Dear Bidder:

The Department of Services for Children, Youth and Their Families' Division of Prevention and Behavioral Health Services would like to thank you for submitting a proposal in response to its RFP #CYF 15-07 to provide After School and Summer Youth Prevention Services.

After review of the proposals with great attention given to the geographic areas of most need, a distribution of services statewide and the available financial resources to fund these programs it was determined that your proposal was one recommended for contract award for either Goal #1 (Prevention), Goal #2 (Reading) or both which could best meet the needs of the Department and Delaware's youth.

If your agency submitted proposals for multiple areas and goals please know this letter does not acknowledge a recommendation for "all" proposals submitted by your agency.

This recommendation and ultimate contract award is contingent upon successful negotiations. With receipt of this letter, we are providing you with formal notice of this award pending the aforementioned negotiations.

Please contact Daphne Warner with the Division of Prevention and Behavioral Health Services at 302-892-6443 **for details of your recommendation** and to make necessary arrangements to complete the contract negotiations.

Thank you,
