**To answer the following questions & extend the opening (due) date:**

1. On page 2, Paragraph F. Work Plan and Design Approach – the request is that we show understanding and experience with “standardization/Pre-purchase program, pre-construction and construction phases on completed CM projects.” Will this project be using a pre-purchase and will a CM be involved in the project?

**No, this project will not be using a pre-purchase and a CM will not be involved.**

2. Does this mean we do NOT need to prepare ANY GSA forms at all? In other words, can we address items III.A.2 through III.I and eliminate requirement III.A.1?

**No, the 330 form has replaced the 254 & 255 forms so we will only require the 330 form. We are allowing the vendors to use the format of their choice for any other information.**

3. **Extend the RFQ opening (or due by date) to Friday, March 14, 2014 at 2:00 PM**
