Re: 23-2013 AASF Paint Room Renovation at DEARNG, New Castle County, DE

Dear Mr. Coats:

I am responding to your request for a category determination for the 23-2013 AASF Paint Room Renovation at DEARNG, which is a state funded construction project located in New Castle County, DE. The work consists of relocating existing utilities, new make-up air unit on the roof, upgrade existing fire protection system, install explosion proof electrical devices, and install new prefabricated paint booth. You estimate the total cost of construction for this project to be \$280,000.00.

Based upon the information you provided the Department of Labor has determined that this project is a Building Construction project.

Delaware's Prevailing Wage Regulations provide that the rates applicable to a project are the rates in effect on the date of publication of the specifications for that project. I have enclosed a certified copy of the March 14, 2014, prevailing wage rates for Building Construction to be included in your bid specification. However, please be advised that, in the event that a contract for a project is not executed within one hundred and twenty (120) days from the earliest date the specifications were published, the rates in effect at the time of the execution of the contract shall be the applicable rates for the project.

If you have any questions or I can provide any additional assistance, please do not hesitate to contact me at (302) 451-3409.

Sincerely,

Kyle Maguire
