DESIGN-BUILD PROJECT DAGSBORO VEHICLE MAINTENANCE SHOP

1.0 INTRODUCTION AND GENERAL INFORMATION

The State of Delaware, Delaware Army National Guard (DEARNG) is soliciting Statements of Qualifications with Letters of Interest from Submitters¹ interested in providing Design-Build contract services for DEARNG CONTRACT NO. 07-2014, PN 100082 – FMS 5 DAGSBORO Vehicle Maintenance Shop. Project location – FMS 5, 29757 Armory Road, Dagsboro, DE 19939.

The selection of the successful Design-Builder for this project encompasses two phases; Request for Qualifications; and Request for Proposals. Each phase is described in Section 2.1 and 2.2.

1.1 PROJECT DESCRIPTION

The Project involves demolition of the existing vehicle maintenance Shop and designing and constructing a new Vehicle Maintenance Shop facility with administrative and support spaces and supporting site work, including installation of roof mounted solar panels. This facility will replace the existing facility on the site. The existing no longer meets the requirements of the DE Army National Guard mission at the facility.

The new facility is to be designed and built to achieve LEED Silver Certification. The Project is on approximately 9.4 acres located on a state owned parcel that also houses the Delaware Army National Guard Dagsboro Readiness Center and a storage building that will remain in operation during construction.

1.2 INFORMATIONAL MEETING

An Informational Pre-Submission Meeting for this Project was held on 10 June 2015, no additional meetings are planned or scheduled at this time.

1.3 CONTRACT TYPE

The Contract will be a fixed price, lump sum Design-Build Contract.

1.4 RULES OF CONTACT

The following rules of contact shall apply during procurement for this Project. Contact includes face-to-face, telephone, facsimile, Electronic-mail (E-mail), or formal written communications.

The rules are designed to promote a fair, unbiased, legally defensible procurement process. The DEARNG's Construction & Facilities Management Office is the single source of contact regarding Project information and procurement.

The selection process began with the advertisement of this RFQ, and is anticipated to be completed with the award and execution of the Contract. The following specific rules of contact are now in effect:

- 1.4.1 After submittal of SOQs in response to this RFQ, no Submitter or any of its members may communicate with another Submitter or members of another Submitter with regard to the Project or the SOQs, except that a Submitter may communicate with a subcontractor that is on both its team and another Submitter's team, so long as those Submitters establish a protocol to ensure that the subcontractor will not act as a conduit of information between the Submitters;
- 1.4.2 Contact between the Submitters and the DEARNG for questions and responses to questions, shall only be through the DEARNG and Submitter's designated representative;

- 1.4.3 The Submitters shall not contact DEARNG employees, including department heads, members of the Evaluation Committee, members of the Technical Review Committee, and any official who will evaluate SOQs regarding the Project except through the process identified in Section 1.5;
- 1.4.4 The Submitters shall not contact stakeholder staff regarding the Project. Stakeholder staff includes employees of the permitting agencies, the DEARNG, and the Office of Management and Budget's, Division of Facilities Management;
- 1.4.5 Any contact determined to be improper, at the sole discretion of the DEARNG, may result in disqualification of the individuals, firms, or Submitter teams involved;
- 1.4.6 Any official contact regarding the Project will be disseminated from the DEARNG Construction & Facilities Management Office, in writing or E-mail, and signed by the DEARNG designated representative; and
- 1.4.7 The DEARNG will not be responsible for any oral communication or any other information or contact that occurs outside the official communication process specified herein.

1.5 **QUESTIONS & INFORMATION**

The DEARNG will only accept questions submitted via e-mail regarding this RFQ, including requests for clarification and requests to correct errors. The DEARNG will confirm receipt of all e-mailed questions.

All questions are to be sent to the following e-mail address:

william.r.davis534.nfg@mail.mil

and

eric.t.reigner.mil@mail.mil

The subject line of the e-mail should display as: **Dagsboro FMS#5 RFQ**

E-mails must include the requestor's name, address, telephone, and facsimile numbers.

- 1.5.1 Requests for information or clarification made to any other DEARNG office, consultant, or employee are not permitted.
- 1.5.2 Questions received by the date and time specified in [Section 2.3](#) will be addressed.
- 1.5.3 Responses to questions will appear periodically on the Project's solicitation Webpage at: www.bids.delaware.gov.
- 1.5.4 It is the responsibility of the Submitter to check the above Webpage often for Addendums, Questions and Answers, and other information concerning this solicitation.
- 1.5.5 The final Questions and Answers will be posted no later than the end of the day, as shown in section 2.3.
- 1.5.6 All Questions and Answers posted by the DEARNG on the Project's solicitation Webpage are included by reference and become part of the contract documents. The Short-Listed Submitters will receive a hard copy of the final posted Questions and Answers.

1.6 ORGANIZATIONAL REQUIREMENTS

Only prospective Submitters with demonstrated ability to complete this Project in its entirety will be eligible for the Short-List.

1.6.1 The following circumstances shall be deemed an Organizational Conflict of Interest disqualifying the affected Submitter(s) and/or individual firms involved:

Participation by any of the following Persons on more than one Submitter's team:

- Principal Participant;

All Submitters affected by the conflict of interest may be disqualified, even if the Person or Affiliate causing the conflict is intended to have a different or lesser role than that described.

1.6.2 The key management positions for the purposes of this RFQ are the Principal-in-Charge, the Design-Builder's Project Manager, the Design Manager, the QC Manager, the Lead Engineer (Civil, Mechanical, Electrical, Structural), the Lead Architect, and the Project Superintendent.

1.6.3 The DEARNG encourages the Submitter's organization, including Principal Participants and key management personnel identified in the SOQ, remain intact for the duration of the procurement process and the subsequent Project duration.

1.6.4 A Submitter may propose substitutions for participants after the SOQ submittal in the event of unforeseeable situations. Such changes will require written approval by the DEARNG. Approval may be granted or withheld in the DEARNG's sole discretion. Requests for changes must be made in writing no later than the date shown in Section 2.3, or as soon as the Submitter becomes aware of a need for change. Requests for changes in any of the Principal Participants, the Lead Engineer, the Lead Architect, or key personnel will be thoroughly scrutinized.

1.7 INELIGIBLE FIRMS

The Submitter is responsible to disclose all potential organizational conflicts of interest in its SOQ. A potential organizational conflict of interest occurs when consultants and/or subcontractors assisted the DEARNG in the preparations of this RFQ or the RFP document. Said firms will not be allowed to participate as a Submitter or a member of a Submitter or Proposer Team in response to this RFQ/RFP. However, the DEARNG may determine that there is not an organizational conflict of interest for a consultant or subcontractor under the following circumstances:

1.7.1 Where the role of the consultant or subcontractor was limited to provision of preliminary design, reports, or similar "low level" documents that will be incorporated into the RFP and did not include assistance in the development of the criteria at either the RFQ or RFP phase; or

1.7.2 Where all documents and reports that were delivered to the DEARNG by the consultant or subcontractor are made available to all the Proposers through the RFQ or the RFP.

1.7.3 The RFP Proposers will be required to provide information concerning potential organizational conflicts of interest in its Proposal. The successful Proposer and its Principal Participants must disclose all relevant facts concerning any past, present, or currently planned interests that may present an organizational conflict of interest. The successful Proposer and its Principal Participants must state how their interests or those of their chief executives, directors, Key Personnel, or any proposed subcontractor may result, or could be viewed as, an organizational conflict of interest (see also Section 1.6.1).

1.7.4 The following firms cannot participate as a member of a Submitter or Proposer team, as they are assisting the DEARNG with the RFQ, RFP, and related services:

Tetra Tech
Landmark Science and Engineering
Concord Engineering

1.7.5 Any firm that is rendered ineligible through any state or federal action is ineligible to participate with any Submitter or Proposer.

1.8 PROJECT SCHEDULE

All dates listed in this RFQ may be modified at the DEARNG's discretion. Any date changes during this RFQ selection process will be posted on the Project Webpage, or incorporated in an addendum.

Section 2.3 contains the procurement date and time schedule.

1.9 CURRENT STATUS

The following is a summary of the current status of the DEARNG's activities on this Project pertaining to Submitters' areas of interest; this list is not intended to be all-inclusive:

1.9.1 Survey

A topographic survey has been completed and a pdf is available in Appendix C.

1.9.2 Site Plan

A Site plan for the project has been developed based on the RFP criteria shown in Appendix C. A Concept Plan has been submitted to the Preliminary Land Use Service (PLUS) for review and comment. Comments from the PLUS Review and responses by the Delaware Army National Guard will be included in the RFP package.

1.9.3 Utilities

Proposers shall be responsible for identifying all aboveground and underground utilities.

1.9.4 Right-Of-Way

The parcel and Right of Way fronting the parcel are owned by the state. There is a Readiness Center on a portion of the property. During all phases of the work the Readiness Center shall continue to operate unimpeded. The contractor shall maintain access to this facility at all times.

1.9.5 Environmental

In accordance with the procedural provisions for implementing the National Environmental Policy Act of 1969 (NEPA), as amended, NEPA approval is in place for the project.

1.9.6 Geotechnical Information

Some Soil Borings have been taken and results will be provided for the RFP phase of the proposal with a Geotechnical report based on those borings.

1.9.7 Site Design and Construction

Site design and construction criteria will be provided in the RFP Scope of Services Package. Design and construction of the project's site work will follow State of Delaware, DEARNG and Unified Facilities Criteria (UFC) requirements which can be found at www.wbdg.org.

1.9.8 Building Design and Construction

The building design and construction criteria will be provided in the RFP Scope of Services Package. Building design and construction shall generally follow the Office of Management and Budget, Division of Facilities Management requirements as well as DEARNG and UFC criteria, with the following exceptions;

- Selection of Professional Services, Contractors, and Sub Contractors.

The RFP document will prevail in the event of a conflict regarding requirements. The Office of Management and Budget, Division of Facilities Management requirements can be found at the following links: <http://dfm.delaware.gov/profsrv/psae.shtml>

http://dfm.delaware.gov/profsrv/documents/proj_design_review_sched.pdf

1.10 DESIGN-BUILDER RESPONSIBILITIES

The successful Design-Builder shall be responsible for furnishing all labor, material, plant, equipment, services, expense, and support facilities for the following; this list is not intended to be all-inclusive:

- 1.10.1 Design and construction;
- 1.10.2 Associated aesthetics and landscaping;
- 1.10.3 Coordination with Project stakeholders and other contractors adjacent to the Work;
- 1.10.4 Environmental investigations, mitigation, and compliance monitoring associated with or resulting from the Design-Builder's actions;
- 1.10.5 Maintenance of traffic, access to property (both temporary and permanent);
- 1.10.6 Project safety and security;
- 1.10.7 Project Quality Assurance/Quality Control
- 1.10.8 The Design-Builder shall be responsible for completing any; surveys, geotechnical investigations, identifying underground utilities, and soil borings beyond that provided in the RFQ or RFP.
- 1.10.9 All harmful and hazardous material remediation created by the design-builder or identified in the RFP Scope of Services Package (design and construction);
- 1.10.10 Drainage and erosion control;
- 1.10.11 Construction waste recycling, disposal, and handling;
- 1.10.12 Required clearances, licenses, construction easements, and permits for the Design-Builder's Work, Work sites, and storage areas on- or off-site;
- 1.10.13 All modifications to existing permits previously obtained by the DEARNG and/or as a result of the Design-Builder's design, actions, or construction scheduling; including expenses and any modifications to the County Master Plan or Exploratory Plan. Proposers may propose any concepts, but are responsible for acquiring plan approval by the County as well as any additional

costs, and/or delay.

- 1.10.14 All ancillary Work, such as, access roads, driveways, temporary fencing, relocation of drainage, Work sites, and temporary Work;
- 1.10.15 Location, acquisition, permits, and transportation for Material;
- 1.10.16 Coordination of the relocation of any utilities and municipal drainage facilities and the design and relocation of any utilities as designated in the Scope of Services Package;
- 1.10.17 Site clearing and restoration;
- 1.10.18 Support for Building commissioning; by owners representative.
- 1.10.19 Maintenance of the Project during the Contract period; and
- 1.10.20 All other activities, functions, or elements necessary for the successful completion and subsequent approval of the Project by the DEARNG.

1.11 INSURANCE, BONDING, LICENSING, AND SECURITIES

One or more of the Principal Participants of the Single Legal Entity with which the DEARNG will contract for services must be licensed, as appropriate, with the following; Delaware Association of Professional Engineers, the Division of Professional Regulation Board of Professional Land Surveyors, Delaware Board of Architects, and the Delaware Division of Revenue, prior to the award of any contract.

The selected Design-Builder shall provide specified insurance, including, but not necessarily limited to, professional liability insurance covering design as well as commercial general liability, property (including builder's risk), umbrella/excess liability, environmental liability, public liability, automobile liability, owner's protective liability, employer's liability, and workers' compensation. The Design-Builder may use multiple insurance providers to provide the various types of insurance identified in the RFP; however, the Design-Builder shall use one single insurance provider for each type of insurance (i.e., the Design-Builder may have one insurance provider for professional liability and a different insurance provider for commercial general liability, but the Design-Builder may not have two different insurance providers for professional liability insurance). The types of insurance, insurance limits, and named insured will be commensurate with this Project and its level of risk. Details of the insurance requirements will be provided in the RFP.

There is no bonding requirement for the RFQ Statement of Qualifications. Submitters selected for the Short-List submitting a Proposal shall provide Proposal bonds or other forms of security acceptable to the DEARNG in the amount shown on Table 3.6. The Design-Builder will be required to provide performance and payment bonds and/or other security acceptable to the DEARNG, each in the amount of 100% of the Contract amount.

Prior to award of any contract, all participating Team Members of the selected Design-Builder must obtain all licenses and permits and take all necessary steps to conduct business in the State of Delaware and perform the Work required under the Contract, including proposing and carrying out contracts consistent with the laws of the State of Delaware.

The selected Design-Builder may be required to provide a number of other commitments including the following, where applicable:

- 1.11.1 Parent company and other guaranties;
- 1.11.2 Statements of joint and several liability by Principal Participants (see Section 3.6.1.5);
- 1.11.3 Parent company securities; and
- 1.11.4 Warranties.

1.12 COSTS

Submitters are solely responsible for all costs and expenses of any nature associated with responding to this RFQ, and if Short-Listed, responding to the resulting RFP.

1.13 ADDENDA

If necessary, the DEARNG will post Addenda to modify conditions or requirements of this RFQ to the Project's solicitation Webpage at www.bids.delaware.gov not later than the date identified in Section 2.3.

It is the responsibility of the Submitter to check the Webpage often for addendums and other information concerning this solicitation.

1.14 NOTIFICATION OF FIRMS ON THE SHORT-LIST

Each Submitter will be notified via e-mail, U.S. Mail or fax whether or not it has been selected for the Short-List. Notifications may be expected not later than the date specified in Section 2.3.

1.15 PROPOSAL STIPEND

The DEARNG will not provide stipends for this proposal.

2.0 PROCUREMENT PROCESS

The intent of the DEARNG is to award the Contract to the Proposer that provides the Proposal with the best combination of price and quality. The procurement process will include two phases; Request For Qualifications; and Request For Proposals.

Evaluation of the SOQs and Proposals will be based on information submitted in the SOQs and Proposals or otherwise available to the DEARNG.

Pass/fail and technical evaluation factors may be present in both the RFQ and RFP phases.

The selection of the Design-Builder for the Contract will be based on both pass/fail evaluation factors and a combined evaluation of technical factors and price.

2.1 REQUEST FOR QUALIFICATIONS PHASE

Statements of Qualifications submitted in response to this RFQ must include a response to each pass/fail and technical evaluation factor. The selected Short-List of Submitters that will be invited to submit Proposals will be determined based on evaluation of the pass/fail and technical factors set forth herein. This RFQ sets forth what is required during the RFQ phase of the procurement (see Section 3.0 for SOQ submittal requirements).

At the end of the SOQ evaluations, the DEARNG will determine the Short-List. Only Proposers on the Short-List will then be invited to provide Proposals.

2.1.1 Request For Qualifications

Statements of Qualifications will be accepted from Submitters intending to provide all services required for this project as outlined in this Request for Qualifications. Only Submitters with demonstrated ability to complete this Project in its entirety will be eligible for selection to the short-list. Responses from individual engineering, construction, or consultant firms not offering to provide all required services will not be eligible for selection to the short-list. It is anticipated interested firms will join together and create a team to become a Submitter.

Requirements for the Request For Qualifications submittals are addressed in Section 3.0.

2.2 REQUEST FOR PROPOSALS PHASE

Qualified Submitters must submit Statements of Qualifications in response to this request. The DEARNG will review all submissions and select a short-list consisting of no more than three (3) Submissions. The short-listed entities, referred to as Proposers, become the only entities that may respond to the second phase; Request for Proposals. Following the requirements to be defined in the Request for Proposals, the DEARNG will select the successful Design-Builder.

2.2.1 Request For Proposals Phase

For the next phase of the selection, the RFP will provide further specific instructions on what to submit, the evaluation factors, the objectives and requirements for evaluation, and the evaluation rating and scoring guidelines for the RFP phase of the procurement.

2.2.2 Pass/Fail Evaluation Factors for the Request For Proposals may include, but not be limited to, the following:

2.2.2.1 Legal (including compliance with state licensing requirements);

2.2.2.2 Financial; and

2.2.2.3 Responsiveness of Proposal.

- 2.2.2.4 Technical (these factors may also include sub factors);
 - 2.2.2.4.1 Technical Solutions;
 - 2.2.2.4.2 Key Personnel and Experience; and
 - 2.2.2.4.3 Management Approach.
- 2.2.3 Price will be a factor in the selection of the Design-Builder. Details will be provided in the RFP.
- 2.2.4 Information requested to be submitted in the Proposals may include, but are not limited to;
 - 2.2.4.1 Legal documents demonstrating Proposer's ability to enter into a Contract with the DEARNG;
 - 2.2.4.2 The Proposal Bond;
 - 2.2.4.3 Specified certificates and representations;
 - 2.2.4.4 A letter of commitment from sureties for payment and performance bonds;
 - 2.2.4.5 Technical solutions, including concepts for the following technical approaches:
 - 2.2.4.5.1 Building type, size, and location;
 - 2.2.4.5.2 Aesthetic features;
 - 2.2.4.5.3 Construction concepts;
 - 2.2.4.5.4 Sustainability and energy performance design and innovations;
 - 2.2.4.5.5 Summary schedule with major milestones and a summary design and construction schedule; and
 - 2.2.4.5.6 Designed and built to achieve LEED Silver Certification
 - 2.2.4.6 Qualifications of nominated Key Personnel;
 - 2.2.4.7 Letters of commitment for nominated Key Personnel;
 - 2.2.4.8 Description of management approach, organization, quality, environmental compliance, regulatory compliance, and safety plan;
 - 2.2.4.9 Specified design documents and conceptual diagrams and sketches; and
 - 2.2.4.10 The Price Proposal.

While price is an important factor in the RFP phase of the procurement, technical evaluation factors (including schedule) are significant in determining the success of the Project. The DEARNG will perform an assessment of the technical factors and, once combined with weighting of price and technical evaluation factors, select the Design-Builder as will be specified in the RFP.

2.3 PROCUREMENT SCHEDULE

The following represents the anticipated schedule for the Project. The schedule is subject to change at the discretion of the DEARNG.

Activity	Due Date
Project Informational Meeting	June 10, 2015
Issue Request For Qualifications	June 22, 2015
Final Date for Receipt of RFQ Questions	June 26, 2015
Issue Final RFQ Addendum by	July 02, 2015
Statement Of Qualifications Due Date / Time by	July 9, 2015 4:00 P.M.
Short-List Announced by	July 30, 2015
Issue Request For Proposals by	July 31, 2015
Final Request for Proposal Responses Due	August 27, 2015
Award by	September 21, 2015

3.0 STATEMENT OF QUALIFICATIONS SUBMITTAL REQUIREMENTS

This section describes the specific information that must be included in response to this RFQ. Required forms for the SOQ are contained in APPENDIX B. Any unauthorized modification to the forms may result in the SOQ being declared non-responsive.

Submitters should provide brief, concise information that addresses the objectives and the requirements of the Project consistent with the criteria described herein. Lengthy narratives containing extraneous information are discouraged.

All responses must be submitted as defined. E-mailed/electronic responses will not be accepted.

3.1 DATE AND TIME OF RECEIPT

All SOQ's must be received no later than the Local Time and Date specified in Section 2.3. The SOQs must be clearly identified as such and be enclosed in sealed packages. It is the sole responsibility of the Submitter to deliver the SOQ prior to the designated time and to the designated location. Late submittals will not be considered and will be returned unopened to the address indicated on the cover of the package.

3.2 SUBMITTAL ADDRESS

The SOQs must be delivered to the following address:

Delaware Army National Guard
Armed Forces Reserve Center
Construction & Facilities Management Office
250 Airport Road
New Castle, DE 19720
ATTN: Mr. Davis

Each Submitter shall be responsible for obtaining written proof of delivery showing date, time, and location of delivery. *It is the Submitter's sole responsibility to ensure delivery of its SOQ to the DEARNG at the time and place specified. Note that access to the site is restricted and additional time should be allotted by the proposer for access to the facility if hand delivering a proposal.*

3.3 PAGE LIMIT, FORMAT, AND QUANTITIES

The SOQ should be limited to no more than 80 pages in Sections 1 through 6, including required forms but exclusive of dividers. The sections shall consist of loose-leaf pages. The seven sections shall be placed together in one three-ring binder. One original and four copies of the SOQs shall be provided in loose-leaf binders. The signed original copy shall be identified as such. The document shall be organized to correspond with the criteria in Sections 3.5 and 3.6.

Text shall be in a standard font, a minimum of eleven points, single-spaced. Pages shall be 8 1/2 inch by 11 inch white paper with simple lettered/numbered dividers for each section. Single sided pages shall be used. The Submitter shall number each page in each section consecutively (i.e., 1-1, 1-2; 2-1, 2-2; 3-1, 3-2, and so on).

Submitters should make every effort to present information clearly and concisely. Documentation that is difficult to read may be rejected and may lead to disqualification. The information shall be easily reproducible by normal black and white photocopying machines.

Statements Of Qualifications will become the property of the DEARNG. Copies of each SOQ will be retained after the SOQ evaluation process for the Project files.

3.4 CONFIDENTIALITY OF SUBMITTED DOCUMENTS

The DEARNG will maintain a confidential process for the duration of this procurement. The DEARNG may require each Submitter to furnish sufficient information that shall indicate the financial and other capacities of the Submitter to perform the proposed Work. This information shall be subject to audit and shall be submitted in a format clearly marked "confidential," and the information contained therein shall be treated as confidential and shall not be considered a "public record" as defined in 29 Del.C. Section 10002(g)(2).

Further, if the Submitter submits information in its SOQ that it wishes to protect from disclosure, the Submitter must do the following:

- Clearly mark all proprietary or trade secret information as such in its SOQ at the time the SOQ is submitted and include a cover sheet stating "DOCUMENT CONTAINS CONFIDENTIAL PROPRIETARY OR TRADE SECRET INFORMATION" and identifying each section and page which has been so marked;
- Include a statement with its SOQ justifying the Submitter's determination that certain records are proprietary or trade secret information according to Delaware's Freedom of Information Act for each record so defined; (<http://regulations.delaware.gov/AdminCode/title2/2000/2100/2101.shtml>)
- Submit one additional hardcopy, and a copy on electronic CD, of the SOQ that has all the proprietary or trade secret information redacted from the SOQ and label such copy of the SOQ "Public Copy", and;
- Defend any action seeking release of the records it believes to be proprietary or trade secret information and indemnify, defend, and hold harmless the DEARNG and the State of Delaware and its agents and employees from any judgments awarded against the DEARNG and its agents and employees in favor of the party requesting the records, including any and all costs connected with that defense. This indemnification survives the DEARNG's cancellation or termination of this procurement or award and subsequent execution of a Contract. In submitting an SOQ, the Submitter agrees that this indemnification survives as long as the confidential business information is in possession of the State.

All records pertaining to this procurement will become public information after execution of the Contract, unless such records are proprietary or trade secret information. Any records marked as proprietary or trade secret information by a Submitter in its SOQ and, if short-listed, in its Proposal, will be returned to the unsuccessful Submitters after the execution of the Contract with the Design-Builder. The records marked proprietary or trade secret information by the successful Submitter in its SOQ and Proposal will remain confidential and will be returned to the Design-Builder upon completion and final acceptance of its Work under the Contract.

3.5 COVER LETTER

The Submitter shall provide a one-page cover letter indicating its desire to be considered for the Project and stating the names and roles of all Principal Participants and the Lead Engineer, the Lead Architect, and subcontractors performing 15% or more of the design or construction. The Submitter shall identify a single point of contact for the Submitter and the address, telephone and facsimile numbers where notifications and/or inquiries should be directed during the RFQ process. Authorized representatives of the Submitter's organization shall sign the letter. If the Submitter is not yet a legal entity or is a JV, LLC, or general partnership, authorized representatives of all proposed Principal Participants shall sign the letter. This cover letter shall serve as the Letter Of Interest.

The Submitter shall complete and attach **FORM A - ADDENDA ACKNOWLEDGMENT** acknowledging receipt of the RFQ and all addenda issued by the DEARNG.

3.6 CRITERIA

In providing the SOQ, Submitters should be guided by the objectives stated for each criteria to provide Submitters the expectations of the DEARNG. The requirements for each criteria and the information to be submitted are listed and described below in detail. The SOQ evaluation will be based on how well the SOQ responds to the requirements and meets or exceeds the Project goals and the objectives of each criterion.

3.6.1 Legal

The objective is to identify legally constituted Submitters able to submit Proposals and enter into the Contract and complete the Work, and that has obtained or will obtain all required licenses and certificates.

The following information is to be submitted and labeled as **Section 1 – Legal**:

3.6.1.1 **FORM B - SUBMITTER'S ORGANIZATION INFORMATION**; one form for the Submitter's Design-Build Team organization identifying the Lead Principal Participant(s), and the percent equity share held. Each member of a JV, LLC, or partnership must be an equity partner in the organization

3.6.1.2 **FORM C - PRINCIPAL PARTICIPANT AND DESIGN CERTIFICATION**; include a separate form for each Principal Participant, the Design-Builder's Project Manager, the Design Manager, the Lead Architect, and Lead Engineer in each discipline, the Quality Control Manager, and Project Superintendent. A LEED Accredited professional shall be required from the design and construction team assigned to the project, this can be an individual listed previously in this paragraph or a separate individual;

3.6.1.3 Certification that the Submitter and its Principal Participants, if Submitter is a JV, LLC, or partnership, are or will become registered in accordance with the following;

“A person desiring to engage in business in this State as a contractor shall obtain a license upon making application to the Division of Revenue. Proof of said license compliance to be made prior to, or in conjunction with, the execution of a contract to which he has been named.”

If the Submitter is a JV, LLC, or partnership which has not yet been legally formed, the Submitter's registration with the Delaware Secretary of State is nonetheless required as stated above;

3.6.1.4 Certification that one or more Principal Participants of the Submitter, appropriate member of the Submitter's team, or the Submitter itself will be licensed as required by applicable federal and state laws, rules, and regulations including, but not limited to the Delaware Code. Evidence of proper licensing shall be required to be provided prior to execution of the Contract, including but not limited to, the appropriate licenses from; the Delaware Association of Professional Engineers; the Division of Professional Regulation Board of Architects; the Division of Professional Regulation Board of Professional Land Surveyors; and the Delaware Division of Revenue; and

3.6.1.5 If a Joint Venture, Limited Liability Company, or partnership; include an express statement from each of the Principal Participants as to their joint and several liability; and

- 3.6.1.6 Notarized Power(s) of Attorney for each Principal Participant indicating the authority of the Principal Participant's representative to sign for that Principal Participant; and
- 3.6.1.7 Notarized Power(s) of Attorney for each Principal Participant indicating the authority of the Submitter's designated point of contact to sign documents for and on behalf of the Submitter's organization; and
- 3.6.1.8 If a JV, LLC, or partnership, provide full details of the organizational structure and supporting organization/formation documents including a copy, as applicable, of the JV agreement, LLC operating agreement, or partnership agreement or, if said documents have not yet been executed among the parties, a draft of such JV agreement, LLC operating agreement, or partnership agreement or a Memorandum Of Understanding (MOU) stating the terms of such JV agreement, LLC operating agreement, or partnership agreement.

3.6.2 Financial

The objective is to identify Submitters with demonstrated capability to undertake the financial responsibilities associated with the Project, including bonding.

The following information is to be submitted and labeled as **Section 2 – Financial**:

3.6.2.1 Surety Letter

The Submitter shall submit a letter from a single surety or co-sureties indicating that the Submitter is capable of obtaining Proposal, performance, and payment bonds covering the Contract (For the purposes of the RFQ assume the amount required is \$10M). The bonding/security capacity levels in Table 3.6 represent minimum levels necessary to pass the pass/fail criteria. Surety bonds written for the Project shall be written by a surety or insurance company that is licensed to do business in the state of Delaware. The letter must specifically state that the surety/insurance company has evaluated the Submitter's and each Principal Participant's backlog and work-in-progress in determining its bonding capacity and the letter must expressly identify the Submitter's and each Principal Participant's amount of current backlog and utilized bonding capacity. If the letter is submitted by co-sureties or a joint venture of sureties, the letter must clearly state that the sureties making up the co-surety or the joint venture are bound in solido for the full amount of the bond. Letters indicating "unlimited" bonding/security capability are not acceptable.

Table 3.6		
Proposal Bond/Security	Payment Bond/Security	Performance Bond/Security
Ten Percent of Proposal Amount	100% of Contract Amount	100% of Contract Amount (assume \$10M is required for RFQ submission purposed)

3.6.3 Organization and Key Managers

The objective is to identify Submitters that will effectively manage all aspects of the Contract in a quality, timely, and effective manner; integrate the different parts of its organization collectively, and with the DEARNG, in a cohesive and seamless manner; and to identify the best personnel for key management positions with demonstrated experience and expertise in, and record of,

producing quality work on projects of a similar nature to this Project.

The DEARNG has identified the following qualifications for the stated positions:

Principal-in-Charge: Should have a minimum of 20 years' experience in construction projects including building projects and site development that include work on projects with similar scope, nature, and complexity as this project. The Principal-in-Charge shall have served in a similar role on a minimum of one prior design-build project of similar scope, nature, and complexity as this project.

Design-Builder's Project Manager: Should have a minimum of 10 years' experience in management of construction projects including building projects and site development, with demonstrated experience on the design and construction of buildings that included work of a similar scope, nature, and complexity as this project. The Design-Builder's Project Manager shall have served in a similar role on a minimum of one prior design-build project. The Design-Builder's Project Manager shall be the Design-Builder's representative and single point of contact.

Design Manager: The Design Manager shall be a registered professional engineer or architect in the State of Delaware and shall have a minimum of 15 years' experience in building design and construction. The Design Manager shall be responsible for coordinating other design disciplines, including, but not limited to architecture, civil engineering, mechanical engineering, electrical engineering, structural engineering, and landscape design. The Design Manager shall have served in a similar role in a project of similar scope, nature, and complexity as this project. More weight will be given to individuals with previous experience on projects for the Department of Defense.

Lead Architect: The Lead Architect shall be a registered Professional Architect in the State of Delaware with a minimum of 10 years architectural design which includes public buildings and properties and experience with projects for the department of defense (DOD).

Lead Engineers: The Lead Engineer for each discipline shall be a registered Professional Engineer in the State of Delaware with a minimum of 10 years engineering design which includes public buildings and properties and experience with projects for the department of defense (DOD).

LEED accredited Professional: A LEED Accredited professional shall be required on both the design and construction team for this project (2 individuals), these individuals may fill another role on the project team or be a separate individual who will be assigned to the project to oversee the LEED requirements. The individuals shall be accredited by USGBC as a LEED accredited professional.

Quality Control Manager: The Quality Control Manager's responsibilities include, but are not limited to, creation and execution of the Submitter's quality program, quality personnel, assurance activities independent of production, enforcement of quality procedures, and documentation of quality records including public information, environmental compliance and labor compliance. The Quality Manager shall report directly to the Submitter's executive management team. The Quality manager will also be required to work in conjunction with the DEARNG's Quality Assurance and Quality Control representative during the life of the project. The Quality Manager shall be a graduate of a four year accredited college or university program in one of the following disciplines: Engineering, Architecture, Construction Management, Engineering Technology, Building Construction, or Building Science, and with a minimum of 10 years' experience as a Project Superintendent, QC Manager, Project Manager, Project Engineer or Construction Manager on similar size and type construction contracts which included the major trades that are part of this Contract. The individual must have at least two years' experience as a QC Manager. The individual must be familiar with the requirements of EM 385-1-1, and have experience in the areas of hazard identification, safety compliance, and sustainability.

Project Superintendent: The Project Superintendent responsibilities include, but are not limited to, responsibility for the coordination and quality of work on the job. The site project superintendent in this context shall be the highest level day-to-day manager at the site, responsible for the overall site activities, including but not limited to quality and production. The site project superintendent shall maintain a physical presence at the site at all times, and shall oversee and be responsible for all construction and construction related activities at the site. Different contractors have different names for the on-site overall project supervisor. The minimum experience requirements for the superintendent includes at least 5 years' experience in a similar role as superintendent, managing multiple trades and subcontractors.

The following information is to be submitted and labeled as **Section 3 – Organization:**

3.6.3.1 Organization and communication structure among the Submitter, its Principal Participants, its Lead Architect, and its Design Manager; and

3.6.3.2 Resumes of key managers; Principal-in-Charge, the Submitter's Project Manager, the QC Manager, the Design Manager, and the Lead Architect, and Lead Engineer for each discipline, LEED Accredited Professionals, and Project Superintendent.

3.6.4 Submitter Experience

The objective is to identify;

- The best design and construction firms available with demonstrated experience, expertise, capacity, and record of producing quality Work on projects similar in nature to this Project.
- Submitters which have the following attributes:
 - Experience in successfully managing, designing, and constructing projects of the size and complexity of this Project;
 - A superior record of completing contracts on time and within budget;
 - A superior record of managing contracts to minimize delays, claims, dispute proceedings, litigation, and arbitration; and
 - Excellent safety records.
 - Experience with similar Department of Defense or Delaware Army National Guard projects
- Previous experience with LEED projects.
- Previous experience with Public Works projects within the State of Delaware
- Submitters that have the technical and management experience and expertise to plan, organize, and execute the design and construction and assure the quality and safety of the Project.

The following information is to be submitted and labeled as **Section 4 – Submitter Experience:**

3.6.4.1 Using **FORM D - PAST PROJECT DESCRIPTION**; the Submitter shall provide a minimum of two and no more than ten descriptions of past projects for each Principal Participant, Design Manager, Lead Architect, Lead Engineer, and subcontractors performing 15% or more of the design or construction, highlighting experience in the last five years relevant to the Project. The Submitter shall describe those projects having a scope comparable to that anticipated for the Project.

3.6.5 Past Performance

The objective is to avoid Submitters with firms or personnel with a history of legal and financial problems that could adversely impact the Project generally; and to obtain the commitment of the Submitter, Principal Participants, Design Manager, Lead Engineers, and Lead Architect regarding representations made in the SOQ.

The following information is to be submitted and labeled as **Section 5 – Past Performance**:

Complete and submit **FORM E - PAST PERFORMANCE** as identified in the following sub sections. If the Submitter has no record of relevant past performance or if the information relative to a category is not available the Submitter shall enter a declarative statement to that effect on Form E. If the record of relevant past performance does not exist and/or is not available, the Submitter shall receive a technical rating of acceptable- for this factor. The Submitter shall attach additional sheets to Form E as necessary. For each instance of litigation, claim, dispute proceeding, arbitration, assessment of Liquidated Damages, or termination for cause or default, the Submitter shall provide the owner's name and the name of its current representative (and current telephone and facsimile numbers) who can be contacted for additional information.

With respect to the information solicited in this section, failure to provide this information, conditional or qualified submissions to requests or questions posed (i.e., "to our knowledge," "to the extent of available information," "such information is not readily available," or "such information is not maintained in the manner requested,"), incomplete or inaccurate submissions, or non-responsive submissions may, in the sole discretion of the DEARNG, lead to a lower evaluation rating for this technical evaluation factor or result in a Deficiency that would cause the DEARNG to declare the SOQ non-responsive.

3.6.5.1 Claims, Dispute Proceedings, Litigation, and Arbitration Proceedings

The Submitter shall provide a complete list of all claims, dispute proceedings, litigation, and arbitration proceedings related to performance in which any Principal Participant, Design Manager, Lead Engineers, Lead Architect, or subcontractors performing 15% or more of the design or construction, has been involved on all design-build contracts within the last ten years. The Submitter shall include all claims, dispute proceedings, litigation, and arbitration proceedings initiated by owners and federal, state, and local regulatory agencies against the Submitter or all claims, dispute proceedings, litigation, and arbitration proceedings initiated against owners and federal, state, and local regulatory agencies by third parties and in which the Submitter was involved. The Submitter shall indicate whether the claim, dispute proceeding, litigation, or arbitration proceeding was resolved against the participant(s) or its insurers/sureties or resulted in reduction in compensation to the participant. The Submitter shall indicate any unresolved, outstanding claims, dispute proceedings, litigation, and arbitration proceedings; and

3.6.5.2 Liquidated Damages

The Submitter shall describe any contract which resulted in assessment of Liquidated Damages against any Principal Participant over the past five years. The Submitter shall describe the causes of the delays and the amounts assessed. The Submitter shall describe any outstanding damage claims by or damages due and owing to any owner/agency; and

3.6.5.3 Termination for Cause or Default

The Submitter shall describe the conditions surrounding any contract (or portion thereof) entered into by any Principal Participant, Design Manager, Lead Engineers, Lead Architect, or subcontractors performing 15% or more of the design or construction, over the past ten years that has been terminated for cause or default or which required completion by another party. The Submitter shall describe the reasons for termination and the amounts involved; and

3.6.5.4 Disciplinary Action

The Submitter shall indicate any disciplinary action taken against any Principal Participant, Design Manager, Lead Engineers, Lead Architect, or subcontractors performing 15% or more of the design or construction within the past ten years, by any governmental agency or licensing board, including suspension from the right to

propose/bid or removal from any Submitter/bid list; and

3.6.6 Project Understanding

- The objective is to identify;
 - Submitters demonstrating an understanding of the management issues, technical issues, and risks associated with the Project; and
 - Submitters demonstrating an understanding of how the Design-Build process and the Submitter's organization will contribute to the success of the Project and meet the DEARNG's Project goals; and
 - Submitters which understand the risk sharing and the teaming relationship between the Design-Builder and the DEARNG.
 - Submitters defined approach to complete the project.
 -

The following information is to be submitted and labeled **Section 6 – Project Understanding**:

- 3.6.6.1 The Submitter shall list and briefly describe the significant issues and risks facing the selected Submitter and/or the DEARNG; and
- 3.6.6.2 The Submitter shall briefly describe how the Submitter will use its organization and the Design-Build process to ensure a successful Project considering the DEARNG's Project goals listed in Section 1.3.

4.0 EVALUATION PROCESS FOR THE STATEMENT OF QUALIFICATIONS

4.1 EVALUATION OBJECTIVES

The objective of the RFQ phase of the procurement is to create a Short-List of no more than three of the highest rated Submitters with the general capability (technical, financial, and management), capacity, and experience necessary to successfully undertake and complete the Work. The Design-Builder will have primary responsibility to plan, design, manage, and control the Project and to complete the Project on or ahead of schedule. The DEARNG has set high responsibility standards for the Design-Builder reflected in the technical evaluation factors of this RFQ, and will be further reflected in the RFP and the Contract.

4.2 REVIEW AND EVALUATION

Information submitted in accordance with Section 3.0 will be evaluated in accordance with both the pass/fail evaluation factors listed in Section 4.3.1, and the technical evaluation factors in Section 4.3.2.

4.3 EVALUATION FACTORS

This section outlines the evaluation factors for the RFQ phase of the procurement.

The DEARNG has identified for this Project the following evaluation factors that are of particular importance to the DEARNG. This information is provided here to assist Submitters in organizing their teams and preparing their SOQs.

If a Submitter passes all pass/fail evaluations, its SOQ will be further evaluated using the factors for technical rating in Section 4.3.2. If a Submitter fails any single pass/fail requirement resulting in a Deficiency, the SOQ shall be rated as unacceptable, the technical factors will not be rated, and the Submitter will not be included on the Short-List.

4.3.1 The Pass/Fail Evaluation Factors and criteria are as follows:

4.3.1.1 Legal

The Submitter has presented evidence showing its organization has the legal ability to enter into and perform the Contract to design and build the Project, and will comply with state licensing requirements. This includes;

- Proper identification of all Principal Participants;
- Demonstrated capability to enter into a contractual relationship with the DEARNG and a declaration of willingness to do so;
- Proper licensure of all participating firms.

4.3.1.2 Financial

The Submitter has demonstrated an ability to provide required bonds and meet other financial requirements of undertaking and completing the Work.

4.3.1.3 Proposal Responsiveness

Proper submittal of the required information per the requirements of this Request For Qualification, and in the specified format.

4.3.2 The Technical Evaluation Factors are as follows:

4.3.2.1 Organization and Key Managers

- 4.3.2.1.1 The basic organization of the Submitter, including identification of the Principal-in-Charge, the Design-Builder's Project Manager, Design Manager, Lead

Engineers, and Lead Architect, Project Superintendent, Quality Control Manager, and LEED Accredited Professionals (design and construction) and other consultants and subcontractors; and

4.3.2.1.2 The experience of the key team members identified relative to the size, complexity, and composition of their role in this Project.

4.3.2.2 Experience of the Firms

4.3.2.2.1 Demonstrated experience relevant to the size, complexity, and composition for the design and construction components for this project. Greater weight will be given to experience of the principal participants than will be given to projects completed by subcontractors; Greater weight will also be given for Design-Build teams (Contractor & designer) that have worked together on previous design-build projects.

4.3.2.2.5 Familiarity with Department of Defense and ARNG requirements for projects, including applicable design criteria.

4.3.2.2.6 Previous experience with LEED projects.

4.3.2.2.7 Previous experience with Public Works projects within the State of Delaware

4.3.2.3 Past Performance

The Submitter's complete demonstrated record of performance, including the following:

4.3.2.3.1 Completion schedules;

4.3.2.3.2 Quality of work product;

4.3.2.3.3 Completion within budget;

4.3.2.3.4 Claims history (including number of claims submitted that were ultimately disallowed or significantly reduced, number of disputes submitted to formal dispute resolution and disposition of such actions, and all claims brought against the firm under the False Claims Act);

4.3.2.3.5 Record of terminations for cause and default;

4.3.2.3.6 All disciplinary action, including suspension and/or debarment;

4.3.2.4 Project Understanding

4.3.2.4.1 The Submitter's knowledge and understanding of specific Project issues and risks and the issues, benefits, and responsibilities associated with Design-Build contracts; and

4.3.2.4.2 A defined approach the Design-Build team will take to complete the project.

4.3.2.4.3 An explanation of how the Submitter will ensure success of the Work and this Project.

4.3.2.5 Geographical Location

4.3.2.5.1 The submitter's geographical location with respect to the project site will be considered. The submitter should identify the office location that will be overseeing the project. The submitter shall identify if this office is a main or branch office location.

4.3.3 The technical evaluation factors will be weighted as follows:

Experience of the Design/Build team	40%
Organization and Key Managers	20%
Past Performance	20%
Project Understanding	10%
Geographic location	10%

The ratings assigned to the technical evaluation factors will be compiled to determine an overall technical rating for the SOQ.

4.4 REQUESTS FOR CLARIFICATION

The Submitter shall provide accurate and complete information to the DEARNG. If information is not complete, the DEARNG may, at its discretion, notify the Submitter that it will not be allowed to participate further in the procurement of this Project until all information required is provided.

The DEARNG may waive technical irregularities in the form of the SOQ of the Submitter that do not alter the quality or quantity of the information provided.

The DEARNG may, at its sole discretion, request Clarifications and/or supplemental information from Submitters during the SOQ evaluation and Short-List process; however, the DEARNG is not obligated to do so. Any insufficient statements or incomplete affidavits may be returned to the Submitter by the DEARNG with notations of the insufficiencies or omissions and with a request for Clarifications and/or submittal of corrected, supplemental, or missing documents. If a response is not provided prior to the deadline given for submission of the response, the SOQ may be declared non-responsive.

All requests and responses shall be in writing by certified mail, courier, E-mail, or facsimile. Responses are limited to answering only the specific information requested by the DEARNG.

The DEARNG does not anticipate conducting interviews during the RFQ phase, but reserves the right to do so. If the DEARNG elects to conduct interviews, it may interview only those Submitters that are likely to be considered for the Short-List.

In the event a material error is discovered in the RFQ during the SOQ evaluation process, the DEARNG will issue an Addendum to all Submitters that have submitted SOQs requesting revised SOQs based upon the corrected RFQ.

4.5 DETERMINATION OF THE SHORT-LIST

The DEARNG will establish a Short-List of up to three of the highest rated Submitters in order to ensure adequate competition. The Short-List will be created by eliminating the lowest rated Submitters until an appropriate number of acceptable Submitters remain. Neither the overall technical ratings nor the ranking of the Submitters on the Short-List will be disclosed to Submitters until the procurement process is complete and a contract is executed.

4.6 CHALLENGE

The decision of the DEARNG on the Short-List and the subsequent award of the Contract shall be final and shall not be appealable, reviewable, or reopened in any way, except as provided in Section 5.0 of this RFQ (for challenges to the Short-List) or as provided in the RFP (for the award of the Contract). Parties participating in the RFQ phase of this procurement shall be deemed to have accepted this condition and the other requirements of this RFQ.

Contents of SOQs, including non-proprietary information will remain confidential until final execution of the Contract. Proprietary information in the SOQs will remain confidential to the extent permitted under applicable Delaware state law.

5.0 PROTESTS

This section sets forth the exclusive protest remedies available with respect to this RFQ. Each Submitter, by submitting its SOQ, expressly recognizes the limitation on its rights to protest contained herein, expressly waives all other rights and remedies, and agrees that the decision on any protest, as provided herein, shall be final and conclusive. These provisions are included in this RFQ expressly in consideration for such waiver and agreement by the Submitters. If a Submitter disregards, disputes, or does not follow the exclusive protest remedies set forth in this RFQ, it shall indemnify, defend, and hold the DEARNG and its directors, officers, officials, employees, agents, representatives, and consultants harmless from and against all liabilities, expenses, costs (including attorneys' fees and costs), fees, and damages incurred or suffered as a result of such Submitter's actions. The submission of an SOQ by a Submitter shall be deemed the Submitter's irrevocable and unconditional agreement with such indemnification obligation.

5.1 WRITTEN PROTESTS ONLY

All protests must be in writing. Any protest not set forth in writing within the time limits specified in these procedures is null and void and shall not be considered.

The protestor shall have the burden of proving its protest by clear and convincing evidence. No hearing will be held on the protest, but it shall be decided on the basis of the written protest by the DEARNG's Construction and Facilities Management Officer (CFMO) whose decision shall be final and conclusive.

5.2 PROTEST PROCEDURE

A Submitter may protest the results of the above-described evaluation and qualification process by filing a written notice of protest by hand delivery or courier to the DEARNG's Construction & Facilities Management Office. The protesting Submitter shall concurrently file a copy of its notice of protest with the other Submitters. The notice of protest shall specifically state the grounds of the protest.

5.2.1 Notice of protest of any decision to accept or disqualify an SOQ on responsiveness grounds must be filed within five calendar days after the earliest of notification of non-responsiveness or the announcement of the Short-List. Notice of protest of the decision on Short-Listing must be filed within five calendar days after the announcement of Short-Listing.

5.2.2 Within seven calendar days of the notice of protest, the protesting Submitter must file with the DEARNG's Construction & Facilities Management Office, a detailed statement of the grounds, facts and legal authorities, including all documents and evidentiary statements, in support of the protest. The protesting Submitter shall concurrently deliver a copy of the detailed statement to all other Submitters. Evidentiary statements, if any, shall be submitted under penalty of perjury. The protesting Submitter shall have the burden to prove that the decision of the DEARNG was arbitrary and capricious.

5.2.3 Failure to file a notice of protest or a detailed statement within the applicable period shall constitute an unconditional waiver of the right to protest the evaluation or qualification process and decisions hereunder, other than any protest based on facts not reasonably ascertainable as of such date.

5.2.4 Other Submitters may file by hand delivery or courier to the DEARNG's Construction & Facilities Management Office, a statement in support of or in opposition to the protest. Such statement must be filed within seven calendar days after the protesting Submitter files its detailed statement of protest. The DEARNG will promptly forward copies of any such statements to the protesting Submitter.

- 5.2.5 Unless otherwise required by law, no evidentiary hearing or oral argument shall be provided, except, in the sole and absolute discretion of the CFMO, a hearing or argument may be permitted if necessary for protection of the public interest or an expressed, legally recognized interest of a Submitter or the DEARNG. The CFMO will issue a written decision regarding the protest within 30 calendar days after the DEARNG receives the detailed statement of protest or any allowed (discretionary) evidentiary hearing or oral argument. Such decision shall be final and conclusive. The CFMO will deliver the written decision to the protesting Submitter and copies to the other Submitters.
- 5.2.6 If a notice of protest regarding responsiveness is filed prior to release of the RFP, the DEARNG may proceed with issuance of the RFP before the protest is withdrawn or decided, unless the CFMO determines, in his or her sole discretion, that it is in the public interest to postpone issuance of the RFP. Such a determination shall be in writing and shall state the facts on which it is based.
- 5.2.7 If the CFMO concludes that the Submitter filing the protest has established a basis for protest, the CFMO will determine what remedial steps, if any, are necessary or appropriate to address the issues raised in the protest. Such steps may include, without limitation, withdrawing or revising the decisions, issuing a new request for qualifications or taking other appropriate actions.

5.3 PROTEST CONTENTS

All Protests shall include the following information:

- The name and address of the Submitter;
- The Contract number;
- A detailed statement of the nature of the protest and the grounds on which the protest is made;
- All factual and legal documentation in sufficient detail to establish the merits of the protest. Evidentiary statements must be provided under penalty of perjury.
- The protestor must demonstrate or establish a clear violation of a specific law or regulation.
- The Protest Official will not be obligated to postpone the SOQ due date, Short-List announcement, or RFP release in order to allow a protestor an opportunity to correct a deficient protest or appeal unless otherwise required by law or regulation.

If the protest is denied, the protestor shall be liable for the DEARNG's costs reasonably incurred in any action to defend against or resolve the protest, including legal and consultant fees and costs, and any unavoidable damages sustained by the DEARNG as a consequence of the protest. If the protest is granted, the DEARNG shall not be liable for payment of the protestor's costs.

6.0 DELAWARE ARMY NATIONAL GUARD RIGHTS AND DISCLAIMERS

6.1 DELAWARE ARMY NATIONAL GUARD RIGHTS

The DEARNG may investigate the qualifications of any Submitter under consideration, may require confirmation of information furnished by a Submitter, and may require additional evidence of qualifications to perform the Work described in this RFQ. The DEARNG reserves the right, in its sole and absolute discretion, to any of the following:

- 6.1.1 Rejection of any or all Statements Of Qualifications;
- 6.1.2 Issuance of a new Request For Qualifications;
- 6.1.3 Cancellation, modification, or withdrawal of the Request For Qualifications;
- 6.1.4 Issuance of Addenda, supplements, and modifications to this Request For Qualifications;
- 6.1.5 Modification of the Request For Qualifications process (with appropriate notice to Submitters);
- 6.1.6 Appointment of the Primary Design-Build Evaluation Committee and evaluation teams to review SOQs and seek the assistance of outside technical experts in the SOQ evaluation;
- 6.1.7 Approval or disapproval of the use of particular subcontractors and/or substitutions and/or changes in SOQs;
- 6.1.8 Revision and modification, at any time before the SOQ due date, of the factors it will consider in evaluating SOQs and to otherwise revise or expand its evaluation methodology. If such revisions or modifications are made, the DEARNG shall issue an Addendum by a posting on the Project solicitation Webpage, setting forth the changes to the evaluation criteria or methodology. The DEARNG may extend the SOQ due date if such changes are deemed by the DEARNG, in its sole discretion, to be material and substantive;
- 6.1.9 Correspondence with the Submitters responding to this SOQ, including holding meetings, to seek Clarifications and an improved understanding and evaluation of the SOQs;
- 6.1.10 Seeking or obtaining data from any source that has the potential to improve the understanding and evaluation of the SOQs;
- 6.1.11 Waiver of Weaknesses, informalities, and minor irregularities in Statements Of Qualifications;
- 6.1.12 Disqualification of any team that changes its SOQ without DEARNG written approval;
- 6.1.13 Waive the Request For Proposals phase of the procurement process and immediately enter into negotiations with a sole short-listed Submitter in the event the RFQ process results in only one (1) final Short-Listed Submitter; and/or,
- 6.1.14 Refusal to issue an RFQ to a prospective Submitter and to refuse to receive or open an SOQ, once submitted, or reject an SOQ if such refusal or rejection is based upon, but not limited to, the following:
 - 6.1.14.1 Failure on the part of the Submitter or a Principal Participant to pay, satisfactorily settle, or provide security for the payment of claims for labor, equipment, material, supplies, or services legally due on previous or ongoing contracts with the DEARNG (or the State of Delaware);

- 6.1.14.2 Default on the part of the Submitter, a Principal Participant, Design Manager, Lead Engineer or Lead Architect under previous contracts with the DEARNG (or the State of Delaware);
 - 6.1.14.3 Unsatisfactory performance by the Submitter, a Principal Participant, and/or a Design Manager or Lead Engineer or Lead Architect under previous contracts with the DEARNG (or the State of Delaware);
 - 6.1.14.4 Issuance of a notice of debarment or suspension to the Submitter, a Principal Participant, and/or a Design Manager, Lead Engineer or Lead Architect;
 - 6.1.14.5 Submittal by the Submitter of more than one SOQ for the same Work under the Submitter's own name or under a different name;
 - 6.1.14.6 Existence of an organizational conflict of interest under Section 1.8.1 or evidence of collusion between a prospective Submitter (or any Principal Participant or Design Manager, or Lead Engineers or Lead Architect) and other Submitter(s) (or Principal Participants or Design Manager, or Lead Engineers or Lead Architect) in the preparation of an SOQ, proposal, or bid for any DEARNG construction project; and/or
 - 6.1.14.7 Uncompleted work or default on a contract in any jurisdiction for which the prospective Submitter or a Principal Participant is responsible which, in the judgment of the DEARNG, might reasonably be expected to hinder or prevent the prompt completion of additional work if awarded.
- 6.1.15 The RFQ does not commit the DEARNG to enter into a Contract nor does it obligate the DEARNG to pay for any costs incurred in preparation and submission of the SOQs or in anticipation of a Contract. By submitting an SOQ, a Submitter disclaims any right to be paid for such costs.
- 6.1.16 The execution and performance of a Contract pursuant to this RFQ and any subsequent RFP is contingent upon sufficient appropriations and authorizations being made by the Delaware State Legislature for performance of a Contract between the successful Submitter and the DEARNG.
- 6.1.17 In no event shall the DEARNG be bound by or be liable for any obligations with respect to the Work or the Project until such time (if at all) as the Contract, in form and substance satisfactory to the DEARNG, has been executed and authorized by the DEARNG and approved by all required parties and then only to the extent set forth therein.

6.2 DELAWARE ARMY NATIONAL GUARD DISCLAIMERS

In issuing this RFQ and undertaking this contemplated procurement process, the DEARNG specifically disclaims the following:

- 6.2.1 Any obligation to award or execute a Contract pursuant to this Request For Qualifications; and
- 6.2.2 Any obligation to reimburse a Submitter for any costs it incurs under this procurement.

In submitting an SOQ in response to this RFQ, the Submitter is specifically acknowledging these disclaimers.

7.0 GENERAL NOTICES

The following apply to the Project and will be incorporated, along with other requirements, in the RFP.

7.1 PREVAILING WAGES

Included in the RFP will be minimum wages to be paid various classes of laborers and mechanics as determined by the Department of Labor of the State of Delaware in accordance with Title 29 Del.C. §6960, relating to wages and the regulations implementing that section.

7.2 DELAWARE CODE PROVISIONS

The following Delaware Code provisions, among others, will be incorporated in the RFP;

7.2.1 29 Del. C. §6962(d)(4)a. (anti-pollution, conservation environmental measures);

7.2.2 29 Del. C. §6962(d)(7) (equal employment opportunity assurances);

7.2.3 29 Del. C. §6962(d)(8) (performance bonding requirements);

7.2.4 17 Del. C. c.8 (construction payments held in trust for protection of subcontractors and suppliers).

7.3 RFP CONFIDENTIALITY

The Proposer may be given access to records that are confidential under state laws solely for the purpose of performing the required services under the Contract. The Proposer shall be required to sign a nondisclosure statement prior to its receipt of such documents obligating each employee, agent, or subcontractor of the Proposer not to make inappropriate use of or improperly disclose any of the contents of such documents. All Proposers unwilling to comply with this requirement and/or found to violate the nondisclosure statement will be subject to disqualification at the DEARNG's sole discretion.

7.4 EQUAL EMPLOYMENT OPPORTUNITY

As a condition of this RFQ, the forthcoming RFP, and the resulting contract, Submitters and Proposers shall not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, age, disability, or marital status. Proposers shall take affirmative action to insure that all applicants are treated during employment without regard to their race, creed, color, sex, national origin, age, disability, or marital status. Such action includes, but is not limited to, the following: layoff or termination; rates of pay or other forms of compensation; employment, job assignment, upgrading, demotion, transfer recruitment/recruitment advertising and selection for training, including apprenticeship, pre-apprenticeship and/or on-the-job training.

7.5 DEARNG POLICY

The DEARNG does not discriminate on the basis of race, color, national origin, or sex in the award and performance of any U.S. Department of Defense (DoD) assisted contract or in the administration of 49 CFR Part 26. The Proposers shall take necessary and reasonable steps to ensure that businesses owned and controlled by socially and economically disadvantaged individuals are provided with a fair opportunity to participate in this Project.

7.6 COMPLIANCE WITH APPLICABLE LAWS

In connection with this RFQ, the RFP, and the Contract, Submitters shall comply with all applicable laws in all aspects in connection with the procurement process of this Project and the performance of the Contract.

APPENDIX A

ABBREVIATIONS AND DEFINITIONS

**APPENDIX A
ABBREVIATIONS AND DEFINITIONS**

TABLE OF CONTENTS

ABBREVIATIONS AND DEFINITIONS

1.0	<u>Definitions</u>	1
2.0	<u>Abbreviations</u>	4

1.0 Definitions

"**Addenda/Addendum**" means supplemental additions, deletions, and modifications to the provisions of the RFQ after the Advertisement date of the RFQ.

"**Advertisement**" means a public announcement inviting prospective Submitters to attend a meeting to describe the Project and obtain an RFQ and submit an SOQ. The Advertisement includes a brief description of the Work proposed to be the subject of the procurement, where the RFQ may be obtained, the terms and conditions under which SOQs will be received, and such other matters as the DEARNG may deem advisable to include therein.

"**Affiliate**" means any of the following:

Person who directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with the following:

- The Submitter; or
- Any other Principal Participant.

An Affiliate may also be any Person for which ten percent or more of the equity interest in such Person is held directly or indirectly, beneficially or of record, by the following:

- The Submitter;
- Any Principal Participant; or
- Any Affiliate of the Submitter under part (A) of this definition.

For purposes of this definition, the term "control" means the possession, directly or indirectly, of the power to cause the direction of the management of a Person, whether through voting securities, by contract, by family relationship, or otherwise.

"**Clarifications**" means a written exchange of information that takes place between a Submitter and the DEARNG after the receipt of all SOQs during the evaluation process. The purpose of Clarifications is to address ambiguities, omissions, errors or mistakes, and clerical revisions in an SOQ.

"**Construction Subcontractor**" means a subcontractor retained by the Submitter that will be involved in the actual construction of the Project.

"**Constructor**" means a Principal Participant or Construction Subcontractor retained by the Submitter that is involved in the actual construction of the Project.

"**Contract**" means the written agreement between the DEARNG and the successful Proposer setting forth the obligations of the parties thereunder, including, but not limited to, the performance of the Work, the furnishing of labor and material, and the basis of payment. The Contract includes the Contract Documents identified in the Request For Proposals (RFP); the successful Proposer's Proposal Documents; the successful Proposer's Price Proposal; the Notice To Proceed (NTP); and any amendments, supplemental agreements, and change orders that are required to complete the design and construction of the Work in an acceptable manner, including authorized extensions thereof, all of which constitute one instrument.

"**Contract Documents**" means the Agreement, Design-Build (DB) Specifications, DB Standard and Supplemental Specifications, Special Provisions, the Scope of Services Package, the successful Proposer's Proposal Documents, the successful Proposer's Price Proposal, and all provisions required by law to be inserted in the Contract whether actually inserted or not. Whenever separate publications and the Unified Facilities Guide Specifications are referenced in the Contract Documents, it is understood to mean the publication and Specifications, as amended, which are current on the date of Advertisement, unless otherwise noted.

"**Deficiency**" means a material failure of an SOQ to meet the DEARNG's requirements or a combination of significant Weaknesses in an SOQ that increases the risk of unsuccessful Contract performance to an unacceptable level.

"**Delaware Army National Guard**" means the Delaware Army National Guard or its representatives.

"**Delaware Army National Guard Project Manager**" means the engineer representing the DEARNG and having direct supervision of the administration and execution of the Contract.

"**DEARNG**" means the Delaware Army National Guard.

"**Design-Build**" means a project delivery methodology by which the DEARNG contracts with a single legal entity that has responsibility for the design and construction of a project under a single contract with the DEARNG.

"**Design-Builder**" means the Single Legal Entity selected pursuant to the RFP that enters into the Contract with the DEARNG to design and construct the Project (also referred to as the "DB Team").

"**Design Manager**" means a Specialty Subcontractor, or in-house designer that leads the team furnishing or performing the design of the Project.

"**Independent Assurance**" means activities that are unbiased and independent (of the Design-Builder or Project staff) evaluation of all the design, sampling and testing procedures, equipment calibration, and qualifications of personnel (Design-Builder's or DEARNG's) used in the acceptance program, including the Design-Builder's Quality Control (QC). The DEARNG, or a firm retained by the DEARNG, will perform Independent Assurance (IA).

"**Instructions To Proposers**" means those documents containing directions for the preparation and submittal of information by the Proposers in response to the RFP.

"**Lead Architect**" means a Specialty Subcontractor, or in-house designer that leads the team furnishing or performing the Architectural design of the Project.

"**Lead Engineer**" means a Specialty Subcontractor, or in-house designer that leads the team furnishing or performing the Mechanical, Electrical, Structural, or Civil/site design of the Project.

"**Lead Principal Participant**" means the Principal Participant that is designated by the Proposer as having the lead responsibility for managing the Proposer's organization.

"**Person**" means any individual, firm, corporation, company, Limited Liability Company (LLC), Joint Venture (JV), or partnership.

"**Principal Participant**" means any of the following entities: The Submitter or Proposer; Individual firms, general partners, or Joint Venture members of the Submitter or Proposer; and/or;
All Persons and legal entities holding (directly or indirectly) a 15% or greater interest in the Submitter or Proposer.

"**Project**" means the improvements to be designed and constructed by the Design-Builder and all other Work product to be provided by the Design-Builder in accordance with the Contract Documents.

"Proposal" means the offer (in response to the RFP) of the Proposer for the Work, when executed and submitted in the prescribed format and on the prescribed forms.

"Proposer" means a Single Legal Entity submitting an RFP if selected for the Short-List, an entity submitting a Proposal.

"Quality Assurance" means all planned and systematic actions by the DEARNG necessary to provide confidence that all Work complies with the Contract and that all material incorporated in the Work and all equipment and all elements of the Work will perform satisfactorily for the purpose intended. Actions include, but are not limited to: design audits, checks and reviews; oversight, including specification compliance reviews, document control, and working plan review; material Verification Sampling and Testing at production sites and the Project site; oversight of manufacturing/processing facilities and equipment; oversight of on-site equipment, calibration of test equipment, and acceptance or rejection of material based on verification and QC testing; and documentation of Quality Assurance (QA) activities. Quality Assurance also includes IA testing, the DEARNG's Project Manager's written acceptance, final inspection, and final acceptance.

"Quality Assurance Program" means the overall quality program and associated activities including the DEARNG's QA/QC, the Design-Builder's QC, the Contract quality requirements, and the Design-Builder's quality plan.

"Quality Control" means the total of all activities performed by the DEARNG, Design-Builder, architect, subcontractors, producers, or manufacturers to ensure that a product meets Contract requirements. Quality Control includes design reviews and checks; inspection of material handling and construction; calibration and maintenance of sampling and testing equipment; working plan review; document control; production process control; and any inspection, sampling, and testing done for these purposes. Quality Control also includes documentation of QC efforts.

"Quality Control Manager" means the individual employed by the Design-Builder who is responsible for the overall QC program of the Design-Builder, including the quality of management, design, and construction.

"Reference Documents" means the documents provided with and so designated in the RFP. The Reference Documents, including plans contained therein and/or so designated, are not Contract Documents and are provided to the Proposers for informational purposes.

"Request For Proposals" means a written solicitation issued by the DEARNG seeking Proposals to be used to identify the Proposer offering the best value to the DEARNG. The RFP includes the Instructions To Proposers (ITP), Contract Documents, and Reference Documents. This document is issued only to Proposers that are on the Short-List.

"Request For Qualifications" means the written solicitation issued by the DEARNG seeking SOQs to be used to identify and short-list the most highly qualified Submitters to receive the RFP for the Project.

"Scope of Services Package" means the Scope of Services, Performance Specifications, Utility Requirements, Preliminary Engineering (PE)/Preliminary Design, and Environmental Requirements. The Scope of Services Package is one part of the Contract Documents.

"Secretary" means the Secretary of the Department.

"Short-List" means the list of those Submitters that have submitted SOQs that the DEARNG determines, through evaluation of the SOQs, are the most highly qualified Persons and that will be invited to submit Proposals in response to an RFP.

"Single Legal Entity" means the corporation, JV, LLC, partnership, or other type of legal entity with which the DEARNG will execute the DB Contract for this Project. A Proposer/Submitter may have a prime/subcontractor relationship with many different types of subcontractors, including Architects and constructors, a prime/subcontractor doesn't fulfill the Single Legal Entity requirement.

"Statement Of Qualifications" means the information prepared and submitted by a Submitter in response to this RFQ. The Statement Of Qualifications includes the Letter Of Interest (LOI).

"Submitter" means a Single Legal Entity submitting a SOQ to provide all services required for the Project in response to this RFQ.

"Weakness" means a flaw in the SOQ that increases the risk of unsuccessful Contract performance. A significant Weakness in the SOQ is a flaw that appreciably increases the risk of unsuccessful Contract performance.

"Work" means the furnishing of all labor, material, equipment, and other incidentals necessary or convenient to the successful completion of the Project and the carrying out of all the duties and obligations imposed by the Contract.

2.0 ABBREVIATIONS AND DEFINITIONS

These RFQ/RFP documents include abbreviations and specific defined terms as indicated below.

Abbreviations

AA	Aluminum Association
AAN	American Association of Nurserymen

FORM C - PRINCIPAL PARTICIPANTS AND DESIGN CERTIFICATION

Name of Submitter: _____

Complete a separate Form C for each Principal Participant, Design Manager, Lead Engineers, and Lead Architect.

1. Has the firm² ever failed to complete any work it agreed to perform or had a contract terminated because it was in default? If yes, describe.

2. Has the firm* or any officer thereof been indicted or convicted of bid or other contract related crimes or violations or any felony or misdemeanor related to performance under a contract? If yes, describe.

3. Has the firm* ever sought protection under any provision of any bankruptcy act? If yes, describe.

4. Has the firm* ever been debarred or suspended from performing work for the federal government or any state or local government? If yes, describe.

(Must be signed by an officer of the firm)

Firm Name: _____

Name of Officer: _____

Title: _____

Signature: _____

² (Note: *"Firm" includes any Affiliate, including a parent company or subsidiary companies.)

FORM D - PAST PROJECT DESCRIPTION

Name of Submitter: _____

Name of Firm and DUNS Number: _____	
Project Role: _____	_____ Principal Participant _____ Lead Engineer
Other (Describe): _____	_____ Lead Architect
Years of Experience: Commercial Office Buildings: _____ DoD Projects: _____	
Project Name, Location, Description, and Nature of Work for which the Firm was responsible:	
Describe Building & Site Conditions: (Use additional sheets as necessary to describe project and site conditions)	
List any awards, citations, and/or commendations received for the project:	
Name of Client (Owner/Agency or Contractor): _____	
Address: _____	
Contact Name: _____	Telephone number: _____
Owner's Project or Contract No.: _____	Facsimile number: _____
Original Contract Value (US\$): _____	Final Contract Value (US\$): _____
_____ Percent of Total Work Performed by Firm: _____	
Commencement Date: _____	
Planned Completion Date: _____	Actual Completion Date: _____

FORM E - PAST
PERFORMANCE

(Form Required for Each Firm)

Name of Submitter: _____

Firm Name: _____

Litigation, Claims, Dispute Proceedings and Arbitration

Project/Issue	Owner/Agency Initiated Action	Resolution/Outcome	Action Unresolved or Outstanding?	Current Owner Contact Name, Phone & Fax Nos.

Liquidated Damages

Project Name	Cause of Delay(s)	Amount Assessed	Describe Outstanding Damage Claims by Any Owner	Current Owner Contact Name, Phone & Fax Nos.

FORM E - PAST
PERFORMANCE
