**QUESTIONS AND ANSWERS #2**

- Q8) The “General Evaluation Requirements” item 2 notes “Presentation” as a criteria worth 30 points. Can you please further define this criteria so we can respond accordingly. Is this criteria scoring the overall presentation of our rfp submission, or our oral presentation should we get shortlisted, or our ability to handle public presentations as part of the services scope as needed??**
- A8) These points will be allotted based on the presentations to the District of the firms that are shortlisted.**
- Q9) Could CSD clarify intent of the Apr. 28, 2017 CON application deadline as we have typically seen CON’s submitted in the Aug/Sep timeframe?**
- A9) We would like the CN application, if necessary, completed by April 28, 2017.**
- Q10) Do you plan to shortlist/interview or select directly from the RFP responses?**
- A10) CSD will request presentations/interviews from a shortlist of firms based on the submitted proposals.**
