RFP # DOE 2015-16**

I. Overview

The State of Delaware Department of Education (DDOE) seeks assistance in the development and execution of a Delaware Report Card (DRC). The DRC will be a printable, Snapshot version of a Snapshot Report Card for school, district and state education performance linked to the Online Report Card (please see coordinated RFP). The Vendor will be responsible for a scope of work that includes the design and implementation of Snapshot Report Card as detailed below. DDOE intends that the DRC will be live for public use by August 24, 2015.

This request for proposals (“RFP”) is issued pursuant to 29 *Del. C.* §§ [6981](#) and [6982](#).

The proposed schedule of events subject to the RFP is outlined below:

Public Notice	Date: May 5, 2015
Deadline for Questions	Date: May 15, 2015
Response to Questions Posted by:	Date: May 21, 2015
Deadline for Receipt of Proposals	Date: June 3, 2015 at 3:00 PM (Local Time)
Estimated Notification of Award	Date: July 17, 2015

Each proposal must be accompanied by a transmittal letter which briefly summarizes the proposing firm’s interest in providing the required professional services. The transmittal letter must also clearly state and justify any exceptions to the requirements of the RFP which the applicant may have taken in presenting the proposal. (Applicant exceptions must also be recorded on Attachment 3). Furthermore, the transmittal letter must attest to the fact that no activity related to this proposal contract will take place outside of the United States. The State of Delaware Department of Education reserves the right to deny any and all exceptions taken to the RFP requirements.

MANDATORY PREBID MEETING

A mandatory pre-bid meeting has not been established for this Request for Proposal.

A. Project Overview

The purpose of the RFP is to solicit support in the design and execution of Snapshot printable report card that will provide a visually appealing and easy to understand access to information about schools. Design and content decisions will be vetted by a to-be-formed Report Card Steering Committee that will include representatives from DDOE, advocacy groups, schools and districts, and associations. The Vendor will be responsible for the following:

1. Participate in meetings with the Delaware Department of Education and an assembled School Report Card Steering Committee to identify report card visual and functional design preferences.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

2. Design and generate school, district and state at-a-glance education performance report cards, to eventually be hosted on the Delaware Report Card Portal.
3. Providing examples and options of report card templates for consideration.
4. Completing a presentation of options and soliciting feedback from districts at a meeting on May 28, 2015.

Background

The Delaware Department of Education (DDOE) has traditionally produced state, district and school-level report cards of education performance. The primary objective of these report cards was to comply with state and federal laws by publishing required school performance data. Therefore, these report cards were designed to provide the required information for compliance regardless of whether or not the information was useful or easy to understand by the average reader.

DDOE currently maintains the Delaware School Profiles [website](#) to view educational data at the state, district and school levels. Information is provided on a number of federally required measures, including: enrollment, graduation rates, safety and discipline, and finances, among others. The website is not ideally suited for informing students, parents, teachers, administrators, policymakers, business representatives, community groups, or the broader public about the performance of schools in Delaware.

To better communicate to a general audience, DDOE intends to launch a new Delaware Report Card Portal (DRC) prior to the start of the 2015-16 school year. The DRC will provide a newly designed one-page printable report card referred to in this RFP as a “Snapshot Report Card.” In addition to the new, more public-friendly format, the new DRC will match the Delaware Report Card Portal (DRCP) – being developed during the 2015-16 school year – as well as = other education data portals maintained by the State to ensure that there is seamless interactivity for parents, researchers and the general public.

Delaware Report Card Portal Description

Snapshot Report Card

The Snapshot Report Card is a one-page, printable document that displays key performance measures and other information about the school or district in an easy-to-understand format. It is designed to be a simple, consistent document for all schools across the state to distribute to their families and communities to inform stakeholders how the school is performing. The Snapshot for each school or district should be available on that school or district’s pages on the Online Report Card (developed separately), and should be delivered in PDF format.

The Snapshot Report Card will be limited to one page, front and back, which restricts the amount of information that can be effectively included on it. It is the intent of the DDOE that the Snapshot Report Card provides a basic, at-a-glance information as effectively as possible while encouraging the reader to visit the Online Report Card for a deeper dive into the data.

Information to be included on the Snapshot Report Card will be informed by feedback on a public statewide survey, statewide focus groups, and stakeholder committee feedback, with the final approval of the Secretary of Education. At a minimum, the Snapshot will provide school performance information in the following areas:

- Academic Achievement, including both current status on state summative assessments and individual student growth on those assessments;
- College and Career Readiness;
- Chronic Absenteeism; and
- On-track to Graduation.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

Not all data metrics will apply to all schools and districts. For example, within the College and Career Readiness area there will be metrics that only apply to schools with students in grades 3-5 or 6-8 and therefore does not need to appear on a high school Snapshot Report Card. Therefore, there are several different templates that will need to be developed for the Snapshot Report Cards. All templates will share a common look and most data metrics, but there are some variations in the metrics displayed. The templates likely to be developed are as follows:

- Elementary / Middle School template for schools only serving students in grades K-8 or a subset of those grades;
- High School template for schools only serving students in grades 9-12 or a subset of those grades;
- K-12 School template for schools serving students within both the ranges of K-8 and 9-12;
- K-12 School District template for districts with schools serving students within both the ranges of K-8 and 9-12;
- High School District template for districts with schools only serving students in grades 9-12 or a subset of those grades; and,
- State of Delaware template that shows how all schools in Delaware are performing.

Depending on feedback from stakeholder groups, the Snapshot Report Card may include other things such as: additional education performance metrics (or links to additional data), information about the school or district, or a list of Frequently Asked Questions. The Snapshot should also incorporate a way, either through hyperlinks or a Quick Response (“QR”) Code, to navigate to the school or district’s Overview page on the Online Report Card.

The Vendor should be prepared to look at other states, and other sample report cards, to both be familiar with possible layout and inclusion options as well as to provide some consultation on design. All report card options will have community input.

Target Audience

The design and execution of the DRCP will be guided by three key questions:

Who is the intended audience?

The intended audience for the report card includes parents, teachers, community members, legislators, and advocates. These are stakeholders that have great potential for influencing students, whether it is a legislator that has the ability to pass a law that impacts students across the state or a parent that has great influence over what school their child attends. The intended audience is not compliance auditors or educational data analysts/researchers, thus the redesigned report card is geared towards delivering meaningful information in a user-friendly and intuitive way to people from multiple backgrounds and levels of expertise.

What information must the report card impart to this audience and what is it intended to help them understand?

Information presented on the report card will be meaningful, accessible and contextual.

- **Meaningful** – Each metric to be included on the report card will have meaning for the reader. DDOE is currently engaged in a process to survey Delaware residents about the types of information they would like included on a report card. Decisions pertaining to what metrics will be included in the Snapshot Report Card will be made prior to the process to design the DRC. The Vendor is not expected to help identify that information.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

- Accessible – The information shown is displayed in a way that emphasizes understandability for, at a minimum, individuals with limited knowledge of the education system and related performance measures. For example, comparative box and whisker plots might be useful for researchers but are too complicated to be useful for the average parent. Information has to be shown in a way that is most easily understood by the intended audience.
- Contextual - Even if the audience understands a particular data element, they also need to understand how it fits into the overall picture, and data must be presented in a way that emphasizes what they mean for this individual school in the broader context.

How will the information shared with this audience lead them to take some sort of action that leads to the intended result of improved student outcomes?

Simply providing information cannot be the end goal of the report card. It is a means to an end – action that improves student outcomes. There are many ways the action taken by the audience could result in improved student outcomes, including among other things, increased parent involvement at the school, clearer expectations for students, better understanding of school, district and state educational strengths and weaknesses, and consistency of data as a foundation for community conversations about education performance.

Requirements and Scope of Work

The Vendor will be responsible for the development, management, administration and maintenance of the project task plan and schedule, based on the approach, methodology and tools used successfully by the Vendor in previous engagements. The Vendor will be responsible for regular reporting against the plan, recommending corrective actions to be taken in the event of unanticipated changes to the plan or schedule, and regular updates to the plan and schedule to accommodate any changes.

Phases of Work and Deliverables

DDOE is proposing that the project be structured into four phases that assure project completion on time. The project phases provide organizational structure and a clear path for delivery of the resulting key outcomes.

The Vendor’s proposal may alter the project milestones and timeline provided below as long as the launch of the Delaware Report Card Portal is completed on or before August 24, 2015.

In the proposal, the Vendor must present a timeline for all project phases and milestones. The Vendor will obtain authorized DDOE signatures upon completion of each project phase.

Proposed Phase 1: Project Initiation

In this phase, the Vendor will initiate the project by establishing the project structure, the detailed project management plan, and the project team, as well as the communication, scope management, and risk management protocols to be utilized in the project.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

Milestone	Description
1.1 Project Kick-off	<p>This milestone involves an initial meeting between the DDOE Report Card project team and the Vendor’s project team. The Vendor will structure and facilitate this meeting so that the entire project team has a clear understanding of the work to come and each team member understands his or her role. The Vendor should use this day to gather information needed to complete milestones 1.2 and 1.3.</p> <p>The Vendor is also expected to present to a group of district officials around possible report cards and to solicit feedback, in partnership with DDOE staff, on May 28, 2015.</p>
1.2 Project Management Planning	<p>The project management planning phase will clearly establish (in writing) the roles of each person on the project team, expectations for the Vendor and for DDOE staff, as well as protocols for communication, decision making, scope management, and risk management.</p>
1.3 Staffing (if needed)	<p>The Vendor will add staff or subcontractors as needed.</p>
1.4 Requirements Documentation and Work Plan	<p>The requirements documentation phase will result in clear business requirements, system design, and implementation plans for the development of the Online Report Card website and mobile application.</p>

Proposed Phase 2: Design of Online and Snapshot Report Cards and Mobile Application

The first major objective to be accomplished under this new contract is the design, both in terms of look and functionality, of the Delaware Report Card, inclusive of the components unique to the Online Report Card and Snapshot Report Card.

During this phase, the Vendor will engage with the DDOE and a School Report Card Steering Committee to provide feedback on the visual display of the information included in the Snapshot Report Cards. Through the design, the Vendor will maintain a consistent look and feel throughout all components of the DRC.

Milestone	Description
2.1 Requirements Documentation and Detailed Design	<p>The Vendor will work with the DDOE project team and School Report Card Steering Committee through a series of meetings to be held in Delaware to define the visual display. The Vendor will create a development and implementation plan for meeting these requirements, as well as a detailed design document that includes all design elements to be used for the Snapshot Report Card.</p>

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

2.2 Development	The Vendor will develop and test all versions and layouts with DDOE.
2.3 User Feedback	The Vendor will work with DDOE to create and implement a plan to obtain end user feedback in order to ensure design and all features meet the needs of a broad range of users. End users will include members of the Report Card Steering Committee, other stakeholders, and members of the general public.
2.4 Final Design Sign-off	Upon completion of all design elements, the Vendor will secure sign-off from DDOE.

Proposed Phase 3: Launch of the Delaware Report Card Portal and Mobile Application

During this phase, data from the 2014-15 school year will be provided to the Vendor and the Snapshot Report Cards will be generated. This includes quantitative data and other information (as identified by the public through a statewide survey) that will be provided by DDOE to the Vendor in a series of data files as described elsewhere in this RFP.

The Vendor will work with DDOE to set an official public launch date that meets legal requirements and also fits into the project schedule.

It is critical that educators across Delaware are able to preview the new report card in advance of the public launch in order to identify potential data issues and prepare communications materials. The Vendor must allow for an Educator Preview Period by completing all DRC elements at least two weeks prior to the public launch date.

Milestone	Description
3.1 Snapshot Report Cards are generated	The Vendor populates versions of school year 2014-15 the Online and Snapshot Report Cards with data provided by DDOE. The Vendor also creates a test plan and tests the 2014 report cards to ensure that data presented matches data provided by DDOE.
3.2 Official Public Launch Plan	The Vendor will develop a launch plan for the DCR. The plan will detail how the Report Card will go live and suggest opportunities for communications.
3.3 Final Version of Snapshot Report Cards	The Vendor will make available to the DDOE the final versions of the Snapshot Report Cards

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

Proposed Phase 4: Ongoing Maintenance

Following the official public launch of the DRC, the Vendor will be responsible for ongoing maintenance and minor enhancements of the Snapshot Report Card, especially as it integrates with the online portal.

Milestone	Description
4.1 Identify and resolve all immediate data quality issues	Immediately following the official public launch, the Vendor will work with DDOE to identify all data quality issues. The Vendor will log, track, and resolve all such issues as quickly as practicable.
4.2 Identify minor feature gaps and develop plan for incorporating new features throughout the school year	The Vendor will work with DDOE to identify all minor feature gaps based upon end user feedback.

Additional Required Services

The following provides details of the services to be provided by the Vendor through this project.

Technical Architecture

The State has found that the majority of potential Vendors have developed methodologies that are customized to the implementation of their solution. To minimize cost and reduce risk, the State believes it is important for the successful Vendor to use their methodology, applying it to the particular needs of the State of Delaware. The “how” of the project should, therefore, be provided by the Vendor, using a proven methodology, approach and work plan that the Vendor has used successfully in similar engagements.

Notwithstanding, the DRC should meet the following minimum guidelines:

- Include interactive graphics that are minimally burdensome to generate and are resolution independent.
- Design is translatable to any mobile application and common platforms.

Support for Multiple Languages

Students, families, and community members across Delaware speak a very diverse range of languages. It is important to make school information accessible to as wide an audience as possible.

The Vendor will provide multi-lingual support for the Snapshot Report Cards. Languages supported will include English, Spanish, and Haitian Creole, and support will be provided as follows:

Vendor will create Snapshot templates in each of the three languages (or, alternatively, the Vendor may propose a dynamic production process that can generate the Snapshot Report Cards in any of the three languages without requiring the creation of separate templates).

The Vendor is responsible for translating any content on the site.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

Import and Maintenance of Report Card Data

All data displayed on the new DRC are provided to the Vendor by DDOE. Data will be provided to the Vendor by DDOE in a series of data files using both comma-separated values and Microsoft Excel formats. All calculations and data cleansing will be performed by DDOE; the Vendor is responsible for ensuring the data presented on the DRC accurately reflects the data provided by DDOE and is responsible for identifying and resolving any data quality issues in the report card production process, but is not responsible for any data metric calculation or manipulation.

During the initial term and any subsequent renewals, the Vendor will work with DDOE to define a detailed process and schedule for securely transferring data in order to meet the milestones identified in this RFP. As data elements are removed or added to the Report Card, the Vendor will be responsible for modifying its database and working with DDOE staff to modify the data import process.

Production of Snapshot Report Cards

As mentioned earlier in this RFP, the DRC will provide education data to stakeholders in two formats: an Online Report Card website (separate RFP) and a Snapshot report card that is a single-page, one- or two-sided printable PDF. Both formats will be available for every school and district, as well as the state of Delaware. The Snapshot Report Cards show much of the same data as the Online Report Card, but a limited subset due to space constraints.

The primary vehicle for delivering the Snapshot Report Card will be the Online Report Card; visitors to a school's profile at the to-be-identified URL address should be able to click a button and download the Snapshot Report Card for viewing or printing.

The Vendor must put in place a process to generate a Snapshot Report Card for each school and district in the state, populating the appropriate template with all of the school- or district-specific data and information, and to make this Snapshot downloadable on that school or district's profile on the Online Report Card.

As stated earlier, there will be at least six (6) different templates for the Snapshot Report Card that vary depending upon whether the entity is a school or district and which grades are served. The Vendor must produce each school or district's report card using the template that is appropriate for their entity type and grades served.

8. Non-Conforming Proposals

Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not meet the requirements of this RFP. The determination of whether an RFP requirement is substantive or a mere formality shall reside solely within the DDOE.

9. Concise Proposals

The DDOE discourages overly lengthy and costly proposals. It is the desire that proposals be prepared in a straightforward and concise manner. Unnecessarily elaborate brochures or other promotional materials beyond those sufficient to present a complete and effective proposal are not desired. The DDOE's interest is in the quality and responsiveness of the proposal.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

10. Realistic Proposals

It is the expectation of the DDOE that vendors can fully satisfy the obligations of the proposal in the manner and timeframe defined within the proposal. Proposals must be realistic and must represent the best estimate of time, materials and other costs including the impact of inflation and any economic or other factors that are reasonably predictable.

The DDOE shall bear no responsibility or increase obligation for a vendor's failure to accurately estimate the costs or resources required to meet the obligations defined in the proposal.

11. Confidentiality of Documents

All documents submitted as part of the vendor's proposal will be deemed confidential during the evaluation process. Vendor proposals will not be available for review by anyone other than the DDOE/Proposal Evaluation Team or its designated agents. There shall be no disclosure of any vendor's information to a competing vendor prior to award of the contract.

The DDOE is a public agency as defined by state law, and as such, it is subject to the Delaware Freedom of Information Act, [29 Del. C. Ch. 100](#). Under the law, all the DDOE's records are public records (unless otherwise declared by law to be confidential) and are subject to inspection and copying by any person. Vendor(s) are advised that once a proposal is received by the DDOE and a decision on contract award is made, its contents will become public record and nothing contained in the proposal will be deemed to be confidential except proprietary information.

Vendor(s) shall not include any information in their proposal that is proprietary in nature or that they would not want to be released to the public. Proposals must contain sufficient information to be evaluated and a contract written without reference to any proprietary information. If a vendor feels that they cannot submit their proposal without including proprietary information, they must adhere to the following procedure or their proposal may be deemed unresponsive and will not be recommended for selection. Vendor(s) must submit such information in a separate, sealed envelope labeled "Proprietary Information" with the RFP number. The envelope must contain a letter from the Vendor's legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by [29 Del. C. § 10002\(d\)](#), and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, the DDOE will open the envelope to determine whether the procedure described above has been followed.

12. Multi-Vendor Solutions (Joint Ventures)

Multi-vendor solutions (joint ventures) will be allowed only if one of the venture partners is designated as the "**prime contractor**". The "**prime contractor**" must be the joint venture's contact point for the DDOE and be responsible for the joint venture's performance under the contract, including all project management, legal and financial responsibility for the implementation of all vendor systems. If a joint venture is proposed, a copy of the joint venture agreement clearly describing the responsibilities of the partners must be submitted with the proposal. Services specified in the proposal shall not be subcontracted without prior written approval by the DDOE, and approval of a request to subcontract shall not in any way relieve Vendor of responsibility for the professional and technical accuracy and adequacy of the work. Further, vendor shall be and remain liable for all damages to the DDOE caused by

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

negligent performance or non-performance of work by its subcontractor or its sub-subcontractor.

Multi-vendor proposals must be a consolidated response with all cost included in the cost summary. Where necessary, RFP response pages are to be duplicated for each vendor.

a. Primary Vendor

The DDOE expects to negotiate and contract with only one “prime vendor”. The DDOE will not accept any proposals that reflect an equal teaming arrangement or from vendors who are co-bidding on this RFP. The prime vendor will be responsible for the management of all subcontractors.

Any contract that may result from this RFP shall specify that the prime vendor is solely responsible for fulfillment of any contract with the State as a result of this procurement. The State will make contract payments only to the awarded vendor. Payments to any-subcontractors are the sole responsibility of the prime vendor (awarded vendor).

Nothing in this section shall prohibit the DDOE from the full exercise of its options under Section IV.B.16 regarding multiple source contracting.

b. Sub-contracting

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and major subcontractors must be identified by name. **The prime vendor shall be wholly responsible for the entire contract performance whether or not subcontractors are used.** Any sub-contractors must be approved by DDOE.

c. Multiple Proposals

A primary vendor may not participate in more than one proposal in any form. Sub-contracting vendors may participate in multiple joint venture proposals.

13. Sub-Contracting

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and subcontractors must be identified by name. Any sub-contractors must be approved by DDOE.

For the purposes of this RFP, subcontractors are those specifically hired to perform all or part of the work covered by the contract. If subcontractors are to be utilized, Vendor must identify subcontractors with an annual value of more than \$50,000 and the exact amount of money each will receive under the contract.

The Vendor shall notify the State of any additional or substitute subcontractors hired during the term of this contract. If required, Vendor shall provide the State a copy of all such

subcontracts within 15 days after execution of this contract or the subcontract, whichever occurs later.

14. Discrepancies and Omissions

Vendor is fully responsible for the completeness and accuracy of their proposal, and for examining this RFP and all addenda. Failure to do so will be at the sole risk of vendor. Should vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFP, vendor shall notify the DDOE's Designated Contact, in writing, of such findings at least ten (10) days before the proposal opening. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor's proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, at least ten (10) calendar days prior to the time set for opening of the proposals.

a. RFP Question and Answer Process

The DDOE will allow written requests for clarification of the RFP. All questions should be posted on DDOE's website at <http://www.doe.k12.de.us/rfp/Listing/> by **May 15, 2015**. Vendor names will be removed from questions in the responses released. Questions should be submitted in the following format. Deviations from this format will not be accepted.

15. State's Right to Reject Proposals

The DDOE reserves the right to accept or reject any or all proposals or any part of any proposal, to waive defects, technicalities or any specifications (whether they be in the DDOE's specifications or vendor's response), to sit and act as sole judge of the merit and qualifications of each product offered, or to solicit new proposals on the same project or on a modified project which may include portions of the originally proposed project as the DDOE may deem necessary in the best interest of the DDOE.

16. State's Right to Cancel Solicitation

The DDOE reserves the right to cancel this solicitation at any time during the procurement process, for any reason or for no reason. The DDOE makes no commitments expressed or implied, that this process will result in a business transaction with any vendor.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

This RFP does not constitute an offer by the DDOE. Vendor's participation in this process may result in the DDOE selecting your organization to engage in further discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by the DDOE to execute a contract nor to continue negotiations. The DDOE may terminate negotiations at any time and for any reason, or for no reason.

17. State's Right to Award Multiple Source Contracting

Pursuant to 29 Del. C. § 6986, the DDOE may award a contract for a particular professional service to two or more vendors if the agency head makes a determination that such an award is in the best interest of the DDOE.

18. Notification of Withdrawal of Proposal

Vendor may modify or withdraw its proposal by written request, provided that both proposal and request is received by the DDOE prior to the proposal due date. Proposals may be re-submitted in accordance with the proposal due date in order to be considered further.

Proposals become the property of the DDOE at the proposal submission deadline. All proposals received are considered firm offers at that time.

19. Revisions to the RFP

If it becomes necessary to revise any part of the RFP, an addendum will be posted on DDOE's website at <http://www.doe.k12.de.us/rfplisting/> and <http://bids.delaware.gov> DDOE is not bound by any statement related to this RFP made by any State of Delaware employee, contractor or its agents.

20. Exceptions to the RFP

Any exceptions to the RFP, or the DDOE's terms and conditions, or contract template (Attachment 11) must be recorded on Attachment 3. Acceptance of exceptions is within the sole discretion of the evaluation committee.

21. Award of Contract

The final award of a contract is subject to approval by the DDOE. The DDOE has the sole right to select the successful vendor(s) for award, to reject any proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced proposal, to award multiple contracts, or not to award a contract, as a result of this RFP.

Notice in writing to a vendor of the acceptance of its proposal by the DDOE and the subsequent full execution of a written contract will constitute a contract, and no vendor will acquire any legal or equitable rights or privileges until the occurrence of both such events.

a. RFP Award Notifications

After reviews of the evaluation committee report and its recommendation, and once the contract terms and conditions have been finalized, the DDOE will award the contract.

The contract shall be awarded to the vendor whose proposal is most advantageous, taking into consideration the evaluation factors set forth in the RFP.

It should be explicitly noted that the DDOE is not obligated to award the contract to the vendor who submits the lowest bid or the vendor who receives the highest total point

score, rather the contract will be awarded to the vendor whose proposal is the most advantageous to the DDOE. The award is subject to the appropriate DDOE approvals.

After a final selection is made, the winning vendor will be invited to negotiate a contract with the DDOE; remaining vendors will be notified in writing of their selection status.

22. Cooperatives

Vendors, who have been awarded similar contracts through a competitive bidding process with a cooperative, are welcome to submit the cooperative pricing for this solicitation.

C. RFP Evaluation Process

An evaluation team composed of representatives of the DDOE will evaluate proposals on a variety of quantitative criteria. Neither the lowest price nor highest scoring proposal will necessarily be selected.

The DDOE reserves full discretion to determine the competence and responsibility, professionally and/or financially, of vendors. Vendors are to provide in a timely manner any and all information that the DDOE may deem necessary to make a decision.

1. Proposal Evaluation Team

The Proposal Evaluation Team shall be comprised of representatives of the DDOE. The Team shall determine which vendors meet the minimum requirements pursuant to selection criteria of the RFP and procedures established in 29 *Del. C.* §§ [6981](#) and [6982](#). The Team may negotiate with one or more vendors during the same period and may, at its discretion, terminate negotiations with any or all vendors. The Team shall make a recommendation regarding the award to the Delaware Secretary of Education, who shall have final authority, subject to the provisions of this RFP and 29 *Del. C.* § [6982](#), to award a contract to the successful vendor in the best interests of the DDOE.

2. Proposal Selection Criteria

The Proposal Evaluation Team shall assign up to the maximum number of points for each Evaluation Item to each of the proposing vendor's proposals. All assignments of points shall be at the sole discretion of the Proposal Evaluation Team.

The proposals shall contain the essential information on which the award decision shall be made. The information required to be submitted in response to this RFP has been determined by the DDOE to be essential for use by the Team in the bid evaluation and award process. Therefore, all instructions contained in this RFP shall be met in order to qualify as a responsive and responsible contractor and participate in the Proposal Evaluation Team's consideration for award. Proposals which do not meet or comply with the instructions of this RFP may be considered non-conforming and deemed non-responsive and subject to disqualification at the sole discretion of the Team.

The Team reserves the right to:

- Select for contract or for negotiations a proposal other than that with lowest costs.
- Reject any and all proposals or portions of proposals received in response to this RFP or to make no award or issue a new RFP.
- Waive or modify any information, irregularity, or inconsistency in proposals received.
- Request modification to proposals from any or all vendors during the contract review and negotiation.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

- Negotiate any aspect of the proposal with any vendor and negotiate with more than one vendor at the same time.
- Select more than one vendor pursuant to 29 Del. C. §6986.

In response to this RFP, Vendor shall at a minimum provide the following:

- An executive summary that describes the overall objectives and activities of the project.
- A detailed description of the Vendor's approach to each of the deliverables outlined, namely: design and implementation of Snapshot Report Cards as detailed below
- A project work plan with a specific timeline and deliverables that will allow for the hosting and completion of a website and mobile application by August 24, 2015.
- A project cost proposal.
- Description of the technical materials to be produced for this project, as well as any proposed additional communication materials to be developed.
- Information on previous engagements to develop school or district report cards for use by the general public.
- Description of the project team and each team member's roles and responsibilities.
- Information on the background and qualifications of each team member.
- Discussion of any risks or concerns arising from the State's RFP
- Explanation of what is needed from the State to begin the project.

Criteria Weight

All proposals shall be evaluated using the same criteria and scoring process. The following criteria shall be used by the Evaluation Team to evaluate proposals:

Criteria	Weight
Understanding of project scope, objectives and requirements	30%
Vendor experience, qualifications and references	30%
Vendor delivery approach with supporting work plan and schedule	20%
Project Cost	20%
Total	100%

Vendors are encouraged to review the evaluation criteria and to provide a response that addresses each of the scored items. Evaluators will not be able to make assumptions about a vendor's capabilities so the responding vendor should be detailed in their proposal responses.

An evaluation team composed of representatives of DDOE will evaluate proposal on a variety of quantitative criteria. Neither the lowest price nor the highest scoring proposal will necessarily be selected.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

DDOE reserves full discretion to determine competence and responsibility, professional and/or financially, of Vendors. Vendors are to provide in a timely manner any and all information that DDOE may deem necessary to make a decision.

3. Proposal Clarification

The Evaluation Team may contact any vendor in order to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Proposals may not be modified as a result of any such clarification request.

4. References

The Evaluation Team may contact any customer of the vendor, whether or not included in the vendor's reference list, and use such information in the evaluation process. Additionally, the DDOE may choose to visit existing installations of comparable systems, which may or may not include vendor personnel. If the vendor is involved in such site visits, the DDOE will pay travel costs only for DDOE personnel for these visits.

5. Oral Presentations

After initial scoring and a determination that vendor(s) are qualified to perform the required services, selected vendors may be invited to make oral presentations to the Evaluation Team. All vendor(s) selected will be given an opportunity to present to the Evaluation Team.

The selected vendors will have their presentations scored or ranked based on their ability to successfully meet the needs of the contract requirements, successfully demonstrate their product and/or service, and respond to questions about the solution capabilities.

The vendor representative(s) attending the oral presentation shall be technically qualified to respond to questions related to the proposed system and its components. All of the vendor's costs associated with participation in oral discussions and system demonstrations conducted for the DDOE are the vendor's responsibility.

D. Contract Terms and Conditions

1. General Information

- a. The term of the contract between the successful bidder and DDOE shall be for **one year** with **three** possible extensions for a period of **one year** for each extension.
- b. The selected vendor will be required to enter into a written agreement with the DDOE. The DDOE reserves the right to incorporate standard State contractual provisions into any contract negotiated as a result of a proposal submitted in response to this RFP. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by the DDOE. Vendors will be required to sign the contract for all services, and may be required to sign additional agreements.
- c. The selected vendor or vendors will be expected to enter negotiations with the DDOE, which will result in a formal contract between parties. Procurement will be in accordance with subsequent contracted agreement. This RFP and the selected vendor's response to this RFP will be incorporated as part of any formal contract.
- d. The DDOE's standard contract (Attachment 11) will most likely be supplemented with the vendor's software license, support/maintenance, source code escrow agreements, and any other applicable agreements. The terms and conditions of these agreements will be negotiated with the finalist during actual contract negotiations.
- e. The successful vendor shall promptly execute a contract incorporating the terms of this RFP within twenty (20) days after award of the contract. No vendor is to begin any

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

service prior to receipt of a DDOE purchase order signed by two authorized representatives of the agency requesting service, properly processed through the DDOE Accounting Office and the Department of Finance. The purchase order shall serve as the authorization to proceed in accordance with the bid specifications and the special instructions, once it is received by the successful vendor.

- f. If the vendor to whom the award is made fails to enter into the agreement as herein provided, the award will be annulled, and an award may be made to another vendor. Such vendor shall fulfill every stipulation embraced herein as if they were the party to whom the first award was made.

2. Collusion or Fraud

Any evidence of agreement or collusion among vendor(s) and prospective vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such vendor(s) void.

By responding, the vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing vendor submitting a separate response to this RFP, and is in all respects fair and without collusion or fraud; that the vendor did not participate in the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance; and that no employee or official of the DDOE participated directly or indirectly in the vendor's proposal preparation.

Advance knowledge of information which gives any particular vendor advantages over any other interested vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

3. Lobbying and Gratuities

Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to, or in any way attempting to influence a DDOE employee or agent of the DDOE concerning this RFP or the award of a contract resulting from this RFP shall have their proposal immediately rejected and shall be barred from further participation in this RFP.

The selected vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFP upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, the DDOE shall have the right to annul any contract resulting from this RFP without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

All contact with DDOE employees, contractors or agents of the DDOE concerning this RFP shall be conducted in strict accordance with the manner, forum and conditions set forth in this RFP.

4. Solicitation of State Employees

Until contract award, vendors shall not, directly or indirectly, solicit any employee of the DDOE to leave the DDOE's employ in order to accept employment with the vendor, its affiliates, actual or prospective contractors, or any person acting in concert with vendor, without prior written approval of the DDOE's contracting officer. Solicitation of DDOE employees by a vendor may result in rejection of the vendor's proposal.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

This paragraph does not prevent the employment by a vendor of a DDOE employee who has initiated contact with the vendor. However, DDOE employees may be legally prohibited from accepting employment with the contractor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a vendor discovers that they have done so, they must terminate that employment immediately.

5. General Contract Terms

a. Independent Contractors

The parties to the contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

It may be at the DDOE's discretion as to the location of work for the contractual support personnel during the project period. The DDOE may provide working space and sufficient supplies and material to augment the Contractor's services.

b. Licenses and Permits

In performance of the contract, the vendor will be required to comply with all applicable federal, state and local laws, ordinances, codes, and regulations. The cost of permits and other relevant costs required in the performance of the contract shall be borne by the successful vendor. The vendor shall be properly licensed and authorized to transact business in the State of Delaware as provided in 30 *Del. C.* § [2502](#).

Prior to receiving an award, the successful vendor shall either furnish the DDOE with proof of State of Delaware Business Licensure or initiate the process of application where required. An application may be requested in writing to: Division of Revenue, Carvel State Building, P.O. Box 8750, 820 N. French Street, Wilmington, DE 19899 or by telephone to one of the following numbers: (302) 577-8200—Public Service, (302) 577-8205—Licensing Department.

Information regarding the award of the contract will be given to the Division of Revenue. Failure to comply with the State of Delaware licensing requirements may subject vendor to applicable fines and/or interest penalties.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

2. Proprietary Rights Indemnification

If any equipment, software, services (including methods) products or other intellectual property used or furnished by the vendor (collectively "Products") is or in vendor's reasonable judgment is likely to be, held to constitute an infringing product, vendor shall at its expense and option either:

- a. Procure the right for the DDOE to continue using the Product(s);
- b. Replace the product with a non-infringing equivalent that satisfies all the requirements of the contract; or
- c. Modify the Product(s) to make it or them non-infringing, provided that the modification does not materially alter the functionality or efficacy of the product or cause the Product(s) or any part of the work to fail to conform to the requirements of the Contract, or only alters the Product(s) to a degree that the DDOE agrees to and accepts in writing.

e. Insurance

- 1. Vendor recognizes that it is operating as an independent contractor and that it is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the vendor's negligent performance under this contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the vendor in their negligent performance under this contract.
- 2. The vendor shall maintain such insurance as will protect against claims under Worker's Compensation Act and from any other claims for damages for personal injury, including death, which may arise from operations under this contract. The vendor is an independent contractor and is not an employee of the DDOE.
- 3. During the term of this contract, the vendor shall, at its own expense, also carry insurance minimum limits as follows:

c.	Misc. Errors and Omissions	\$1,000,000 per occurrence / \$3,000,000 aggregate
d.	Product Liability	\$1,000,000 per occurrence / \$3,000,000 aggregate

b.	Automotive Property Damage (to others)	\$ 25,000

4. The vendor shall provide a Certificate of Insurance (COI) as proof that the vendor has the required insurance. The COI shall be provided prior to agency contact prior to any work being completed by the awarded vendor(s).
5. The DDOE shall not be named as an additional insured.
6. Should any of the above described policies be cancelled before expiration date thereof, notice will be delivered in accordance with the policy provisions.

The selected Vendor will warrant that it possesses, or has arranged through subcontractors, all capital and other equipment, labor, materials, and licenses necessary to carry out and complete the work hereunder in compliance with any and all Federal and State laws, and County and local ordinances, regulations and codes.

g. Vendor Emergency Response Point of Contact

The awarded vendor(s) shall provide the name(s), telephone, or cell phone number(s) of those individuals who can be contacted twenty four (24) hours a day, seven (7) days a week where there is a critical need for commodities or services when the Governor of the DDOE declares a state of emergency under the Delaware Emergency Operations Plan or in the event of a local emergency or disaster where a state governmental entity requires the services of the vendor. Failure to provide this information could render the proposal as non-responsive.

In the event of a serious emergency, pandemic or disaster outside the control of the State, the State may negotiate, as may be authorized by law, emergency performance from the Contractor to address the immediate needs of the State, even if not contemplated under the original Contract or procurement. Payments are subject to appropriation and other payment terms.

h. Warranty

The Vendor will provide a warranty that the deliverables provided pursuant to the contract will function as designed for a period of no less than one (1) year from the date of system acceptance. The warranty shall require the Vendor correct, at its own expense, the setup, configuration, customizations or modifications so that it functions according to the State's requirements.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

i. Costs and Payment Schedules

All contract costs must be as detailed specifically in the Vendor's cost proposal. No charges other than as specified in the proposal shall be allowed without written consent of the DDOE. The proposal costs shall include full compensation for all taxes that the selected vendor is required to pay.

The DDOE will require a payment schedule based on defined and measurable milestones. Payments for services will not be made in advance of work performed. The DDOE may require holdback of contract monies until acceptable performance is demonstrated (as much as 25%).

j. Penalties

The DDOE may include in the final contract penalty provisions for non-performance, such as liquidated damages.

k. Termination of Contract

The contract resulting from this RFP may be terminated as follows by the Delaware Department of Education.

- 1. Termination for Cause:** If, for any reasons, or through any cause, the Vendor fails to fulfill in timely and proper manner its obligations under this Contract, or if the Vendor violates any of the covenants, agreements, or stipulations of this Contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Vendor of such termination and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Vendor under this Contract shall, at the option of the State, become its property, and the Vendor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials which is usable to the State.

On receipt of the contract cancellation notice from the State, the Vendor shall have no less than five (5) days to provide a written response and may identify a method(s) to resolve the violation(s). A vendor response shall not effect or prevent the contract cancellation unless the State provides a written acceptance of the vendor response. If the State does accept the Vendor's method and/or action plan to correct the identified deficiencies, the State will define the time by which the Vendor must fulfill its corrective obligations. Final retraction of the State's termination for cause will only occur after the Vendor successfully rectifies the original violation(s). At its discretion the State may reject in writing the Vendor's proposed action plan and proceed with the original contract cancellation timeline.

- 2. Termination for Convenience:** The State may terminate this Contract at any time by giving written notice of such termination and specifying the effective date thereof, at least twenty (20) days before the effective date of such termination. In that event, all finished or unfinished documents, data, studies, surveys, drawings, models, photographs, reports, supplies, and other materials shall, at the option of the State, become its property and the Vendor shall be entitled to receive compensation for any satisfactory work completed on such documents and other materials, and which is usable to the State.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

3. Termination for Non-Appropriations: In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds. This is not a termination for convenience and will not be converted to such.

l. Non-discrimination

In performing the services subject to this RFP the vendor, as set forth in Title 19 Delaware Code Chapter 7 section [711](#), will agree that it will not discriminate against any employee or applicant with respect to compensation, terms, conditions or privileges of employment because of such individual's race, marital status, genetic information, color, age, religion, sex, sexual orientation, gender identity, or national origin. The successful vendor shall comply with all federal and state laws, regulations and policies pertaining to the prevention of discriminatory employment practice. Failure to perform under this provision constitutes a material breach of contract.

m. Covenant against Contingent Fees

The successful vendor will warrant that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement of understanding for a commission or percentage, brokerage or contingent fee excepting bona-fide employees, bona-fide established commercial or selling agencies maintained by the Vendor for the purpose of securing business. For breach or violation of this warranty the DDOE shall have the right to annul the contract without liability or at its discretion to deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

n. Vendor Activity

No activity is to be executed in an off shore facility, either by a subcontracted firm or a foreign office or division of the vendor. The vendor must attest to the fact that no activity will take place outside of the United States in its transmittal letter. Failure to adhere to this requirement is cause for elimination from future consideration.

o. Vendor Responsibility

The State will enter into a contract with the successful Vendor(s). The successful Vendor(s) shall be responsible for all products and services as required by this ITB whether or not the Vendor or its subcontractor provided final fulfillment of the order. Subcontractors, if any, shall be clearly identified in the Vendor's proposal by completing Attachment 6, and are subject the approval and acceptance of the Delaware Department of Education.

p. Personnel, Equipment and Services

1. The Vendor represents that it has, or will secure at its own expense, all personnel required to perform the services required under this contract.
2. All of the equipment and services required hereunder shall be provided by or performed by the Vendor or under its direct supervision, and all personnel, including subcontractors, engaged in the work shall be fully qualified and shall be authorized under State and local law to perform such services.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

3. None of the equipment and/or services covered by this contract shall be subcontracted without the prior written approval of the State. Only those subcontractors identified in Attachment 6 are considered approved upon award. Changes to those subcontractor(s) listed in Attachment 6 must be approved in writing by the State.

q. Fair Background Check Practices

Pursuant to 29 Del. C. [§6909B](#) and effective November 4, 2014 the State does not consider the criminal record, criminal history, credit history or credit score of an applicant for state employment during the initial application process unless otherwise required by state and/or federal law. Vendors doing business with the State are encouraged to adopt fair background check practices. Vendors can refer to 19 Del. C. [§711\(g\)](#) for applicable established provisions.

r. Work Product

All materials and products developed under the executed contract by the vendor are the sole and exclusive property of the State. The vendor will seek written permission to use any product created under the contract.

s. Contract Documents

The RFP, the purchase order, the executed contract (sample attached as Appendix 11) and any supplemental documents between the DDOE and the successful vendor shall constitute the contract between the DDOE and the vendor. In the event there is any discrepancy between any of these contract documents, the following order of documents governs so that the former prevails over the latter: contract, DDOE's RFP, Vendor's response to the RFP and purchase order. No other documents shall be considered. These documents will constitute the entire agreement between the DDOE and the vendor.

t. Applicable Law

The laws of the State of Delaware shall apply, except where Federal Law has precedence. The successful vendor consents to jurisdiction and venue in the State of Delaware.

In submitting a proposal, Vendors certify that they comply with all federal, state and local laws applicable to its activities and obligations including:

1. the laws of the State of Delaware;
2. the applicable portion of the Federal Civil Rights Act of 1964;
3. the Equal Employment Opportunity Act and the regulations issued there under by the federal government;
4. a condition that the proposal submitted was independently arrived at, without collusion, under penalty of perjury; and
5. That programs, services, and activities provided to the general public under resulting contract conform to the Americans with Disabilities Act of 1990, and the regulations issued there under by the federal government.

If any vendor fails to comply with (1) through (5) of this paragraph, the DDOE reserves the right to disregard the proposal, terminate the contract, or consider the vendor in default.

The selected vendor shall keep itself fully informed of and shall observe and comply with all applicable existing Federal and State laws and County and local ordinances,

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

regulations and codes, and those laws, ordinances, regulations, and codes adopted during its performance of the work.

u. Severability

If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary in the court's opinion to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

v. Scope of Agreement

If the scope of any provision of the contract is determined to be too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the contract shall not thereby fail, but the scope of such provisions shall be curtailed only to the extent necessary to conform to the law.

w. Affirmation

The Vendor must affirm that within the past five (5) years the firm or any officer, controlling stockholder, partner, principal, or other person substantially involved in the contracting activities of the business is not currently suspended or debarred and is not a successor, subsidiary, or affiliate of a suspended or debarred business.

x. Audit Access to Records

5.4 The review comments of DDOE's designated representatives may be reported in writing as needed to **VENDOR NAME**. It is understood that DDOE's representatives' review comments do not relieve **VENDOR NAME** from the responsibility for the professional and technical accuracy of all work delivered under this Agreement.

5.5 DDOE shall, without charge, furnish to or make available for examination or use by **VENDOR NAME** as it may request, any data which DDOE has available, including as examples only and not as a limitation:

- a. Copies of reports, surveys, records, and other pertinent documents;
- b. Copies of previously prepared reports, job specifications, surveys, records, ordinances, codes, regulations, other document, and information related to the services specified by this Agreement.

VENDOR NAME shall return any original data provided by DDOE.

5.6 DDOE shall assist **VENDOR NAME** in obtaining data on documents from public officers or agencies and from private citizens and business firms whenever such material is necessary for the completion of the services specified by this Agreement.

5.7 **VENDOR NAME** will not be responsible for accuracy of information or data supplied by DDOE or other sources to the extent such information or data would be relied upon by a reasonably prudent contractor.

5.8 DDOE agrees not to use **VENDOR NAME**'s name, either express or implied, in any of its advertising or sales materials. **VENDOR NAME** reserves the right to reuse the nonproprietary data and the analysis of industry-related information in its continuing analysis of the industries covered.

6. Work Product.

6.1 All materials, information, documents, and reports, whether finished, unfinished, or draft, developed, prepared, completed, or acquired by **VENDOR NAME** for DDOE relating to the services to be performed hereunder shall become the property of DDOE and shall be delivered to DDOE's designated representative upon completion or termination of this Agreement, whichever comes first. **VENDOR NAME** shall not be liable for damages, claims, and losses arising out of any reuse of any work products on any other project conducted by DDOE. DDOE shall have the right to reproduce all documentation supplied pursuant to this Agreement.

6.2 **VENDOR NAME** retains all title and interest to the data it furnished and/or generated pursuant to this Agreement. Retention of such title and interest does not conflict with DDOE's rights to the materials, information and documents developed in performing the project. Upon final payment, DDOE shall have a perpetual, nontransferable, non-exclusive paid-up right and license to use, copy, modify and prepare derivative works of all materials in which **VENDOR NAME** retains title, whether individually by **VENDOR NAME** or jointly with DDOE. Any and all source code developed in connection with the services provided will be provided to DDOE, and the aforementioned right and license shall apply to source code. The parties will cooperate with each other and execute such other documents as may be reasonably deemed necessary to achieve the objectives of this Section.

6.3 In no event shall **VENDOR NAME** be precluded from developing for itself, or for others, materials that are competitive with the Deliverables, irrespective of their similarity to the Deliverables. In addition, **VENDOR NAME** shall be free to use its general knowledge, skills and experience, and any ideas, concepts, know-how, and techniques within the scope of its consulting practice that are used in the course of providing the services.

6.4 Notwithstanding anything to the contrary contained herein or in any attachment hereto, any and all intellectual property or other proprietary data owned by **VENDOR NAME** prior to the effective date of this Agreement ("Preexisting Information") shall remain the exclusive property of **VENDOR NAME** even if such Preexisting Information is embedded or otherwise incorporated into materials or products first produced as a

result of this Agreement or used to develop such materials or products. DDOE's rights under this section shall not apply to any Preexisting Information or any component thereof regardless of form or media.

7. Confidential Information.

To the extent permissible under *29 Del. C. § 10001*, et seq., the parties to this Agreement shall preserve in strict confidence any information, reports or documents obtained, assembled or prepared in connection with the performance of this Agreement.

8. Warranty.

8.1 VENDOR NAME warrants that its services will be performed in a good and workmanlike manner. VENDOR NAME agrees to re-perform any work not in compliance with this warranty brought to its attention within a reasonable time after that work is performed.

8.2 Third-party products within the scope of this Agreement are warranted solely under the terms and conditions of the licenses or other agreements by which such products are governed. With respect to all third-party products and services purchased by VENDOR NAME for DDOE in connection with the provision of the Services, VENDOR NAME shall pass through or assign to DDOE the rights VENDOR NAME obtains from the manufacturers and/or vendors of such products and services (including warranty and indemnification rights), all to the extent that such rights are assignable.

9. Indemnification; Limitation of Liability.

9.1 VENDOR NAME shall indemnify and hold harmless the State, its agents and employees, from any and all liability, suits, actions or claims, together with all reasonable costs and expenses (including attorneys' fees) directly arising out of (A) the negligence or other wrongful conduct of the VENDOR NAME, its agents or employees, or (B) VENDOR NAME's breach of any material provision of this Agreement not cured after due notice and opportunity to cure, provided as to (A) or (B) that (i) VENDOR NAME shall have been notified promptly in writing by DDOE of any notice of such claim; and (ii) VENDOR NAME shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise.

9.2 If DDOE promptly notifies VENDOR NAME in writing of a third party claim against DDOE that any Deliverable infringes a copyright or a trade secret of any third party, VENDOR NAME will defend such claim at its expense and will pay any costs or damages that may be finally awarded against DDOE. VENDOR NAME will not indemnify DDOE, however, if the claim of infringement is caused by (1) DDOE's misuse or modification of the Deliverable; (2) DDOE's failure to use corrections or enhancements made available by VENDOR NAME; (3) DDOE's use of the Deliverable in combination with any product or information not owned or developed by VENDOR NAME; (4) DDOE's distribution, marketing or use for the benefit of third parties of the Deliverable or (5) information, direction, specification or materials provided by Client or any third party. If any Deliverable is, or in VENDOR NAME's opinion is likely to be, held to be infringing, VENDOR NAME shall at its expense and option either (a) procure the right for DDOE to continue using it, (b) replace it with a noninfringing equivalent, (c) modify it to make it noninfringing. The foregoing remedies constitute DDOE's sole and exclusive remedies and VENDOR NAME's entire liability with respect to infringement.

9.3 DDOE agrees that VENDOR NAME' total liability to DDOE for any and all damages whatsoever arising out of or in any way related to this Agreement from any cause, including but not limited to contract liability or VENDOR NAME negligence, errors, omissions, strict liability, breach of contract or breach of warranty shall not, in the aggregate, exceed fees paid to VENDOR NAME.

STATE OF DELAWARE

In no event shall **VENDOR NAME** be liable for special, indirect, incidental, economic, consequential or punitive damages, including but not limited to lost revenue, lost profits, replacement goods, loss of technology rights or services, loss of data, or interruption or loss of use of software or any portion thereof regardless of the legal theory under which such damages are sought, and even if **VENDOR NAME** has been advised of the likelihood of such damages.

10. Employees.

10.1 **VENDOR NAME** has and shall retain the right to exercise full control over the employment, direction, compensation and discharge of all persons employed by **VENDOR NAME** in the performance of the services hereunder; provided, however, that it will, subject to scheduling and staffing considerations, attempt to honor DDOE's request for specific individuals.

10.2 Except as the other party expressly authorizes in writing in advance, neither party shall solicit, offer work to, employ, or contract with, whether as a partner, employee or independent contractor, directly or indirectly, any of the other party's Personnel during their participation in the services or during the twelve (12) months thereafter. For purposes of this Section 10.2, "Personnel" includes any individual or company a party employs as a partner, employee or independent contractor and with which a party comes into direct contact in the course of the services.

10.3 Possession of a Security Clearance, as issued by the Delaware Department of Public Safety, may be required of any employee of **VENDOR NAME** who will be assigned to this project.

11. Independent Contractor.

11.1 It is understood that in the performance of the services herein provided for, **VENDOR NAME** shall be, and is, an independent contractor, and is not an agent or employee of DDOE and shall furnish such services in its own manner and method except as required by this Agreement. **VENDOR NAME** shall be solely responsible for, and shall indemnify, defend and save DDOE harmless from all matters relating to the payment of its employees, including compliance with social security, withholding and all other wages, salaries, benefits, taxes, exactions, and regulations of any nature whatsoever.

11.2 **VENDOR NAME** acknowledges that **VENDOR NAME** and any subcontractors, agents or employees employed by **VENDOR NAME** shall not, under any circumstances, be considered employees of DDOE, and that they shall not be entitled to any of the benefits or rights afforded employees of DDOE, including, but not limited to, sick leave, vacation leave, holiday pay, Public Employees Retirement System benefits, or health, life, dental, long-term disability or workers' compensation insurance benefits. DDOE will not provide or pay for any liability or medical insurance, retirement contributions or any other benefits for or on behalf of DDOE or any of its officers, employees or other agents.

11.3 **VENDOR NAME** shall be responsible for providing liability insurance for its personnel.

11.4 As an independent contractor, **VENDOR NAME** has no authority to bind or commit DDOE. Nothing herein shall be deemed or construed to create a joint venture, partnership, fiduciary or agency relationship between the parties for any purpose.

12. Suspension.

12.1 DDOE may suspend performance by **VENDOR NAME** under this Agreement for such period of time as DDOE, at its sole discretion, may prescribe by providing written notice to **VENDOR NAME** at least 30 working days prior to the date on which DDOE wishes to suspend. Upon such suspension, DDOE shall pay **VENDOR NAME** its compensation, based on the percentage of the project completed and earned until the effective date of

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

suspension, less all previous payments. **VENDOR NAME** shall not perform further work under this Agreement after the effective date of suspension. **VENDOR NAME** shall not perform further work under this Agreement after the effective date of suspension until receipt of written notice from DDOE to resume performance.

12.2 In the event DDOE suspends performance by **VENDOR NAME** for any cause other than the error or omission of the **VENDOR NAME**, for an aggregate period in excess of 30 days, **VENDOR NAME** shall be entitled to an equitable adjustment of the compensation payable to **VENDOR NAME** under this Agreement to reimburse **VENDOR NAME** for additional costs occasioned as a result of such suspension of performance by DDOE based on appropriated funds and approval by DDOE.

13. Termination.

13.1 This Agreement may be terminated in whole or in part by either party in the event of substantial failure of the other party to fulfill its obligations under this Agreement through no fault of the terminating party; but only after the other party is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with the terminating party prior to termination.

13.2 This Agreement may be terminated in whole or in part by DDOE for its convenience, but only after **VENDOR NAME** is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with DDOE prior to termination.

13.3 If termination for default is effected by DDOE, DDOE will pay **VENDOR NAME** that portion of the compensation which has been earned as of the effective date of termination but:

- a. No amount shall be allowed for anticipated profit on performed or unperformed services or other work, and
- b. Any payment due to **VENDOR NAME** at the time of termination may be adjusted to the extent of any additional costs occasioned to DDOE by reason of **VENDOR NAME**'s default.
- c. Upon termination for default, DDOE may take over the work and prosecute the same to completion by agreement with another party or otherwise. In the event **VENDOR NAME** shall cease conducting business, DDOE shall have the right to make an unsolicited offer of employment to any employees of **VENDOR NAME** assigned to the performance of the Agreement, notwithstanding the provisions of Section 10.2.

13.4 If after termination for failure of **VENDOR NAME** to fulfill contractual obligations it is determined that **VENDOR NAME** has not so failed, the termination shall be deemed to have been effected for the convenience of DDOE.

13.5 The rights and remedies of DDOE and **VENDOR NAME** provided in this section are in addition to any other rights and remedies provided by law or under this Agreement.

13.6 Gratuities.

- 13.6.1 DDOE may, by written notice to **VENDOR NAME**, terminate this Agreement if it is found after notice and hearing by DDOE that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by **VENDOR NAME** or any agent or representative of **VENDOR NAME** to any officer or employee of DDOE with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or making of any determinations with respect to the performance of this Agreement.

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

13.6.2 In the event this Agreement is terminated as provided in 13.6.1 hereof, DDOE shall be entitled to pursue the same remedies against VENDOR NAME it could pursue in the event of a breach of this Agreement by VENDOR NAME.

13.6.3 The rights and remedies of DDOE provided in Section 13.6 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

14. Severability.

If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary in the court's opinion to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

15. Assignment; Subcontracts.

15.1 Any attempt by VENDOR NAME to assign or otherwise transfer any interest in this Agreement without the prior written consent of DDOE shall be void. Such consent shall not be unreasonably withheld.

15.2 Services specified by this Agreement shall not be subcontracted by VENDOR NAME, without prior written approval of DDOE.

15.3 Approval by DDOE of VENDOR NAME's request to subcontract or acceptance of or payment for subcontracted work by DDOE shall not in any way relieve VENDOR NAME of responsibility for the professional and technical accuracy and adequacy of the work. All subcontractors shall adhere to all applicable provisions of this Agreement.

15.4 VENDOR NAME shall be and remain liable for all damages to DDOE caused by negligent performance or non-performance of work under this Agreement by VENDOR NAME, its subcontractor or its sub-subcontractor.

15.5 The compensation due shall not be affected by DDOE's approval of the VENDOR NAME's request to subcontract.

16. Force Majeure.

Neither party shall be liable for any delays or failures in performance due to circumstances beyond its reasonable control.

17. Non-Appropriation of Funds.

17.1 Validity and enforcement of this Agreement is subject to appropriations by the General Assembly of the specific funds necessary for contract performance. Should such funds not be so appropriated DDOE may immediately terminate this Agreement, and absent such action this Agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available, at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

17.2 Notwithstanding any other provisions of this Agreement, this Agreement shall terminate and DDOE's obligations under it shall be extinguished at the end of the fiscal year in which the State of Delaware fails to

STATE OF DELAWARE
DEPARTMENT OF EDUCATION

appropriate monies for the ensuing fiscal year sufficient for the payment of all amounts which will then become due.

18. State of Delaware Business License.

VENDOR NAME and all subcontractors represent that they are properly licensed and authorized to transact business in the State of Delaware as provided in 30 *Del. C.* § 2301.

19. Complete Agreement.

19.1 This agreement and its Appendices shall constitute the entire agreement between DDOE and VENDOR NAME with respect to the subject matter of this Agreement and shall not be modified or changed without the express written consent of the parties. The provisions of this agreement supersede all prior oral and written quotations, communications, agreements and understandings of the parties with respect to the subject matter of this Agreement.

19.2 If the scope of any provision of this Agreement is too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Agreement shall not thereby fail, but the scope of such provision shall be curtailed only to the extent necessary to conform to the law.

19.3 VENDOR NAME may not order any product requiring a purchase order prior to DDOE's issuance of such order. Each Appendix, except as its terms otherwise expressly provide, shall be a complete statement of its subject matter and shall supplement and modify the terms and conditions of this Agreement for the purposes of that engagement only. No other agreements, representations, warranties or other matters, whether oral or written, shall be deemed to bind the parties hereto with respect to the subject matter hereof.

20. Miscellaneous Provisions.

20.1 In performance of this Agreement, VENDOR NAME shall comply with all applicable federal, state and local laws, ordinances, codes and regulations. VENDOR NAME shall solely bear the costs of permits and other relevant costs required in the performance of this Agreement.

20.2 Neither this Agreement nor any appendix may be modified or amended except by the mutual written agreement of the parties. No waiver of any provision of this Agreement shall be effective unless it is in writing and signed by the party against which it is sought to be enforced.

20.3 The delay or failure by either party to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of that party's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

20.4 VENDOR NAME covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. VENDOR NAME further covenants, to its knowledge and ability, that in the performance of said services no person having any such interest shall be employed.

20.5 VENDOR NAME acknowledges that DDOE has an obligation to ensure that public funds are not used to subsidize private discrimination. VENDOR NAME recognizes that if they refuse to hire or do business with an individual or company due to reasons of race, color, gender, ethnicity, disability, national origin, age, or any other protected status, DDOE may declare VENDOR NAME in breach of the Agreement, terminate the Agreement, and designate VENDOR NAME as non-responsible.

STATE OF DELAWARE

20.7 This Agreement was drafted with the joint participation of both parties and shall be construed neither against nor in favor of either, but rather in accordance with the fair meaning thereof.
