QUESTIONS AND ANSWERS:

- 1) Crystal Structures, a division of Sunshine Rooms, Inc. is a manufacturer and installer of glazed structures, including classroom greenhouses. We would like to provide a quote for the Fairview Middle and High School project for the Appoquinimink School District, but would first like to submit for prior approval. We have thoroughly reviewed the specifications and can meet or exceed all of the requirements. I have attached a substitution request, product brochure, test reports and completed projects list for review. You can see more about our products and projects at our web site listed below. If you could forward this to the appropriate person, it would be appreciated. Please let me know if you feel anything else is needed to ensure a favorable review.
