I. INTRODUCTION

A. PURPOSE

The purpose of this Request for Proposal is to obtain sealed proposals to secure an agency that can function under the umbrella of DOC and offer pre-trial supervision of low to moderate risk misdemeanor offenders.

It is the goal of this Request for Proposal to identify a vendor(s) and execute a contract to provide professional services.

1. COMPETITIVE SEALED PROPOSAL

It has been determined by the Department of Correction, pursuant to **Delaware Code Title 29, Chapter 6924 (a)** that this solicitation be offered as a request for competitive sealed proposals because the use of competitive sealed bidding is not practical and/or not in the best interest of the State. The use of competitive sealed proposals is necessary to:

- Use a contract other than a fixed-price type; or
- Conduct oral or written discussions with vendors concerning technical and price aspects of their proposals; or
- Afford vendors an opportunity to revise their proposals through best and final offers; or
- Compare the different price, quality and contractual factors of the proposals submitted; or
- Award a contract in which price is not the determining factor.

2. CONTRACT REQUIREMENTS

This contract will be issued to an agency that can function under the umbrella of the Department of Correction and offer pretrial supervision of low to moderate risk misdemeanor offenders. The primary purpose would be to implement pretrial supervision in such a manner that their clients would comply with court orders at least 85% of the time with a monthly breach rate less than 10%. In addition, the successful agency would provide resource referrals to augment the individual's ability to comply with court orders by providing services such as transportation to court, or day care services (as examples).

3. AGENCY USE CONTRACT

Pursuant to 29 Del. C. [§6904](#)(e) respectively, if no state contract exists for a certain good or service, covered agencies may procure that certain good or service under another agency's contract so long as the arrangement is agreeable to all parties. Agencies, other than covered agencies, may also procure such goods or services under another agency's contract when the arrangement is agreeable to all parties.

4. CONTRACT PERIOD

Each Vendor's contract shall be valid for a 1 year period from date of award. Each contract may be renewed for two (2) one (1) year periods through negotiation between the Vendor and Department of Correction. Negotiation may be initiated no later than ninety (90) days prior to the termination of the current agreement.

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

The State reserves the right to extend this contract on a month-to-month basis for a period of up to three months after the term of the full contract has been completed.

II. SCOPE OF WORK

A. OVERVIEW

The Vendor(s) shall provide all equipment, materials and labor to supplement the State of Delaware's need for third party pretrial supervision as described herein. The contract will require the Vendor(s) to cooperate with the ordering agency to insure the State receives the most current state-of-the-art material and/or services.

B. BACKGROUND

Pretrial detention is a form of detention in which someone is kept detained in a government facility while she or he awaits legal proceedings, such as a trial. Their crimes can range from traffic offenses to capital murder. A Court is to consider the risk of flight and the safety of the victim and/or community when determining a bail type and bail amount.

In Delaware, people in detention are usually held in a segregated portion of the prison separated from sentenced offenders. These prisoners are not considered guilty of any crime; although, they are deprived of their freedom and usually have their activities restricted, while they are in detention. In Delaware, 86% of men and 92% of women, are released from Detention within 90 days. The average stay is 45 days.

Between February and the end of June 2014, 289 people were ordered to pretrial supervision. Of that total, 126 were scored as low, 101 were scored as medium, and 21 were scored as high on the Justice of the Peace Court Risk Assessment Instrument. Forty one cases were not scored. From January 2013 to 2014, there has been an estimated 30% increase in total cases on pretrial supervision.

In lieu of being detained in a correctional facility, secured, unsecured and/or cash bail can be offered to someone arrested for a crime at the time of arraignment. However, there are some crimes where bail is not permissible. Bail is some form of [property](#) deposited or pledged to a [court](#) to persuade it to release a suspect from [jail](#), on the understanding that the suspect will return for [trial](#) or forfeit the bail (and possibly be brought up on charges for [failure to appear](#)). To date, Delaware does not have a published bail schedule, but does have recommended bail guidelines. Therefore, bails may have wide ranges for similar crimes. The need for bail is to assure that the accused will appear for trial and not corrupt the legal process by absconding.

Misdemeanors are considered a crime of low seriousness, frequently benchmarked against the degree to which the crime affects others or society. Low risk misdemeanor offenders typically include (but are not limited to) crimes such as vagrancy, prostitution, disorderly conduct, trespassing, vandalism, reckless driving, first time possessions of small amounts of drugs, public intoxication, trespassing, petty theft, burglary, etc. The penalty for a conviction of a Class A misdemeanor crime can range from a \$2,300K fine to a maximum of 1 year in prison. The penalty for a conviction of a Class B misdemeanor crime can range from a \$1,150K fine to a maximum of 6 months in prison. In addition, bail is typically set at \$5,000 or below; however, there is no standard for bail setting.

Pretrial supervision includes all, but not limited to the following:

- providing an appropriate level of contact by phone and in person
- monitoring offenders' activities
- offering referrals to resources and services within the community

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

- endowing coaching and mentoring
- building rapport with clients
- attending court with offender, including preparation for appearance and court expectations
- providing transportation
- generating status and progress reports monthly and at least 2 weeks prior to trial or plea date
- providing tracking data to DOC

The general profile of an offender who can most benefit from this type of service (in order not to breach supervision or miss court appearances) is one that cannot afford to make bail, homeless, unemployed, early/initial drug users first entering the penal system, and those with low social coping skills. A community agency approach of these early offenders may assist in integrating them back into the community and prevent the cycles of recidivism.

C. STATEMENT OF NEEDS

The goal is to reduce the number of pretrial detentioners under the Department of Correction's supervision, especially non-violent misdemeanor defendants. The reduction target population may include those who are low to moderate risk and cannot meet bail due to poverty.

The purpose of this contract is to secure an agency that can function under the umbrella of DOC and offer pre-trial supervision of low to moderate risk misdemeanor offenders in New Castle County, DE. (The contracted) agency's primary purpose would be to implement pre-trial supervision in such a manner that their clients would comply with court orders at least 85% of the time with a monthly breach rate less than 10%. In addition, the agency would provide resource referrals to augment (the supervised offender's) capacity to function daily and not breach court orders. Some tangible services also would be offered, such as transportation to court or securing day care services for an offender's child so that the offender could appear in court.

D. DETAILED REQUIREMENTS

The technical requirements of this RFP are stated in Appendix A.

III. FORMAT FOR PROPOSAL

N. PROPOSAL EXPIRATION DATE

Vendor is fully responsible for the completeness and accuracy of their proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of vendor. Should vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, vendor shall notify the State of Delaware's Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor's proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, no later than ten (10) calendar days prior to the time set for opening of the proposals.

Exceptions shall be considered only if they are submitted with the bid or before the date and time of the bid opening.

It is the applicant's responsibility to select the appropriate 1099 Withholding Type and Class. If incorporated, a business is not subject to 1099 reporting unless the business is providing legal or medical services.

Any questions about completing this form or specific comments about a form that you have submitted, please contact vendor services by phone at 302-672-5000.

Y. SUBCONTRACTS

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

The State of Delaware is a public agency as defined by state law, and as such, it is subject to the Delaware Freedom of Information Act, 29 *Del. C.* Ch. 100. Under the law, all the State of Delaware's records are public records (unless otherwise declared by law to be confidential) and are subject to inspection and copying by any person. Vendor(s) are advised that once a proposal is received by the State of Delaware and a decision on contract award is made, its contents will become public record and nothing contained in the proposal will be deemed to be confidential except proprietary information.

Vendor(s) shall not include any information in their proposal that is proprietary in nature or that they would not want to be released to the public. Proposals must contain sufficient information to be evaluated and a contract written without reference to any proprietary information. If a Vendor feels that they cannot submit their proposal without including proprietary information, they must adhere to the following procedure or their proposal may be deemed unresponsive and will not be recommended for selection. Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed.

If the vendor does not have any documents it declares confidential or proprietary, Attachment 5 should be completed by checking the appropriate box found at the top of the attachment.

In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Vendor in the performance of the P.O. shall, at the option of the Agency, become its property, and the Vendor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the Agency.
- b. **Termination for Convenience:** The Agency may terminate the P.O. at any time by giving written notice of such termination and specifying the effective date thereof, at least sixty (60) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, models, photographs, reports, supplies, and other materials shall, at the option of the department, become its property and the Vendor shall be entitled to receive compensation for any satisfactory work completed on such documents and other materials which are usable to the Agency.
- c. **Termination for Non-Appropriations:** In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. This is not a termination for convenience and will not be converted to such.

42. TERMINATION OF CONTRACT

The contract awarded as a result of this RFP may be terminated as follows by Department of Correction.

- a. **Termination for Cause:** If, for any reasons, or through any cause, the Vendor fails to fulfill in timely and proper manner its obligations under this Contract, or if the Vendor violates any of the covenants, agreements, or stipulations of this Contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Vendor of such termination and specifying the effective date thereof, at least thirty (30) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Vendor under this Contract shall, at the option of the State, become its property, and the Vendor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State.

On receipt of the contract cancellation notice from the State, the Vendor shall have not less than five (5) days to provide a written response and may identify a method(s) to resolve the violation(s).

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

A vendor response shall not effect or prevent the contract cancellation unless the State provides a written acceptance of the vendor response. If the State does accept the Vendor's method and/or action plan to correct the identified deficiencies, the State will define the time by which the Vendor must fulfill its corrective obligations. Final retraction of the State's termination for cause will only occur after the Vendor successfully rectifies the original violation(s). At its discretion the State may reject in writing the Vendor's proposed action plan and proceed with the original contract cancellation timeline.

- b. Termination for Convenience:** The State may terminate this Contract at any time by giving written notice of such termination and specifying the effective date thereof, at least sixty (60) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, models, photographs, reports, supplies, and other materials shall, at the option of the State, become its property and the Vendor shall be entitled to receive compensation for any satisfactory work completed on such documents and other materials, and which is usable to the State.
- c. Termination for Non-Appropriations:** In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. This is not a termination for convenience and will not be converted to such.

43. CHANGES

Both parties may, from time to time, require changes in the services to be provided by the Vendor under the Scope of Work. Such changes, including any increase or decrease in the amount of the Vendor's compensation, which are mutually agreed upon by and between the Agency and the Vendor shall be incorporated in written amendments to the Purchase Order or contract.

44. INTEREST OF VENDOR

The vendor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree in providing products or performing services required under this contract. The vendor further covenants, that in the performance of this contract, no person having any such interest shall be employed.

45. PUBLICATION, REPRODUCTION AND USE OF MATERIAL

No material produced in whole or part under this contract shall be subject to copyright in the United States or in any other country. The State shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data, or other materials prepared under this contract; provided, however, that the State agrees not to use any design or engineering plans prepared by the vendor for anything other than their intended purpose under this Contract. The Vendor shall have the right to publish any and all scientific findings. Appropriate acknowledgment and credit for the State's support shall be given in the publication.

46. RIGHTS AND OBLIGATIONS

The rights and obligations of each party to this agreement shall not be effective, and no party shall be bound by the terms of this agreement, unless and until a valid executed purchase order has been

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

approved by the Secretary of Finance, and all procedures of the Department of Finance have been complied with. A separate purchase order shall be issued for every project or order.

47. ASSIGNMENT OF ANTITRUST CLAIMS

As consideration for the award and execution of this contract by the State, the Vendor hereby grants, conveys, sells, assigns, and transfers to the State of Delaware all of its right, title and interest in and to all known or unknown causes of action it presently has or may now or hereafter acquire under the antitrust laws of the United States and the State of Delaware, relating to the particular goods or services purchased or acquired for the State pursuant to this contract.

48. TESTING AND INSPECTION

The State of Delaware reserves the right to conduct any test or inspection it may deem necessary to insure equipment, materials and services conform to contract requirements.

49. COVENANT AGAINST CONTINGENT FEES

The Vendor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees. For breach or violation of this warranty, the State shall have the right to annul this contract without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fees.

50. GRATUITIES

- a. If it is found, after notice and hearing, by the State that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by the Vendor or any agent of the State with a view toward securing a contract, or securing favorable treatment with respect to the awarding, amending, or the making of any determinations with respect to the performance of this contract, the State may, by written notice to the Vendor, terminate the right of the Vendor to proceed under this contract and/or may pursue such other rights and remedies provided by law or under this agreement; provided that the existence of the facts upon which the State makes such findings shall be in issue and may be reviewed in proceedings pursuant to the Remedies clause of this contract; and
- b. In the event this contract is terminated pursuant to subparagraph "a", the State shall be entitled (i) to pursue the same remedies against the Vendor, and (ii) to exemplary damages, as a penalty in addition to any other damages to which it may be entitled by law, in an amount which shall be not less than three, nor more than ten, times the costs incurred by the Vendor in providing any such gratuities to any such officer or employee. The amount of such exemplary damages shall be in the sole discretion of the State.

51. AFFIRMATION

The Vendor must affirm that within the past five (5) years the firm or any officer, controlling stockholder, partner, principal, or other person substantially involved in the contracting activities of the business is not currently suspended or debarred and is not a successor, subsidiary, or affiliate of a suspended or debarred business.

52. AUDIT ACCESS TO RECORDS

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

The Vendor shall maintain books, records, documents, and other evidence pertaining to this Contract to the extent and in such detail as shall adequately reflect performance hereunder. The Vendor agrees to preserve and make available to the State, upon request, such records for a period of five (5) years from the date services were rendered by the Vendor. Records involving matters in litigation shall be retained for one (1) year following the termination of such litigation. The Vendor agrees to make such records available for inspection, audit, or reproduction to any official State representative in the performance of their duties under the Contract. Upon notice given to the Vendor, representatives of the State or other duly authorized State or Federal agency may inspect, monitor, and/or evaluate the cost and billing records or other material relative to this Contract. The cost of any Contract audit disallowances resulting from the examination of the Vendor's financial records will be borne by the Vendor. Reimbursement to the State for disallowances shall be drawn from the Vendor's own resources and not charged to Contract cost or cost pools indirectly charging Contract costs.

53. REMEDIES

Except as otherwise provided in this contract, all claims, counterclaims, disputes, and other matters in question between the State and the Vendor arising out of, or relating to, this contract, or a breach of it may be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State of Delaware.

54. SUBCONTRACTS

Subcontracting is permitted under this RFP and contract. However, every subcontractor shall be identified in the Proposal (Attachment 7) and agreed to in writing by the State or as are specifically authorized in writing by the Agency during the performance of the contract. Any substitutions in or additions to such subcontractors, associates, or consultants will be subject to the prior written approval of the State.

The vendor(s) shall be responsible for compliance by the subcontractor with all terms, conditions and requirements of the RFP and with all local, State and Federal Laws. The vendor shall be liable for any noncompliance by any subcontractor. Further, nothing contained herein or in any subcontractor agreement shall be construed as creating any contractual relationship between the subcontractor and the State.

55. AGENCY'S RESPONSIBILITIES

The Agency shall:

- a. Examine and review in detail all letters, reports, drawings and other documents presented by the Vendor to the Agency and render to the Vendor in writing, findings and decisions pertaining thereto within a reasonable time so as not to delay the services of Vendor.
- b. Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor's services.
- c. When an ordering agency first experiences a relatively minor problem or difficulty with a vendor, the agency will contact the vendor directly and attempt to informally resolve the problem. This includes failure to perform by the date specified and any unacceptable difference(s) between the purchase order and the merchandise received. Ordering agencies should stress to vendors

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

that they should expedite correction of the differences because failure to reply may result in an unfavorable rating in the execution of the awarded contract.

- d. The state has several remedies available to resolve non-performance issues with the contractor. The Agency should refer to the Contract Terms and Conditions to view these remedies. When a default occurs, the Agency should first review the contract to confirm that the issue is a part of the contract. If the issue is not covered by the contract, the state cannot expect the contractor to perform outside the agreement. If the issue is a part of the contract, the Agency or GSS - Contracting must then contact the contractor, discuss the reasons surrounding the default and establish a date when the contractor will resolve the non-performance issue.
- e. If there is a performance deficiency, a Corrective Action Report (CAR) may be used. Complete this form to report concerns with vendors or commodities. Be sure to furnish as much detail as possible. <http://gss.omb.delaware.gov/divisionwide/forms.shtml>.

56. CONTRACT DOCUMENTS

The Definitions and General Provisions and any Special Instructions, Specifications, Request for Proposal, Proposal, Purchase Order, and Contract shall be a part of and constitute the entire Agreement entered into by the State of Delaware and any Vendor. In the event there is any discrepancy between any of these contract documents, the following order of documents governs so that the former prevails over the latter:

- Contract
- Request for Proposal
- Specifications or Scope of Work
- Definitions & General Provisions
- Proposal
- Purchase Order
- Special Instruction

57. ASSIGNMENT

STATE OF DELAWARE
DEPARTMENT OF CORRECTION

disaster where a state governmental entity requires the services of the vendor. Failure to provide this information could render the proposal as non-responsive.

In the event of a serious emergency, pandemic or disaster outside the control of the State, the State may negotiate, as may be authorized by law, emergency performance from the Contractor to address the immediate needs of the State, even if not contemplated under the original Contract or procurement. Payments are subject to appropriation and other payment terms.

60. NO PRESS RELEASES OR PUBLIC DISCLOSURE

The State of Delaware reserves the right to pre-approve any news or broadcast advertising releases concerning this solicitation, the resulting contract, the work performed, or any reference to the State of Delaware with regard to any project or contract performance. Any such news or advertising releases pertaining to this solicitation or resulting contract shall require the prior express written permission of the State of Delaware.

The State will not prohibit or otherwise prevent the awarded vendor(s) from direct marketing to the State of Delaware agencies, departments, municipalities, and/or any other political subdivisions, however, the Vendor shall not use the State's seal or imply preference for the solution or goods provided.

C. AWARD AND EXECUTION OF CONTRACT

VII. BID PROTEST CLAUSES

A. Discrepancies and Omissions – Pre-Submission Protest Available; Waiver

1. Vendor is fully responsible for the completeness and accuracy of their proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of vendor. Should vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions of any kind arise concerning this RFP, vendor shall notify the State of Delaware's Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor's proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.
2. A Vendor's failure to advise DOC in writing of perceived discrepancies, omissions, unclear or ambiguous intent or meaning, legal error or any other basis that might render this procurement process or the resulting contract unenforceable as set forth in this RFP shall be considered a waiver of any and all objections by the Vendor and shall constitute a self-executing agreement to hold DOC harmless as a result of any such waiver.
3. Protests based on any omission or error, or in relation to any portion of the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, within ten (10) calendar days prior to the time set for opening of the proposals.

B. Post-Submission Protest Available; Waiver

DOC will advise each proposing party within 2 days of the award of a contract to one or more of the proposing parties. Protests after the contract has been awarded can be submitted to DOC_Purchasing_Mailbox@state.de.us and must include thorough explanation(s) for the basis of same. Post-Submission protests must be submitted as set forth herein no later than 10 days from the date upon which the vendor was notified of a contract award. Filing a protest will not necessarily interrupt a contract from being executed however such a remedy may be requested in any post-submission protest letter. Post-submission protest letters which lack reasonable specificity as to facts, sections of the RFP, applicable statutes, and applicable legal principles shall be rejected and DOC shall consider such protests void ab initio. The failure to exhaust all administrative remedies available to the vendor shall be considered by DOC in the event of any litigation relating to this RFP or the award of any contract contemplated by this RFP. Any vendor who fails to raise an objection or protest based upon subject matter that could have been raised in a pre-submission protest shall be deemed to have waived and voluntarily abandoned any such basis for said protest. The Department will review the protest letter with appropriate Bureau Chief, Bureau Chief of Management Services and Counsel, and provide a written response within thirty (30) calendar days.
