4.0 BIDDERS QUESTIONS:

Question: Is there a warranty on the existing roof? And do you know what manufacture roofing material is there now?

Response: Yes, Soprema is the manufacturer holding the warranty and thier contact person is Tim Wilbur (215) 806-2562.

Question: It was stated at the pre bid that the work that creates noise needs to be performed off hours. Addendum 1 calls for the multi purpose room to be after hours. Due to the type of work on this project, it doesn't seem possible to perform the work quietly. Should this project as a whole be off hours?

Response:..Work creating very loud noises such as major demolition, saw cutting, jack hammering, etc must be done between 3 pm and 11pm.
