SUBJECT: ADDENDUM TO REQUEST FOR PROPOSALS (RFP) – CYF11-15 NCC Group Home for Teens

ADDENDUM #1

A number of questions were raised during the bidders' conference held on 4/21/11 for this RFP. The answers to those questions are below:

1. If your copy of the RFP jumps from page 22 to page 49 you are not missing any pages. This was a typo in the original RFP posted to the web.
2. To our knowledge the only zoning restrictions in New Castle County for the placement of inappropriate sexual behavior youth are within the town limits of Newark. However, please check with zoning officials in any location you plan to propose locating the group home. Be sure to specify the difference between youth with a "history of inappropriate sexual behavior" and youth convicted as a sex offender as zoning may be premised upon the latter. Please include in your proposal any specific information provided to you by zoning officials on this topic.
3. The \$816,918 identified in the RFP is an annual amount for this service.
4. As was discussed during the bidders' conference DFS previously had a similar group home in Townsend, Delaware. A request was made for outcomes for that group home. DFS has determined that this previous group home never operated at the level planned for this proposed group home. Therefore, any data related to that previous program would not be informative or provide any sort of guidance with regard to this proposed group home.
5. There are no restrictions placed on this proposed group home as a result of any possible federal funding which may be used to support the program.

All other terms and conditions remain the same.
