TO: ALL POTENTIAL BIDDERS

SUBJECT: ADDENDUM TO REQUEST FOR PROPOSALS (RFP) – CYF15-01 Independent Living Services and Transitional Living Services

RFP CYF15-01 Questions/Answers
ADDENDUM #2

The following is a list of questions and answers prepared for potential bidders:

- Does 'substitute care' on pages 13-14 of the RFP refer to the care of the State (i.e. DFS) or the care of an IL program? **Substitute care is another term for foster care. Thus the measure references youth that are/were under the care of the state and provided with IL services by a contracted agency.**
- Does the State want bidders to propose target numbers for each measure listed under the outcomes on pages 13-14 in the RFP, or is the State just informing bidders of what we will need to track and the ultimate result (laid out in the overall outcomes) we will need to achieve? **The Outcome Measures are the expected achievements. They will be tracked both by the successful bidder and through reporting measures available through the Department's FACTS system. Bidders are not being asked to propose any target numbers.**

All other terms and conditions remain the same.
