3. **PRICING**

Pricing will be determined for each awarded vendor by using the Cost Estimation Tool for Early Head Start- Child Care Partnership Services.

The cost allocation tool is divided into three layers which consist of core child care services, program level enhancements, and individual child services.

Layer one of the Early Head Start Cost Allocation Tool consists of estimated expenses for additional core child care costs. This would consist of hours of operation and cost for any additional time that needs to be added to the day, unsubsidized child care costs, and parent co-payments.

Layer Two of the Early Head Start Cost Allocation Tool consists of estimated costs for program level enhancements which need to be added to the child care program. Layer Two consists of classroom staffing, salary enhancements, additional materials and supplies, equipment, minor facility improvements, staff professional development and training fees, and consultants.

Layer Three of the Early Head Start Cost Allocation Tool consists of individual child and family services. This would consist of staffing for home visits, staff mileage reimbursement for home visits, family support staff salaries and costs, supplies and services for children, dental hygiene supplies, toileting hygiene supplies, food and formula supplies, and medical and dental services.
ADDITIONAL TERMS AND CONDITIONS

All other terms and conditions may be found in the RFP.
