CHRISTINA SCHOOL DISTRICT

#CHR19037-DF – Bayard School Drinking Fountain Replacements

ADDENDUM No 2

2020/03/05

1.0 NOTICE TO ALL BIDDERS:

1.1. Bidders are hereby notified that this Addendum shall be and hereby becomes part of their Contract Documents, and shall be attached to the Project Manual for this project.

1.2. The following items are intended to revise and clarify the Contract Documents, and shall be included by the Bidder in their proposal.

1.3. Bidders shall verify that their sub-bidders are in full receipt of the information contained herein. Bidders shall acknowledge receipt of each addendum on their Bid Form.

2.0 CLARIFICATIONS:

2.1 Drawings and specifications provided on the State of Delaware procurement website for advertisement purposes should not be used for bidding. Only the documents issued at the Pre-bid Meeting or purchased directly from F-C Architects should be used for bidding purposes.

2.2 This and all future addenda will be emailed to all planholders at the addresses given on the sign-in sheet.

3.0 QUESTIONS:

3.1 Q: Regarding note A03 on DF11.02, is the intent to use salvaged existing locker trim or to buy new material?

A: That is at the contractor’s option; however, the final work must provide neat workmanship and finished appearance acceptable to the Owner.

3.2 Q: 1/DF11.01 and 2/DF11.02 show a total of two sets of existing fountains to be removed. Drawings DF-E10.01, DF-E10.02, and DF-E10.03 show a total of six sets of drinking fountains to be removed. Please confirm that there is a total of six sets of existing fountains to be removed.
A: Drinking fountain units on the First and Second floors have already been removed as part of previous projects. Please note this only applies to the fountain fixtures themselves, and additional demolition and work as shown in the contract documents may be required. Existing fountains on the Third floor are in place as shown on the architectural drawings and must be removed.

3.3 Q: Ceiling note 3 on DF11.02 alludes to the possibility of modifying the existing sprinkler system. Please clarify if you would like the bidders to include modifying the location of the existing sprinkler heads.

A: Include allowance to adjust location of one (1) sprinkler head at each fountain location.

4.0 SUBSTITUTIONS:

4.1 There are no product substitutions. The deadline for substitution requests has expired.

5.0 CHANGES TO THE DRAWINGS:

5.1 There are no changes to the drawings.

6.0 CHANGES TO THE PROJECT MANUAL:

6.1 There are no further changes to the project manual. Please see Addendum 1 for previous changes.

END OF ADDENDUM No 2
