**Request for Proposals**

**Professional Services Requested Under RFP**

The State of Delaware's Department of Services for Children, Youth, and Their Families (DSCYF) Division of Prevention and Behavioral Health Services (DPBHS) is seeking proposals from qualified individuals to provide professional contract services required to implement a new federal grant. DPBHS has received a 4 year System of Care (SOC) Expansion Implementation Grant from the Substance Abuse and Mental Health Services Administration's (SAMHSA) Center for Mental Health Services. DPBHS will use this grant to expand and sustain SOC values and principles statewide to address children and youth with serious emotional disturbance (SED).

The SOC approach is based on the recognition that the needs of children with SED can best be met within their home, school, and community, and that families and youth should be a driving force in making decisions about the services they receive and the systems in which services are delivered. Services, across a full array of behavioral health services and supports, are organized on an individualized basis into a coordinated system of care to meet the unique clinical, functional and cultural needs of each child and family. These core values and principles of SOC will guide the work of this grant. DPBHS and its contractors endorse a system of care which values work that is family-driven, youth-guided, strength-based, culturally competent, and individualized.

Goals of the grant include:

- Goal 1: Transform the system as part of overall health system change to provide services statewide to children with Medicaid, CHIP, or without insurance within a statewide, culturally competent child behavioral health system of care.
  - Objective 1: Increase access to services to address demand for children with SED.
  - Objective 2: Enhance electronic data systems to comport with health system requirements.
  - Objective 3: Enhance behavioral health care and primary health care integration.
  - Objective 4: Enhance system ability to assess behavioral health outcomes for children and their families.
- Goal 2: Create sustainable training and technical assistance strategy to facilitate ongoing learning, coaching, and practice improvement that supports fidelity to SOC values and principles.
- Goal 3: Expand child and family involvement in all levels of SOC implementation.
- Goal 4: Partner collaboratively with other key child-serving systems to address behavioral effects of trauma.
- Goal 5: Sustain SOC implementation statewide.

Professional service areas to be contracted as a result of this RFP are as follows (details provided in subsequent pages):

- 1 Family Coordinator
- 1 Data Analyst

**How to Respond to this RFP:**

A cover letter must be submitted along with the completed proposal and required signed forms. A separate proposal must be submitted for each service area bid.

**Compensation** is competitive and will be negotiated based on qualifications, experience, and expertise. However, the estimated annual compensation per service type is anticipated to be approximately: \$62,000 for the Family Coordinator and \$73,000 for the Data Analyst. Payment will likely be made on either a monthly or bi-weekly basis. The independent contractor is responsible for payment of any and all federal, state, or local taxes that may apply. The state will not provide Health Care or Pension Benefits. The successful bidders must accept full

payment by conventional check and/or other electronic means and/or procurement (credit) card at the State's option, without imposing any additional fees, costs or conditions.

**A Delaware Business License** is required for all independent contractors at the time of contract execution, but not at time of proposal submission. Successful bidders **must** obtain and maintain a Delaware business license for the term of the contractual agreement.

DSCYF reserves the right not to award contracts for the service areas included in this RFP. Contract start dates may vary depending on the length of the negotiations and other factors, but it is the Department's goal to begin service delivery as soon as possible.

It is estimated that both the Family Contact and Management Analyst position will require approximately 37.5 hours per week to complete the required tasks. Unless specified in the resulting contract, all independent contractors will be based in the Wilmington, Delaware area.

**FOR ANY FORMER AND CURRENT STATE EMPLOYEE WHO IS INTERESTED IN COMPETING FOR THIS CONTRACT:**

To ensure compliance with the State's Code of Conduct post-employment law (which provides that former State employees may not work on State projects if they were directly and materially related to their work as State employees), it is required that current State of Delaware employees who respond to this RFP contact Deborah Weaver, Esq. (302-739-2399), attorney for the Delaware Public Integrity Commission. Ms. Weaver will assist such individuals in reviewing their situation, determining if a request to the Commission for advice is needed, and in drafting an appropriate letter to the Commission if necessary. Where such a letter is indicated, it must be submitted for consideration by the Commission at its regularly scheduled monthly meeting.

Individuals wishing to submit a proposal in response to this RFP who receive a pension benefit from the State Employee's Pension Plan are required to complete Form-SS-8 "Determination of Worker Status" with the Internal Revenue Service. The application and findings from the Internal Revenue Service must be reported to the Delaware Board of Pension Trustees for a determination of the individual meeting the definition of employee within the Plan. For more information visit <http://delawarepensions.com>.

**Criminal Background Check:**

Pursuant to 31 Del.C. section 309, bidders awarded a contract resulting from this RFP are required to pass a criminal background check (state and federal) prior to signing a contract.

All information required by Delaware Code shall be forwarded to the DSCYF which will assess the information and make a determination of suitability based on the type of offenses, recency, record since the offenses, and responsibilities of the bidder.

In addition, all bidders awarded a contract will be required to obtain certification from DSCYF as to whether the individual is named in the Central Register as the perpetrator of a report of child abuse.

For the purpose of this Agreement, licensed independent professionals including, but not limited to, physicians, psychologists, social workers and counselors shall not be considered "subcontractors" as that term is used in this paragraph.
- E. Non-Assignability. The CONTRACTOR shall not assign the contract or any portion thereof without prior written approval of the DEPARTMENT and subject to such conditions and provisions as the DEPARTMENT may deem necessary. No such approval by the DEPARTMENT of any assignment shall be deemed to provide for the incurrence of any obligations of the DEPARTMENT in addition to the total agreed upon price of the Contract.
- F. Interpretation.
1. Third Party Beneficiary Exclusion. This Contract is executed solely for the mutual benefit of the PARTIES. It is the express intention of the PARTIES that no provision of this Contract should be interpreted to convey any rights or benefits to any third party.

If the CONTRACTOR is suspended or excluded from participation in the Medicaid Assistance Program of the State of Delaware or another state or from the Medicare Program, or charged with sanctions or violation of such programs, the CONTRACTOR shall promptly notify the DEPARTMENT in writing of such charges, sanctions, violations, suspension or exclusion. CONTRACTOR agrees such suspension, exclusion, violations, sanctions, or charges may, at the DEPARTMENT's discretion, be deemed a material breach of this Contract and good cause for immediate termination of this Contract, and the DEPARTMENT shall not be liable for any services provided after the date of such termination.

#### H. Records and Audits.

Failure by the CONTRACTOR to accord the DEPARTMENT reasonable and timely access for on or off-site program review or to necessary records for programmatic or organizational audit may, at the DEPARTMENT'S discretion, be deemed a material breach of this Contract and good cause for immediate termination of this Contract, and the DEPARTMENT shall not be liable for any services provided after the date of such termination.
  3. Costs Owning. The cost of any Contract audit disallowances resulting from the examination of the CONTRACTOR's financial records will be borne by the CONTRACTOR. In the event the CONTRACTOR is successful in an action under the antitrust laws of the United States and/or the State of Delaware against a vendor, supplier, subcontractor, or other party who produces particular goods or services to the CONTRACTOR that impact on the budget for this Contract, the CONTRACTOR agrees to reimburse the DEPARTMENT the pro rata portion of the damages awarded that are attributable to the goods and/or services used by the CONTRACTOR to fulfill the requirements of this Contract. In the event the CONTRACTOR refuses or neglects after reasonable notice by the DEPARTMENT to bring such antitrust action, the CONTRACTOR will be deemed to assign such action to the DEPARTMENT.
