18. SOLICITATION OF STATE EMPLOYEES

Until contract award, vendors shall not, directly or indirectly, solicit any employee of the State of Delaware to leave the State of Delaware's employ in order to accept employment with the vendor, its affiliates, actual or prospective contractors, or any person acting in concert with vendor, without prior written approval of the State of Delaware's contracting officer. Solicitation of State of Delaware employees by a vendor may result in rejection of the vendor's proposal.

This paragraph does not prevent the employment by a vendor of a State of Delaware employee who has initiated contact with the vendor. However, State of Delaware employees may be legally prohibited from accepting employment with the contractor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a vendor discovers that they have done so, they must terminate that employment immediately.

The parties to the contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

It may be at the State of Delaware's discretion as to the location of work for the contractual support personnel during the project period.

20. TEMPORARY PERSONNEL ARE NOT STATE EMPLOYEES UNLESS AND UNTIL THEY ARE DIRECTLY HIRED

Vendor agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation shall remain the employee(s) of Vendor for all purposes including any required compliance with the Affordable Care Act by the Vendor. Vendor agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Solicitation must be provided any benefits, including any healthcare benefits by the State of Delaware and Vendor agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation, Vendor agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this Solicitation, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. This is not a termination for convenience and will not be converted to such.

44. DISPUTE RESOLUTION

At the option of, and in the manner prescribed by the Office of Management and Budget (OMB), the parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiation between executives who have authority to settle the controversy and who are at a higher level of management than the persons with direct responsibility for administration of this Agreement. 45. TERMINATION OF CONTRACT

The contract resulting from this ITB may be terminated as follows by Enter Agency Name.

a. Termination for Cause: If, for any reasons, or through any cause, the Vendor fails to fulfill in timely and proper manner its obligations under this Contract, or if the Vendor violates any of the covenants, agreements, or stipulations of this Contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Vendor of such termination and specifying the effective date thereof, at least thirty (30) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Vendor under this Contract shall, at the option of the State, become its property, and the Vendor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State.

On receipt of the contract cancellation notice from the State, the Vendor shall have not less than five (5) days to provide a written response and may identify a method(s) to resolve the violation(s). A vendor response shall not effect or prevent the contract cancellation unless the State provides a written acceptance of the vendor response. If the State does accept the Vendor's method and/or action plan to correct the identified deficiencies, the State will define the time by which the Vendor must fulfill its corrective obligations. Final retraction of the State's termination for cause will only occur after the Vendor successfully rectifies the original violation(s). At its discretion the State may reject in writing the Vendor's proposed action plan and proceed with the original contract cancellation timeline.

b. Termination for Convenience: The State may terminate this Contract at any time by giving written notice of such termination and specifying the effective date thereof, at least sixty (60) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, models, photographs, reports, supplies, and other materials shall, at the option of the State, become its property and the Vendor shall be entitled to receive compensation for any satisfactory work completed on such documents and other materials, and which is usable to the State.

c. Termination for Non-Appropriations: In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. 51. VENDOR EMERGENCY RESPONSE POINT OF CONTACT

The awarded vendor(s) shall provide the name(s), telephone, or cell phone number(s) of those individuals who can be contacted twenty four (24) hours a day, seven (7) days a week where there is a critical need for commodities or services when the Governor of the State of Delaware declares a state of emergency under the Delaware Emergency Operations Plan or in the event of a local emergency or disaster where a state governmental entity requires the services of the vendor. Failure to provide this information could render the proposal as non-responsive.

In the event of a serious emergency, pandemic or disaster outside the control of the State, the State may negotiate, as may be authorized by law, emergency performance from the Contractor to address the immediate needs of the State, even if not contemplated under the original Contract or procurement. Payments are subject to appropriation and other payment terms.

52. SUBCONTRACTS

Subcontracting is permitted under this ITB and contract. However, every subcontractor shall be identified in the Proposal (Attachment E) and agreed to in writing by the State or as are specifically authorized in writing by the Agency during the performance of the contract. requirements of the ITB and with all local, State and Federal Laws. The Vendor shall be liable for any noncompliance by any subcontractor. Further, nothing contained herein or in any subcontractor agreement shall be construed as creating any contractual relationship between the subcontractor and the State.

If a company elects to be a subcontractor for another vendor, the subcontractor may not independently bid on this solicitation.

53. AGENCY'S RESPONSIBILITIES

The Agency shall:

- a. Examine and review in detail all letters, reports, drawings and other documents presented by the Vendor to the Agency and render to the Vendor in writing, findings and decisions pertaining thereto within a reasonable time so as not to delay the services of Vendor.
- b. Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor's services.
- c. When an ordering agency first experiences a relatively minor problem or difficulty with a vendor, the agency will contact the vendor directly and attempt to informally resolve the problem. This includes failure to perform by the date specified and any unacceptable difference(s) between the purchase order and the merchandise received. Ordering agencies should stress to vendors that they should expedite correction of the differences because failure to reply may result in an unfavorable rating in the execution of the awarded contract.
- d. The state has several remedies available to resolve non-performance issues with the contractor. The Agency should refer to the Contract Terms and Conditions to view these remedies. When a default occurs, the Agency should first review the contract to confirm that the issue is a part of the contract. If the issue is not covered by the contract, the state cannot expect the contractor to perform outside the agreement. If the issue is a part of the contract, the Agency or GSS - Contracting must then contact the contractor, discuss the reasons surrounding the default and establish a date when the contractor will resolve the non-performance issue.
- e. If there is a performance deficiency, a Corrective Action Report (CAR) may be used. Complete this form to report concerns with vendors or commodities. Be sure to furnish as much detail as possible. <http://gss.omb.delaware.gov/divisionwide/forms.shtml>.

54. CONFIDENTIALITY

Subject to applicable law or the order of a court of competent jurisdiction to the contrary, all documents submitted as part of the vendor's proposal will be treated as confidential during the evaluation process. As such, vendor proposals will not be available for review by anyone other than the State of Delaware/Proposal Evaluation Team or its designated agents. There shall be no disclosure of any vendor's information to a competing vendor prior to award of the contract unless such disclosure is required by law or by order of a court of competent jurisdiction.

The State of Delaware and its constituent agencies are required to comply with the State of Delaware Freedom of Information Act, [29 Del. C. § 10001, et seq. \("FOIA"\)](#). FOIA requires that the State of Delaware's records are public records (unless otherwise declared by FOIA or other law to be exempt from disclosure) and are subject to inspection and copying by any person upon a written request. Once a proposal is received by the State of Delaware and a decision on contract award is made, the content of

selected and non-selected vendor proposals will likely become subject to FOIA's public disclosure obligations.

The State of Delaware wishes to create a business-friendly environment and procurement process. As such, the State respects the vendor community's desire to protect its intellectual property, trade secrets, and confidential business information (collectively referred to herein as "confidential business information"). Proposals must contain sufficient information to be evaluated. If a vendor feels that they cannot submit their proposal without including confidential business information, they must adhere to the following procedure or their proposal may be deemed unresponsive, may not be recommended for selection, and any applicable protection for the vendor's confidential business information may be lost.

In order to allow the State to assess its ability to protect a vendor's confidential business information, vendors will be permitted to designate appropriate portions of their proposal as confidential business information.

Vendor(s) may submit portions of a proposal considered to be confidential business information in a separate, sealed envelope labeled "Confidential Business Information" and include the specific RFP number. The envelope must contain a letter from the Vendor's legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by 29 Del. C. § 10002, and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed. A vendor's allegation as to its confidential business information shall not be binding on the State. The State shall independently determine the validity of any vendor designation as set forth in this section. Any vendor submitting a proposal or using the procedures discussed herein expressly accepts the State's absolute right and duty to independently assess the legal and factual validity of any information designated as confidential business information. Accordingly, Vendor(s) assume the risk that confidential business information included within a proposal may enter the public domain.

55. PRICE NOT CONFIDENTIAL

Vendors shall be advised that as a publically bid contract, no Vendor shall retain the right to declare their pricing confidential.

56. NO PRESS RELEASES OR PUBLIC DISCLOSURE

The State of Delaware reserves the right to pre-approve any news or broadcast advertising releases concerning this solicitation, the resulting contract, the work performed, or any reference to the State of Delaware with regard to any project or contract performance. Any such news or advertising releases pertaining to this solicitation or resulting contract shall require the prior express written permission of the State of Delaware.

The State will not prohibit or otherwise prevent the awarded vendor(s) from direct marketing to the State of Delaware agencies, departments, municipalities, and/or any other political subdivisions, however, the Vendor shall not use the State's seal or imply preference for the solution or goods provided.

DOC SECURITY REQUIREMENTS & PROCEDURES

I. REQUIREMENTS FOR ALL VENDORS/CONTRACTORS:

The Delaware Department of Correction (DDOC) has established criteria for authorized entry into a correctional facility by Vendors/Contractors conducting business with the Department and requires the Vendor/Contractor to complete a Security Clearance Application (**APPENDIX A**) and complete the Prison Rape Elimination (PREA) Acknowledgement Form (**APPENDIX B**) prior to entering a DDOC facility. This security criterion shall be observed by all professional service visitors, volunteers, vendors, contractors, subcontractors (if any) and any applicable employee providing services in relation to the contract. While working inside the prison facilities, it must be clearly understood that prison security requirements will at all times take precedence over service and/or construction operations. The vendor shall comply with all such regulations and consider the regulations when preparing their bid response.

II. CONTRACTORS PERFORMING CONSTRUCTION/REPAIR SERVICES:

A. Site Security

The list shall include name, social security number, age, sex, race and date of birth. This list shall include all sub-contractors (if any) and any vendors requiring access to the secure perimeter of the facility.
- 2) Each trade subcontractor shall notify the Maintenance Superintendent twenty four (24) hours in advance, but not later than 12:00 Noon, on the previous work day before sending men to the project site so an officer can be assigned to accompany all his personnel.
- 3) Contractors are required to notify the Regional Maintenance Superintendent/or Security Superintendent upon the termination of worker's services in order that the identification card on file can be pulled and rendered inactive.
- 4) Contractor must carry a Photo Identification Card.

- 6) Anything of unusual nature as loss of a key, identification cards, tools, piping, etc., shall be reported immediately to the escorting officer.
- 7) In the event that construction requires the disruption of plumbing, electrical power, etc., the Regional Maintenance Superintendent must receive at least twenty four (24) hours advance notice in order to preserve security and not to disrupt routine activities. When temporary shutdown of service is unavoidable, the work shall be completed at night during a time when the institution's routine will not be interfered.
- 8) Workers will be denied access to controlled areas should they have relatives or close friends incarcerated in the facility.

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

- 11) Prison Records - Where a workman or representative visiting the institution has a prison record, the trade subcontractor shall be responsible for obtaining the particulars concerning his record and notifying the institution at least seventy two (72) hours in advance of his visit. The institution will then notify the trade subcontractor and either provide or deny permission for that person to enter the institution. Any workman denied entrance to the institution must be replaced by the trade subcontractor or subcontractor at no additional cost.
- 12) Workmen Lunch Area/Searches
 1. Workmen are expected to stay in their respective working areas during their lunch period unless leaving the grounds is permitted.
 2. All workmen are expected to submit to a search of themselves, toolboxes, lunch containers, and vehicles at any time if the search is deemed necessary.
- 13) It is forbidden to aid or abet the escape of any inmate, or to advise, connive or assist in any escape, or to conceal any inmate after escape, or withhold information pertaining thereto. APPENDIX B

A GUIDE TO THE PREVENTION AND REPORTING OF SEXUAL ABUSE AND MISCONDUCT WITH OFFENDERS**PREA Information for Contractors, Vendors, and Volunteers with Limited Contact with Offenders**

Please Read, Sign, and Return this Acknowledgement Form with the Security Clearance Application

Staff Sexual Misconduct

Delaware Department of Correction (DDOC) policy 8.60 specifically forbids any activity associated with or that promotes acts of sexual conduct, including sexual harassment between offenders and DOC staff. In this definition, “staff” includes: contractors, vendors and volunteers of the DOC. An “offender” means someone incarcerated in a correctional facility or under supervision in the community. DDOC policy 8.60 contains detailed descriptions of what constitutes sexual misconduct and staff misconduct of a sexual nature (Policy 8.60 is available on the DDOC website at: http://www.doc.delaware.gov/downloads/policies/policy_8-60.pdf)

Forms of sexual misconduct include, but are not limited to:

1. Any behavior of a sexual nature directed toward an offender by a Department staff, contract staff, or volunteer.
2. Inappropriate touching between offenders and staff.
3. All completed, attempted, threatened, or requested sexual acts between Department staff and the offender.
4. Sexual comments and conversations with sexually suggestive innuendos or double meanings.
5. Display or transmittal of sexually suggestive posters, objects, or messages.

Depending on the investigation findings of an alleged incident, the outcome may result in the loss of your job/assignment and the possibility of criminal charges. In addition, persons accused of sexual harassment in civil or criminal proceedings may be held personally liable for damages to the person harassed.

An Abuse of Power

Due to the imbalance of power between offenders and staff in correctional settings, sexual interactions between staff (who have power) and offenders (who lack power) are unprofessional, unethical and illegal. Some offenders who lack power may become sexually involved with staff in an effort to equalize the imbalance of power. Occasionally an offender may try to use sex to improve his/her standing or circumstances (e.g., better job, avoid disciplinary action, affect a release plan, gain privileges, etc.). As a DOC contractor, vendor or volunteer, your designated assignments place you in a position of authority over the offenders with whom you interact in a professional capacity. It is not possible to have a relationship as equals because you have a responsibility to maintain custody, evaluate work performance, and/or provide input to issues that affect release dates, return to prison, or other sanctions.

Because of the imbalance of power between offenders and staff, vendors, contractors and volunteers, there can never be a consensual relationship between staff and offenders. In fact, the law states “consent” is not a defense to prosecution. Here are some factors to consider.

Some staff don't think of offenders as 'victims' of staff sexual misconduct, especially when the offender appears to be a willing participant or even initiated the sexual or 'romantic' interactions with a staff member. The offender is always the victim because of the imbalance of power. The consent or willingness of an offender to participate may be a survival strategy or a learned response to previous or current victimization. Many offenders have a history of victimization (physical and/or sexual abuse), which may make them especially vulnerable to the sexual overtures of persons in positions of authority. Their perception of affection/love may be skewed by this background of abuse, making it impossible for them to refuse advances of a staff member.

In some instances, particularly for female offenders, their survival in the community has been directly related to using their sexuality to obtain the means to survive. Coupled with low self-esteem, this carries over into their conduct in prison and while under community supervision.

As the person in authority, it is your responsibility to discourage, refuse and report any overtures as well as maintain professional boundaries at all times. Boundaries in relationships can be difficult. If you question your professional boundaries with an offender or feel uncomfortable with his/her actions or advances toward you, talk to another person you respect and/or bring this matter to the attention of a DOC employee before it gets out of control.

Red Flags:

The following are behaviors or 'red flags' that may signal you or someone you work with is in danger of engaging in sexual misconduct with an offender:

- Spending a lot of time with a particular offender
- Change in appearance of an offender or staff member
- Deviating from agency policy for the benefit of a particular offender
- Sharing personal information with an offender
- Horseplay
- Overlooking infractions of a particular offender
- Doing favors for an offender
- Consistently volunteering for a particular assignment or shift
- Coming to work early/staying at work late
- Flirting with an offender

Some Other Things to Consider:

Amorous or sexual relationships with an offender are seldom a secret. Such behavior will subject you to disrespect and manipulation from other offenders that may be aware of your situation. Once in a relationship, professional judgment becomes clouded and the normal defenses that exist to protect you will be compromised. When acting on emotions, you may take actions that would otherwise be considered inappropriate in a correctional environment (either in custody or in the community).

Amorous or sexual relationships are inappropriate and illegal when they occur between an offender and any staff member, contractor, vendor or volunteer. Offenders depend upon staff to provide for their board and care, ensure their safety, address their health care needs, supervise their work and conduct, and act as role models for socially acceptable conduct. Your conduct and the decisions you make reflect not only on your own reputation, but also on that of your peers and the agency you represent.

How to Maintain Appropriate Boundaries:

Most staff/offender sexual misconduct occurs only after seemingly innocent professional boundaries have been crossed. The following behaviors will assist you in maintaining appropriate boundaries:

- Maintain professional distance
- Focus behavior on duties and assignments
- Do not become overly close with offenders
