No paper invoices will be accepted. When applicable, AOA will forward the approved invoice to the engagement entity for payment. Any additional work outside the Contract or for additional fees related to the Contract is not permitted without the AOA Liaison’s knowledge and approval.
14.6 Any additional work outside of the Contract or for additional fees related to the Contract is not permitted without the AOA Liaison’s knowledge and approval.

14.7 The Selected Firm is responsible for following up on outstanding invoices with the engagement entity.

15. Dispute Resolution

15.1 The parties shall attempt in good faith to resolve any dispute arising out of or relating to this Contract promptly by negotiation between executives who have authority to settle the controversy. All offers, promises, conduct, and statements, whether oral or written, made in the course of the negotiation by any of the parties, its agents, employees, experts, and attorneys are confidential, privileged, and inadmissible for any purpose, including impeachment, in arbitration or other proceeding involving the parties, provided evidence that is otherwise admissible or discoverable may not be rendered inadmissible. If the matter is not resolved by negotiation, then the matter will proceed to mediation as set forth below.

15.2 Any disputes, claims or controversies arising out of or relating to this Contract, and not resolved through resolution pursuant to Section 15.1 may be submitted to mediation by a mediator agreed upon by the parties for resolution. Each party reserves the right to proceed directly to nonbinding arbitration without mediation. Any such proceedings held pursuant to this provision shall be governed by Delaware law and venue shall be in Delaware. The parties shall maintain the confidential nature of the arbitration proceeding and the award, including the hearing, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, except as may be required for disclosure to professional or regulatory bodies or in a related confidential mediation or arbitration. Each party shall bear its own costs of mediation, or arbitration, including attorneys’ fees. The arbitration proceeding shall take place in New Castle County, State of Delaware unless the parties mutually agree to a different location. The proceeding shall be governed by the provisions of the Federal Arbitration Act ("FAA") and will proceed in accordance with the then current Arbitration Rules for Professional Accounting and Related Disputes of the American Arbitration Association ("AAA"), except that no pre-hearing discovery shall be permitted unless specifically authorized by the arbitrator. The arbitrator will be selected from AAA, JAMS, the Center for Public Resources, or any other internationally or nationally-recognized organization mutually agreed upon by the parties. Potential arbitrator names will be exchanged within 15 days of the parties’ agreement to terminate or waive mediation, and the arbitration will thereafter proceed expeditiously. The arbitration will be conducted before a single arbitrator, experienced in accounting and auditing matters. The arbitrator shall have no authority to award non-monetary, equitable relief and will not have the right to award punitive damages. The award of the arbitration shall be in writing and shall be accompanied by a well-reasoned opinion. WHEREAS, the parties intend that this Confidentiality Agreement, by made a part of, subject to the terms of, and incorporated by reference into the Engagement Agreement;

WHEREAS, during the course of and in conjunction with the Firm’s performance of its duties under the Engagement in accordance with the Engagement Agreement, the Firm will have access to and possession of certain State of Delaware (“State”) data, information and documents that AOA deems to be highly confidential, the unauthorized disclosure of which could expose AOA and the State to significant legal liability.

WHEREAS, AOA desires to obtain assurance and protections for the confidentiality, safeguarding and non-disclosure of such information and the Firm desires to provide such assurance and protections to AOA on the terms set forth herein; and

WHEREAS, AOA and the Firm represent and warrant that each party has full right, power and authority to enter into and perform under this Confidentiality Agreement;

NOW THEREFORE, in consideration of the promises and mutual agreements herein, AOA and the Firm agree as follows:

1. As used herein, the following terms shall have the following meanings:

   a. “Confidential Information” includes, with limitation, tax returns and related information, employment and employee performance records and any related documentations or writings, driver performance records, financial data, claimant or employer names and addresses, and social security and tax identification numbers, in the possession of AOA or otherwise obtained by or provided to the Firm in conjunction with the Engagement.

Notwithstanding the foregoing, and to the extent it deems necessary, AOA shall de-identify, remove, mask, or obfuscate any information which constitutes Protected Information before providing documents or other records to the Firm. The Firm shall protect Protected Information and any other information related to the Engagement at all times to ensure that there is no inappropriate or unauthorized use or disclosure of State information under any circumstances. To that end, the Firm shall safeguard the confidentiality, integrity, and availability of Protected Information and shall comply with the following conditions:

a. PII obtained by the Firm is and shall remain property of the State.

b. At no time shall any Protected Information or any other data or processes which either belongs to or are intended for the use of the State or its officers, agents, or employees, be copied, disclosed, or retained by the Firm or any employee of the Firm for subsequent use in any transaction that does not involve the Engagement.

g. All State, non-bulk data in transit via Secure FTP shall be encrypted, including data that resides on mobile devices.

4. No State data, including Protected Information, shall be stored or transferred outside of the United States by the Firm except to the extent permitted in the Engagement Agreement and this Confidentiality Agreement. This includes backup data and data stored at disaster recovery locations.

5. The Firm shall not disclose any Protected Information to any person or entity except to the extent the Firm is permitted to disclose such information as provided in this Confidentiality Agreement or the Engagement Agreement.

9. The Firm understands that Federal tax information received from the IRS and the SSA may be accessed by agency personnel only. This includes file transfers. The Firm understands that unauthorized inspection and use of Federal tax information, such as fax transmittals that are not addressed to the Firm staff or the extraction of Federal tax information that is outside the scope of the engagement can result in civil and criminal penalties under the Internal Revenue Service Code §§ 7213, 7213(A) and 7431 for unauthorized inspection. Further, except to the extent required by law, the Firm shall not respond to subpoenas, service of process, and other legal requests related to the State without first notifying AOA, in writing, unless prohibited by law from providing such notice.

12. The Firm understands that it and its employees may be subject to clearance through the State’s Security Clearance Program prior to the review of any State data.

13. The Firm agrees to safeguard any password or security codes provided to it and its employees during the course of the Engagement.

14. The Firm agree to follow its security procedures and ensure that all data and information relative to the Engagement is properly stored, encrypted on portable devices, and password protected at all times.

15. The Firm understands that it and its employees may be liable for any losses experienced by AOA or the State or any remediation costs to the extent required by law associated with a breach and that AOA and/or the State will pursue whatever legal means necessary to recover all such losses.
and costs, as well as any appropriate equitable relief to prevent unauthorized disclosures.

16. Certificates of destruction must be provided to AOA upon request.

17. The Firm understands that it is expected to comply with sections 4.40 through 4.44 of the Generally Accepted Government Auditing Standards as to reporting confidential and sensitive information.

18. The obligations imposed herein do not extend to information or data which:
   a. is disclosed with the prior written approval of the designated Contracting Officer of the applicable State entity;
   b. is determined to have been developed by the Firm independently of disclosures made hereunder; or

   Office of Auditor of Accounts
   R. Thomas Wagner, Jr., State Auditor

1. How many files are to be submitted for the proposals?
   To clarify the proposal submission process, firms must submit their proposals in **three, separate files**: Mandatory Criteria section, Proprietary section, and Cost section. A firm’s failure to do so will result in a non-conforming proposal, which will not be considered.

2. Who prepares the financial statements?
   It is the agency’s responsibility to ensure the financial statements and related notes are prepared in good form for the audit.

3. What were the prior year audit fees?
   Total fees paid for the Fiscal Year ended June 30, 2016 audit were $20,880. The firm is encouraged to evaluate the hours they believe is necessary to complete the engagement in accordance with the current standards, including any updates that may have occurred from the prior year to present. Firms that provide a more detailed proposal and related hours tend to score much higher than those that do not. In fact, lack of adequate detail and or hours will result in a reduced scoring, regardless of the cost proposal.

4. How many hours did the most recent audit take?
   The Fiscal Year ended June 30, 2016 audit took approximately 200 hours. Please see response to question 2 above.

5. Is there a prior report?
   The Fiscal Year ended June 30, 2016 audit reporting package has been issued and is available at auditor.delaware.gov.

6. Were there any difficulties in completing the prior period audit?
   We are not aware of any difficulties in completing the audits.

7. Were there any audit adjustments in the prior year audit? If so, how many were there?
   See Finding 2016-001 in the financial statements available at auditor.delaware.gov. AOA did not request the audit difference schedule from the contracted firm, so we would not know the number or amount of adjustments passed on.

8. Did any event occur that would make the current year audit significantly different from the prior year?
   AOA is not aware of any operational issues. The firm is expected to reflect any and all accounting and standards changes in its presentation to demonstrate adequate professional competencies.
9. Section 9.2.b.1. of the RFP, 3b asks for authorization from NASBA. Since Delaware is a State that is part of the Portability Act, can we just say that we meet the requirements of the Act and provide a copy of our firm’s State license and a copy of the State licenses for the Partner, Manager, and Supervisor in the proposal?

Yes, that is acceptable. Copies of the firm and the partner, manager, and supervisor-in-charge CPA licenses must be provided. Please keep in mind that a copy of a valid State of Delaware business license is also required.

10. What do you want to see in the proposal pertaining to Affirmative Action (RFP Section 9.2.f.)? We have a policy, so can we simply say that we have an Affirmative Action Policy?

Yes, you may state that you have an Affirmative Action Policy. Per the RFP: “The firm must identify the extent to which staff to be assigned to the engagement reflect the State of Delaware’s commitment to Affirmation Action.”

11. Will AOA provide us with information such as contained in an SSAE 16 report concerning the controls placed in operation, design and operating effectiveness of the various State data processing centers?

AOA arranges for an SSAE 16 report to be performed on the First State Financials and Payroll Human Resource Statewide Technology each fiscal year and will distribute to firms under contract upon completion.

12. Can you share with us the information given to other bidders in response to their inquiries?

Answers to all questions received are posted at bids.delaware.gov.

13. What assistance is given to management by the auditors during the audit?

Per section 4.3.e. of the RFP, “The firm agrees it will not prepare the financial statements, note disclosures, or management discussion and analysis (MD&A). The firm should notify AOA immediately of any request to perform such services.”

14. Is this RFP for a fixed price contract?

No, our contracts are not fixed in price. As described in Section 14.4 of the RFP, the Contractor agrees to bill AOA only for actual work performed and out-of-pocket expenses incurred during its performance of the engagement. Therefore, if a firm’s work is less than the estimated hours in its proposal, the firm should only bill for actual hours. Further, since the contract is not fixed in price, any additional work outside the contract or for additional fees related to the contract is not permitted without the AOA Liaison’s prior knowledge and approval.

15. Is the proposing partner required to submit clarifying questions to AOA?

Questions may be submitted by any representative deemed appropriate by the firm; however, the proposing partner should sufficiently participate in the proposal process to eliminate unnecessary questions and to ensure the firm’s proposal meets all RFP requirements.

16. Does past experience with AOA, including the quality of past engagement work and reports play a role in firm’s technical proposal score?  
Yes. AOA looks for high quality audit work, including quality writing in both findings and reporting packages, and compliance with the contract. Repeat non-compliance will eliminate a firm from consideration.

When auditors perform quality audit work in accordance with GAGAS, it can lead to improved government management, better decision making and oversight, effective and efficient operations, and accountability and transparency for resources and results. (GAGAS 1.05) Audit reporting packages are used to effectively communicate necessary information to both government officials and the public. Therefore, sufficient time should be budgeted and spent on writing user-friendly findings that allow these readers to understand the issues found and their impact. When evaluating a firm on previous work experience, the Evaluation Committee will consider whether previously submitted engagement reporting packages were complete, accurate, objective, convincing, clear, and concise (GAGAS A7.02) and whether sufficient time has been allocated in the current proposal for performing these tasks.

17. If we have provided AOA with copies of CPA licenses previously, do we need to provide them with each proposal?  
Yes. AOA will not look up CPA licenses in previous files or from other sources. The firm is required to provide copies in each proposal or its proposal will not move forward for technical scoring.

18. What does a State of Delaware Business License look like?  
A sample State of Delaware Business License is as follows:
