State of Delaware
Office of Auditor of Accounts
Request for Proposal

1. Introduction

In accordance with 29 *Del. C.* Chapter 69, Subchapter VI, *Professional Services*, the Office of Auditor of Accounts (“OAOA”) is publishing this Request for Proposal (“RFP”) and seeking proposals (“Proposals”) from qualified firms (“Firms”) to perform an engagement in accordance with services described in this RFP at Section 4. Nature of Services Required.

There is no expressed or implied obligation for OAOA to reimburse Firms for any costs or expenses incurred in preparing Proposals in response to this request, and OAOA will not pay any costs or expenses incurred by any Firm associated with any aspect of responding to this RFP, including Proposal preparation, printing, delivery, or the negotiation process. Additionally, no indirect reimbursements (e.g., in the form of credits or reductions to any agreed upon compensation) will be made to any Firm by OAOA for any such costs or expenses.

Public announcement of this RFP has been made in accordance with 29 *Del. C.* § 6981.

A mandatory pre-bid meeting has not been established for this RFP and is not required.

This RFP is available in electronic form through the State of Delaware Procurement website at www.bids.delaware.gov. Paper copies of this RFP will not be provided by OAOA or otherwise available.

If OAOA determines that is necessary to revise any part of the RFP, an addendum will be posted on the State of Delaware Procurement website at www.bids.delaware.gov. The terms of this RFP and any addenda are controlling and any statement related to this RFP made by any State of Delaware employee, contractor, or its agents does not bind OAOA.

2. Proposal and Bid Submission Process

All questions regarding this RFP must be submitted in writing and must be received by 3:00 p.m. EST on Tuesday, September 1, 2020 via e-mail directly to OAOA’s Designated Contact:

Matt Zolper
Deputy Auditor
Matt.Zolper@delaware.gov

If a Firm is seeking clarification regarding a specific aspect of the RFP, the Firm must cite the section and page number for reference. Answers to all submitted questions will be posted on www.bids.delaware.gov in the same manner as this RFP.

The lowest bid is not the deciding or the most significant factor in awarding professional services contracts. Any Firm identifying contingencies will have its proposed cost adjusted in relation to others that do not include the contingency so that it is comparable from a cost perspective.

State of Delaware
Office of Auditor of Accounts
Request for Proposal

Proposals that include sufficient details are likely to receive a higher score overall.

The State of Delaware may retain consultants or legal counsel to assist in the review and evaluation of responses to this RFP. Firms shall not contact the State's consultant or legal counsel on any matter related to the RFP. Such contact may also result in the elimination of the Proposal from further consideration and award.

The *Minimum Requirements Section*, *Proprietary Section*, and *Cost Section* of the Proposal must be submitted in **three** separate PDF searchable files. The *Minimum Requirements* and *Proprietary Sections* can be submitted in the same email; however, the *Cost Section* of the Proposal must be submitted in a separate email. The two email subject lines should clearly state **“Minimum Requirements and Proprietary Sections”** and **“Cost Section.”** Proposals must be sent to OAOAContracting@delaware.gov on or before **3:00 p.m. EST on September 17, 2020** (the “Submission Deadline”). Any Proposal received after the Submission Deadline will not be considered and will be rejected. The Firm bears all risk of delays in delivery.

OAOA will provide an email response of acknowledgement for each email received.

A Firm may modify or withdraw its Proposal by written request, provided that both the request and Proposal are received by OAOA prior to the Submission Deadline. Any changes, amendments, or modifications to a Proposal must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment, or modification to a previously submitted Proposal. Changes, amendments, or modifications to Proposals shall not be accepted or considered after the Submission Deadline.

All Proposals shall become the property of OAOA upon receipt and are deemed firm offers at that time unless an amended Proposal is submitted prior to the Submission Deadline.

OAOA will not conduct a public opening of Proposals but will maintain a public log of the names of all Firms that submitted Proposals. OAOA's evaluation of the Proposals will begin shortly after the Submission Deadline.

All documents submitted as part of the Proposal will be treated as confidential during the evaluation process. As such, Proposals will not be available for review by anyone other than OAOA's Proposal Evaluation Team or its designated agents, as well as OAOA's legal counsel. The content of Proposals will not be disclosed unless such disclosure is mandated by the State of Delaware Freedom of Information Act, Title 29, Delaware Code, Chapter 100. Once a written Proposal is received by OAOA and a decision on contract award is made, the content of selected and non-selected Proposals will likely become subject to FOIA's public disclosure obligations.

OAOA expects to receive Proposals that include proprietary information, such as services that may not be provided by other Firms. The Firm must include this information in the Proprietary Section of the Proposal.

State of Delaware
Office of Auditor of Accounts
Request for Proposal

A Firm's statement or position as to the confidentiality of any portion of its Proposal shall not be binding on the State. The State shall independently determine the validity of any Firm's confidentiality designation. Any Firm submitting a Proposal or using the procedures discussed herein expressly accepts OAOA's absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, Firms assume the risk that confidential business information included within a Proposal may enter the public domain.

Firms shall be advised that as a publicly bid contract, no Firm shall retain the right to declare its pricing confidential.

Non-conforming Proposals, defined as those that do not meet the requirements of this RFP, will not be considered. OAOA, in its sole discretion, shall determine whether a Proposal conforms to the requirement of this RFP.

2.0 OAOA expects that Firm can fully meet and fulfill the representations made in its Proposal and do so in a timely manner. Proposals must be realistic and must represent the best estimate of time, materials, and other costs including the impact of inflation and any economic or other factors that are reasonably predictable.

2.1 A Firm is fully responsible for the completeness and accuracy of its Proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of the Firm. Should the Firm find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, the Firm shall notify OAOA's Designated Contact, in writing, of such findings at least ten (10) days before the Proposal opening. This will allow issuance of any necessary addenda. It will also help avoid the opening of a defective Proposal and disclosure of a Firm's Proposal upon which award could not be made. All unresolved issues should be addressed in the Proposal.

OAOA reserves the right to retain, accept, or reject any or all Proposals or any part of any Proposal, and, in its sole judgment and discretion, determine the merit and qualifications of each product offered, or to solicit new Proposals on the same project or on a modified project which may include portions of the originally proposed project, all or any of which as OAOA may deem necessary in the best interest of the State of Delaware and as permitted under law.

By submitting a Proposal, the Firm acknowledges that it has carefully read all sections of this RFP, including all forms, schedules, and exhibits hereto, and has fully informed itself as to all existing conditions and limitations.

This RFP will become part of the awarded and executed contract and its terms will be enforced as such.

State of Delaware
Office of Auditor of Accounts
Request for Proposal

OAOA reserves the right to cancel this RFP at any time during the procurement process, for any reason or for no reason. OAOA makes no commitments expressed or implied, that the publication of this RFP and the solicitation and submission of Proposals thereunder will result in a business transaction with any Firm.

This RFP does not constitute an offer by OAOA. A Firm's participation in this process may result in the Firm's selection ("Selected Firm") by OAOA to engage in further discussions and negotiations in furtherance of the execution of a contract. The commencement of such negotiations does not, however, signify a commitment by OAOA to execute a contract nor to continue negotiations. OAOA may terminate negotiations at any time and for any reason, or for no reason.

The final award of a contract is subject to approval by the State of Delaware Auditor of Accounts. In accordance with State law, the State Auditor has the sole right to select the successful Firm(s) for award, to reject any Proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced Proposal, to award multiple contracts, or not to award a contract, as a result of this RFP.

After the Evaluation Committee reports its recommendation, and once the contract terms and conditions have been negotiated and finalized, OAOA will award the contract. Notice in writing to a Firm of the acceptance of its Proposal by OAOA and the subsequent full execution of a written agreement between the Firm and OAOA will constitute a legal relationship between the parties, and no Firm will acquire any legal or equitable rights or privileges until the occurrence of both such events.

OAOA is not obligated to award a contract to the Firm that submits the lowest bid or to the Firm that receives the highest total point score, rather the contract will be awarded to the Firm whose Proposal is the most advantageous to the State of Delaware, as determined by OAOA in its sole discretion.

Once OAOA has selected a Firm to engage in contract discussions and negotiations with OAOA, all Firms that submitted a Proposal within the established RFP deadline will be notified and the contract discussions and negotiations with the selected Firm will begin reasonably thereafter.

3. Term of Engagement

The contract period is for one year, with the option to renew the contract at OAOA's request for two additional years, subject to the satisfactory negotiation of terms (including a cost acceptable to both OAOA and the Selected Firm) and the annual availability of an appropriation by the General Assembly. OAOA is under no express or implied obligation, legal or otherwise, to renew the contract.

The Evaluation Committee shall determine which Firms meet the minimum requirements pursuant to the selection criteria of the RFP and procedures established in 29 *Del. C.* §§ 6981 and 6982. Neither the lowest price nor highest scoring Proposal will necessarily be selected.

OAOA reserves full discretion to determine the competence and responsibility, professionally or financially, of the Firm. The Firm is to provide, in a timely manner, any and all information that OAOA may deem necessary to make a decision.

The Evaluation Committee shall make a recommendation to the Auditor of Accounts, who shall have final authority for the selection of a Firm, subject to the provisions of this RFP and 29 *Del. C.* § 6982, and to begin contract negotiations with the Selected Firm.

During the evaluation process, OAOA reserves the right to request additional information or clarification from Firms; however, a Proposal may not be modified as a result of such clarification requests. Additionally, OAOA, at its discretion may request one or more Firms (but not necessarily every Firm) to make oral presentations as part of the evaluation process. The Evaluation Committee may contact any client or customer of the Firm, and use such information in the evaluation process.

Review of Proposals

State of Delaware
Office of Auditor of Accounts
Request for Proposal

Proposals that do not meet or comply with the instructions of this RFP may be considered non-conforming, deemed non-responsive, and be subject to disqualification at the sole discretion of the Evaluation Committee.

The Evaluation Committee will use a point formula during the review process to score the Proposals. All assignments of points will be at the sole discretion of the Evaluation Committee. Each member of the Evaluation Committee will first score each Proposal by each of the criteria. The Evaluation Committee will then convene to review and discuss these evaluations and to combine the individual scores to arrive at an average technical score for each Firm. At any point, a Firm may be eliminated from further consideration for unacceptably low technical scores.

Evaluation Criteria

Only Firms meeting the minimum requirements of the RFP will have their Proposals evaluated and scored for both technical qualifications and cost.

All Proposals shall be evaluated using the same criteria and scoring process. Firms are encouraged to review the evaluation criteria and to provide a response that addresses each of the scored items. Evaluators will not be able to make assumptions about a Firm's capabilities so the Firm should be detailed in its Proposal responses. The following criteria shall be used to evaluate Proposals:

Criteria	Weight
<i>Technical</i>	
Prior experience with OAOA or references	30
Quality of work plan, including realistic proposal and time estimates	25
Staffing experience, expertise, and education	25
Quality of reporting package examples	20
<i>Cost</i>	30
Total	130

Cost will not be the primary factor in the selection of any firm.

Any proposed modifications to the terms and conditions of the standard Contract are subject to review and approval by OAOA. The Selected Firm must be referred to as "Contractor" in the Contract.

The Selected Firm will be expected to enter negotiations with OAOA, which will result in a formal Contract between the parties. This RFP and the Selected Firm's response to this RFP will be incorporated as part of any formal Contract.

Non-Appropriation

If sufficient funds are not appropriated by the Delaware General Assembly, or other appropriate federal or State organization, to sustain in whole or in part the Selected Firm's performance under the Contract, or if such appropriation is reduced such that the amount of the appropriation is insufficient to sustain said performance, this Contract shall be null and void at the option of OAOA. Notwithstanding the foregoing, the Selected Firm may use third parties to provide administrative and operational support to the Selected Firm's business operations, none of which includes the services to be performed by the Selected Firm under this Contract. Location of work for the Firm's contractual support personnel shall be at OAOA's sole discretion. OAOA may provide working space and sufficient supplies and material to augment the Selected Firm's services.

Temporary Personnel are not State Employees

The Selected Firm agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Contract shall remain the employee(s) of the Selected Firm for all purposes including any required compliance with the Affordable Care Act by the Selected Firm. The Selected Firm agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Contract must be provided any benefits, including any healthcare benefits by the State of Delaware and the Selected Firm agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third party governmental entity determines

State of Delaware
Office of Auditor of Accounts

that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Contract, the Selected Firm agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this RFP, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the Selected Firm's obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. The Selected Firm will waive any separation fee provided an employee works for both the firm and hiring agency, continuously, for a three (3) month period and is provided thirty (30) days written notice of intent to hire from the agency. Notice can be issued at second month if it is the State's intention to hire.

Insurance

The Selected Firm recognizes that it is operating as an independent contractor, and not an employee of the State of Delaware, and that it is liable for any and all losses, penalties, damages, expenses, attorneys' fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the Selected Firm's negligent performance under this Contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the Selected Firm in its negligent performance under this Contract.

The Selected Firm shall maintain the following insurance during the term of this Contract:

Professional Liability - \$1,000,000.00 per claim / \$3,000,000 per aggregate; or
Miscellaneous Errors and Omissions - \$1,000,000.00 per occurrence / \$3,000,000 per aggregate;
and
Cyber Liability Insurance as required by Appendix G of this RFP.³

Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered to OAOA in accordance with the policy provisions.

Before any work is done pursuant to this Contract, the Certificate of Insurance specified in this section, referencing the Contract number stated herein, shall be filed with OAOA. The certificate holder is as follows:

State of Delaware
Office of the Auditor of Accounts

³ At minimum, the Firm should describe what specific clauses, if any, in its General or Professional Liability insurance policies would satisfy this requirement.

Townsend Building, Third Floor
401 Federal Street
Dover, DE 19901

In no event shall the State of Delaware or OAOA be named as an additional insured on any policy required under this Contract.

Non-Discrimination and Sexual Harassment

In performing the services subject to this Contract the Selected Firm, as set forth in 19 *Del. C.* §711, will agree that it will not discriminate against any employee or applicant with respect to compensation, terms, conditions, or privileges of employment because of such individual's race, marital status, genetic information, color, age, religion, sex, sexual orientation, gender identity, or national origin. The Selected Firm shall comply with all federal and State laws, regulations and policies pertaining to the prevention of discriminatory employment practice.

The Selected Firm shall establish and maintain a written sexual harassment policy that addresses not only the Selected Firm's employees but also employees of the engagement entity. The Selected Firm shall inform its employees of the policy, which must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.

Covenant Against Contingent Fees

The Selected Firm warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement of understanding for a commission, percentage, brokerage or contingent fee excepting bona-fide employees and bona-fide established commercial or selling agencies maintained by the Firm for the purpose of securing business. For breach or violation of this warranty, OAOA may annul the Contract without liability or at its discretion to deduct from the Contract cost or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

Contract Documents

The RFP, the Purchase Order, and the executed Contract, including any supplemental documents, between OAOA and the Selected Firm must constitute the Contract between OAOA and the Selected Firm. In the event there is any discrepancy between any of these Contract documents, the following order of documents governs so that the former prevails over the latter: Contract, RFP, the Selected Firm's response to the RFP, and the Purchase Order. No other documents shall be considered. These documents contain the entire agreement between OAOA and the Selected Firm. The Selected Firm agrees to be bound by the terms of this RFP pending final execution of the Contract by the parties.

Applicable Law

The laws of the State of Delaware must apply, except where Federal law has precedence. The firm consents to exclusive jurisdiction in the State of Delaware and agrees that any litigation relating to this Contract must be filed and litigated in a court in the State of Delaware.

State of Delaware
Office of Auditor of Accounts
Request for Proposal

In submitting a Proposal, the Selected Firm certifies that it complies with all federal, State, and local laws applicable to its activities and obligations including:

The laws of the State of Delaware;

The applicable portion of the Federal Civil Rights Act of 1964;

The Equal Employment Opportunity Act and the regulations issued there under by the federal government;

A condition that the Proposal submitted was independently arrived at, without collusion, under penalty of perjury; and

That programs, services, and activities provided to the general public under resulting Contract conform with the Americans with Disabilities Act of 1990, and the regulations issued there under by the federal government.

The Selected Firm shall keep itself fully informed of and shall observe and comply with all applicable existing federal and State laws, and County and local ordinances, regulations and codes, and those laws, ordinances, regulations, and codes adopted during its performance of the work.

Scope of Contract

If the scope of any provision of the Contract is deemed too broad in any respect whatsoever to permit enforcement to its full extent, then such provision must be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Contract must not thereby fail, but the scope of such provisions must be curtailed only to the extent necessary to conform to the law.

Collusion or Fraud

Any evidence of agreement or collusion among firms and prospective firms acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such firms void.

By responding, the Selected Firm shall be deemed to have represented and warranted that its Proposal is not made in connection with any competing firm submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the Selected Firm did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the State of Delaware participated directly or indirectly in the Selected Firm's Proposal preparation or submission.

Advance knowledge of information which gives any Firm any advantage over any other interested Firm(s), in advance of the opening of Proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular Proposal.

Lobbying and Gratuities

Lobbying or providing gratuities shall be strictly prohibited. If the Selected Firm is found to be lobbying, providing gratuities to, or in any way attempting to influence a State of Delaware employee or agent of the State of Delaware concerning this RFP or the award of a Contract resulting from this RFP, the Selected Firm shall have its Proposal immediately rejected and shall be barred from further participation in this RFP.

All contact with State of Delaware employees, contractors, or agents of the State of Delaware concerning this RFP shall be conducted in strict accordance with the manner, forum, and conditions set forth in this RFP.

Solicitation of State Employees

Until the Contract is awarded, the Selected Firm shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware's employment in order to accept employment with the Selected Firm, its affiliates, actual or prospective contractors, or any person acting in concert with firm, without prior written approval of OAOA. Solicitation of State of Delaware employees by the Selected Firm may result in rejection of the firm's Proposal.

This paragraph does not prevent the employment by a firm of a State of Delaware employee who has initiated contact with the Selected Firm. However, State of Delaware employees may be legally prohibited from accepting employment with the Selected Firm or its subcontractor(s) under certain circumstances. The Selected Firm may not knowingly employ a person who cannot legally accept employment under State or federal law. If the Selected Firm discovers that they have done so, they must terminate that employment immediately.

The Selected Firm shall not permit a former State employee, State officer, or honorary State official to represent or assist the Selected Firm on State matters related to this Contract for a period of two (2) years after termination of employment or appointed status with the State, where that person (a) gave an opinion, (b) conducted an investigation, or (c) were otherwise directly and materially responsible. (29 Del. C. § 5805(d))

Firm Background Check Requirements

The Selected Firm that accesses State property or comes in contact with vulnerable populations, including children and youth, shall be required to complete background checks on all employees serving the State's on premises Contracts. Unless otherwise directed, at a minimum, this shall include a check of the following registry:

Delaware Sex Offender Central Registry at:
<https://sexoffender.dsp.delaware.gov/>

State of Delaware
Office of Auditor of Accounts
Request for Proposal

Individuals who are listed in the registry shall be prevented from direct contact in the service of an awarded State Contract, but may provide support or off-site premises service for the Selected Firm. Should an individual be identified and the Selected Firm believes its employee's service does not represent a conflict with this requirement, may apply for a waiver to OAOA. OAOA's decision to allow or deny access to any individual identified on a registry database is final and at the OAOA's sole discretion.

All Selected Firm staff working on this engagement are/may be required to have a criminal background check completed through a process approved by OAOA at the Selected Firm's expense. At OAOA's request, the Selected Firm shall provide a list of all employees serving an awarded Contract. Prior to staff commencing any work on any part of this engagement, each staff member must/may be required to sign the form at Appendix D of this Contract/RFP and submit it to OAOA directly as part of the Contract documentation and complete a successful criminal background check. If OAOA determines that, due to criminal convictions reported on the background check, a staff member cannot work on the engagement, the Selected Firm shall remove such staff from the engagement at the request of OAOA.

Individual Contracts may require additional background checks and/or security clearance(s), depending on the nature of the services to be provided or locations accessed, but any other requirements shall be stated in the Contract scope of work or be a matter of common law.

Costs and Payment Schedules

All Contract costs must be as detailed specifically in the Cost Section of the Selected Firm's Proposal. No charges other than as specified in the Proposal shall be allowed without written consent of OAOA. The Proposal costs shall include full compensation for all taxes that the Selected Firm is required to pay.

12. Additional Services

If, during the course of the engagement, the Selected Firm suspects or has reason to suspect that there will be significant delays in the timing of the work due to the actions of the engagement entity, such as not providing requested items in a timely manner or not adhering to the agreed-upon time schedule discussed at the entrance conference, the Selected Firm must immediately notify OAOA in writing. OAOA and the Selected Firm will discuss the issues and develop a solution for completing the engagement.

If it becomes necessary for OAOA to request the Selected Firm to render any additional services to either supplement the services requested in this RFP or to perform additional work as a result of the specific recommendations included in any reporting package issued on this engagement, then such additional work must be performed only if set forth in a Contract addendum between OAOA and the Selected Firm. Any such additional work agreed to between OAOA and the Selected Firm must fall within the scope of this RFP and be performed at the same rates set forth in the schedule of fees and expenses included in the cost section of the Proposal. Further, if

State of Delaware
Office of Auditor of Accounts

these delays cause the Selected Firm to perform additional work, the OAOA must approve any additional hours before the hours are incurred.

13. Notification and Manner of Payment

OAOA agrees to pay the Selected Firm compensation calculated solely on the amount of engagement work performed by the Selected Firm's staff, based on actual hours billed and hourly rates as set forth in the Cost Section of the Selected Firm's Proposal, as well as approved out-of-pocket expenses.

Progress payments may be made no more frequently than once per calendar month.

The Selected Firm agrees to bill OAOA for actual work-performed and out-of-pocket expenses incurred during its performance of the engagement. This is not a fixed-price Contract. The Selected Firm is not to advance bill for work not yet performed. OAOA reserves the right to audit the Selected Firm's timekeeping records to ensure billing is appropriate and done after-the-fact.

The invoice for each engagement must include the following: (1) the name of engagement entity/engagement; (2) the sequential invoice number; (3) the purchase order number; (4) the retainage percentage applied to each invoice total, not the total Contract cost; (5) the total invoice amount and whether the invoice is a progress or final invoice; (6) a breakdown of each staff member, with both budgeted and actual hours for each person for each portion of the engagement, as represented in the Selected Firm's Proposal, including the corresponding hourly rate; and (7) the amounts, descriptions, and dates of all out-of-pocket expenses for which reimbursement is requested

The Selected Firm must submit all invoices in electronic format for OAOA approval. No paper invoices will be accepted. Any additional work outside the Contract or for additional fees related to the Contract is not permitted without the OAOA's knowledge and approval.

Any additional work outside of the Contract or for additional fees related to the Contract is not permitted without the OAOA's knowledge and approval.

14. Dispute Resolution

The parties shall attempt in good faith to resolve any dispute arising out of or relating to this Contract promptly by negotiation between executives who have authority to settle the controversy. All offers, promises, conduct, and statements, whether oral or written, made in the course of the negotiation by any of the parties, its agents, employees, experts, and attorneys are confidential, privileged, and inadmissible for any purpose, including impeachment, in arbitration or other proceeding involving the parties, provided evidence that is otherwise admissible or discoverable may not be rendered inadmissible.

15. Press Releases or Public Disclosures

OAOA reserves the right to pre-approve, in writing, any news or broadcast advertising releases concerning this RFP, the resulting Contract, the work performed, or any reference to OAOA with regard to any project or Contract performance.

OAOA will not prohibit or otherwise prevent the Selected Firm from direct marketing to the State of Delaware agencies, departments, municipalities, and/or any other political subdivisions, however, the Selected Firm shall not use the State's seal or imply preference for the solution or goods provided
