Delete Section 3.3.2 and replace with the following:

- 3.3.2 Bidders desiring to receive consideration of substitution requests prior to the bid date must make substitution requests in writing, 7 calendar days prior to bid due date. Approved substitutions, revisions to bid documents and responses to bidders questions will be issued by written Addenda two working days prior to the bid due date. Due to time restrictions, Architect may approve product prior to examining product sample, based on product data. Bidders making substitutions as part of their

bid must indicate the proposed manufacturer on the Bid Form. Upon reviewing physical sample, bids may be rejected if the Owner and Architect determine that the substituted items are not equal to the specified item.
