<b>TERMS OF CONTRACT AMENDMENT:</b>	Effective September 1, 2013, the undersigned hereby agree to modify the existing contract to include additional staffing of mental health clinicians at Howard R. Young Correctional Institution while inmates are housed in the HRYCI gymnasium because of increased inmate population. Additional staffing is only temporary and will revert back to previous staffing levels once the HRYCI gymnasium is no longer used to house inmates. Therefore, the additional, one-time sum of \$40,000 is added to purchase order. No other payment(s) shall be made for additional staffing at this institution. One additional licensed clinician is also required at Baylor Women's Correctional Institution due to the increase in the number of inmates that need to be seen. Additional clinician at BWCI will start December 1, 2013, therefore, \$35,000 is added to purchase order to cover remainder of FY14 for BWCI position. The total annual contract for FY14 shall be \$12,404,980. The services provided shall be according to the same terms and conditions as set forth in the original contract dated June 7, 2012 of the Inmate Substance Abuse/Mental Health Services Contract in effect from July 1, 2012 and terminating on June 30, 2014.
