This Agreement ("Agreement") is effective only upon the execution of a State of Delaware Purchase Order and will end on **December 18**, 2015, by and between the State of Delaware, Department of Education, hereafter referred to as DDOE, and ***Education Analytics***,

WHEREAS, DDOE desires to obtain certain services to **assist in the development and execution of a model for calculating student achievement growth**; and

WHEREAS, EDUCATION ANALYTICS desires to provide such services to DDOE on the terms set forth below;

WHEREAS, DDOE and EDUCATION ANALYTICS represent and warrant that each party has full right, power and authority to enter into and perform under this Agreement;

FOR AND IN CONSIDERATION OF the premises and mutual agreements herein, DDOE and EDUCATION ANALYTICS agree as follows:

1. Services.

1.1 EDUCATION ANALYTICS shall perform for DDOE the services specified in the Appendices to this Agreement, attached hereto and made a part hereof.

1.2 Any conflict or inconsistency between the provisions of the following documents shall be resolved by giving precedence to such documents in the following order: (a) this Agreement (including any amendments or modifications thereto); (b) DDOE's request for proposals, attached hereto as Appendix B; and (c) EDUCATION ANALYTICS's response to the request for proposals, attached hereto as Appendix C. The aforementioned documents are specifically incorporated into this Agreement and made a part hereof.

1.3 DDOE may, at any time, by written order, make changes in the scope of this Agreement and in the services or work to be performed. No services for which additional compensation may be charged by EDUCATION ANALYTICS shall be furnished without the written authorization of DDOE. When DDOE desires any addition or deletion to the deliverables or a change in the Services to be provided under this Agreement, it shall notify EDUCATION ANALYTICS, who shall then submit to DDOE a "Change Order" for approval authorizing said change. The Change Order shall state whether the change shall cause an alteration in the price or the time required by EDUCATION ANALYTICS for any aspect of its performance under this Agreement. Pricing of changes shall be consistent with those

established within this Agreement.

1.4 EDUCATION ANALYTICS will not be required to make changes to its scope of work that result in EDUCATION ANALYTICS's costs exceeding the current unencumbered budgeted appropriations for the services. Any claim of either party for an adjustment under Section 1 of this Agreement shall be asserted in the manner specified in the writing that authorizes the adjustment.

2. Payment for Services and Expenses.

2.1 The term of the initial contract shall be from the execution of this agreement and a State of Delaware Purchase Order through December 18, 2015.

2.2 DDOE will pay EDUCATION ANALYTICS for the performance of services described in Appendix A, Statement of Work. The fee will be paid in accordance with the payment schedule attached hereto as part of Appendix D.

2.3 DDOE's obligation to pay EDUCATION ANALYTICS for the performance of services described in Appendix A, Statement of Work will not exceed the fixed fee amount of \$ 400,000. It is expressly understood that the work defined in the appendices to this Agreement must be completed by EDUCATION ANALYTICS and it shall be EDUCATION ANALYTICS's responsibility to ensure that hours and tasks are properly budgeted so that all services are completed for the agreed upon fixed fee. DDOE's total liability for all charges for services that may become due under this Agreement is limited to the total maximum expenditure(s) authorized in DDOE's purchase order(s) to EDUCATION ANALYTICS.

2.4 EDUCATION ANALYTICS shall submit monthly invoices to DDOE in sufficient detail to support the services provided during the previous month. DDOE agrees to pay those invoices within thirty (30) days of receipt. In the event DDOE disputes a portion of an invoice, DDOE agrees to pay the undisputed portion of the invoice within thirty (30) days of receipt and to provide EDUCATION ANALYTICS a detailed statement of DDOE's position on the disputed portion of the invoice within thirty (30) days of receipt. DDOE's failure to pay any amount of an invoice that is not the subject of a good-faith dispute within thirty (30) days of receipt shall entitle EDUCATION ANALYTICS to charge interest on the overdue portion at no more than 1.0% per month or 12% per annum. All payments should be sent to EDUCATION ANALYTICS, 131 W. Wilson Street, Suite 200, Madison, WI 53703.

2.5 Unless provided otherwise in an Appendix, all expenses incurred in the performance of the services are to be paid by EDUCATION ANALYTICS. If an Appendix specifically provides for expense reimbursement, EDUCATION

ANALYTICS shall be reimbursed only for reasonable expenses incurred by EDUCATION ANALYTICS in the performance of the services, including, but not necessarily limited to, travel and lodging expenses, communications charges, and computer time and supplies.

2.6 DDOE is a sovereign entity, and shall not be liable for the payment of federal, state and local sales, use and excise taxes, including any interest and penalties from any related deficiency, which may become due and payable as a consequence of this Agreement.

2.7 DDOE shall subtract from any payment made to EDUCATION ANALYTICS all damages, costs and expenses caused by EDUCATION ANALYTICS's negligence, resulting from or arising out of errors or omissions in EDUCATION ANALYTICS's work products, which have not been previously paid to EDUCATION ANALYTICS.

2.8 Invoices shall be submitted to:

3.9 EDUCATION ANALYTICS will not use DDOE's name, either express or implied, in any of its advertising or sales materials without DDOE's express written consent.

5.3 The services performed by EDUCATION ANALYTICS under this Agreement shall be subject to review for compliance with the terms of this Agreement by DDOE's designated representatives. DDOE representatives may delegate any or all responsibilities under the Agreement to appropriate staff members, and shall so inform EDUCATION ANALYTICS by written notice before the effective date of each such delegation.

5.4 The review comments of DDOE's designated representatives may be reported in writing as needed to EDUCATION ANALYTICS. It is understood that DDOE's representatives' review comments do not relieve EDUCATION ANALYTICS from the responsibility for the professional and technical accuracy of all work delivered under this Agreement.

5.5 DDOE shall, without charge, furnish to or make available for examination or use by EDUCATION ANALYTICS as it may request, any data which DDOE has available, including as examples only and not as a limitation:

5.8 DDOE agrees not to use EDUCATION ANALYTICS's name, either express or implied, in any of its advertising or sales materials. EDUCATION ANALYTICS reserves the right to reuse the nonproprietary data and the analysis of industry-

related information in its continuing analysis of the industries covered.

6. Work Product.

6.1 All materials, information, documents, and reports, whether finished, unfinished, or draft, developed, prepared, completed, or acquired by EDUCATION ANALYTICS for DDOE relating to the services to be performed hereunder shall become the property of DDOE and shall be delivered to DDOE's designated representative upon completion or termination of this Agreement, whichever comes first. EDUCATION ANALYTICS shall not be liable for damages, claims, and losses arising out of any reuse of any work products on any other project conducted by DDOE. DDOE shall have the right to reproduce all documentation supplied pursuant to this Agreement.

6.2 EDUCATION ANALYTICS retains all title and interest to the data it furnished and/or generated pursuant to this Agreement. Retention of such title and interest does not conflict with DDOE's rights to the materials, information and documents developed in performing the project. Upon final payment, DDOE shall have a perpetual, nontransferable, non-exclusive paid-up right and license to use, copy, modify and prepare derivative works of all materials in which EDUCATION ANALYTICS retains title, whether individually by EDUCATION ANALYTICS or jointly with DDOE. Any and all source code developed in connection with the services provided will be provided to DDOE, and the aforementioned right and license shall apply to source code. The parties will cooperate with each other and execute such other documents as may be reasonably deemed necessary to achieve the objectives of this Section.

6.3 In no event shall EDUCATION ANALYTICS be precluded from developing for itself, or for others, materials that are competitive with the Deliverables, irrespective of their similarity to the Deliverables. In addition, EDUCATION ANALYTICS shall be free to use its general knowledge, skills and experience, and any ideas, concepts, know-how, and techniques within the scope of its consulting practice that are used in the course of providing the services.

6.4 Notwithstanding anything to the contrary contained herein or in any attachment hereto, any and all intellectual property or other proprietary data owned by EDUCATION ANALYTICS prior to the effective date of this Agreement ("Preexisting Information") shall remain the exclusive property of EDUCATION ANALYTICS even if such Preexisting Information is embedded or otherwise incorporated into materials or products first produced as a result of this Agreement or used to develop such materials or products. DDOE's rights under this section shall not apply to any Preexisting Information or any component

thereof regardless of form or media.

7. Confidential Information.

To the extent permissible under 29 *Del. C. § 10001, et seq.*, the parties to this Agreement shall preserve in strict confidence any information, reports or documents obtained, assembled or prepared in connection with the performance of this Agreement.

8. Warranty.

8.1 EDUCATION ANALYTICS warrants that its services will be performed in a good and workmanlike manner. EDUCATION ANALYTICS agrees to re-perform any work not in compliance with this warranty brought to its attention within a reasonable time after that work is performed.

8.2 Third-party products within the scope of this Agreement are warranted solely under the terms and conditions of the licenses or other agreements by which such products are governed. With respect to all third-party products and services purchased by EDUCATION ANALYTICS for DDOE in connection with the provision of the Services, EDUCATION ANALYTICS shall pass through or assign to DDOE the rights EDUCATION ANALYTICS obtains from the manufacturers and/or vendors of such products and services (including warranty and indemnification rights), all to the extent that such rights are assignable.

9. Indemnification; Limitation of Liability.

9.1 EDUCATION ANALYTICS shall indemnify and hold harmless the State, its agents and employees, from any and all liability, suits, actions or claims, together with all reasonable costs and expenses (including attorneys' fees) directly arising out of (A) the negligence or other wrongful conduct of the EDUCATION ANALYTICS, its agents or employees, or (B) EDUCATION ANALYTICS's breach of any material provision of this Agreement not cured after due notice and opportunity to cure, provided as to (A) or (B) that (i) EDUCATION ANALYTICS shall have been notified promptly in writing by DDOE of any notice of such claim; and (ii) EDUCATION ANALYTICS shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise.

9.2 If DDOE promptly notifies EDUCATION ANALYTICS in writing of a third party claim against DDOE that any Deliverable infringes a copyright or a trade secret of any third party, EDUCATION ANALYTICS will defend such claim at its expense and

will pay any costs or damages that may be finally awarded against DDOE. EDUCATION ANALYTICS will not indemnify DDOE, however, if the claim of infringement is caused by (1) DDOE's misuse or modification of the Deliverable; (2) DDOE's failure to use corrections or enhancements made available by EDUCATION ANALYTICS; (3) DDOE's use of the Deliverable in combination with any product or information not owned or developed by EDUCATION ANALYTICS; (4) DDOE's distribution, marketing or use for the benefit of third parties of the Deliverable or (5) information, direction, specification or materials provided by Client or any third party. If any Deliverable is, or in EDUCATION ANALYTICS's opinion is likely to be, held to be infringing, EDUCATION ANALYTICS shall at its expense and option either (a) procure the right for DDOE to continue using it, (b) replace it with a noninfringing equivalent, (c) modify it to make it noninfringing. The foregoing remedies constitute DDOE's sole and exclusive remedies and EDUCATION ANALYTICS's entire liability with respect to infringement.

9.3 DDOE agrees that EDUCATION ANALYTICS' total liability to DDOE for any and all damages whatsoever arising out of or in any way related to this Agreement from any cause, including but not limited to contract liability or EDUCATION ANALYTICS negligence, errors, omissions, strict liability, breach of contract or breach of warranty shall not, in the aggregate, exceed fees paid to EDUCATION ANALYTICS.

In no event shall EDUCATION ANALYTICS be liable for special, indirect, incidental, economic, consequential or punitive damages, including but not limited to lost revenue, lost profits, replacement goods, loss of technology rights or services, loss of data, or interruption or loss of use of software or any portion thereof regardless of the legal theory under which such damages are sought, and even if EDUCATION ANALYTICS has been advised of the likelihood of such damages.

10. Employees.

10.1 EDUCATION ANALYTICS has and shall retain the right to exercise full control over the employment, direction, compensation and discharge of all persons employed by EDUCATION ANALYTICS in the performance of the services hereunder; provided, however, that it will, subject to scheduling and staffing considerations, attempt to honor DDOE's request for specific individuals.

10.2 Except as the other party expressly authorizes in writing in advance, neither party shall solicit, offer work to, employ, or contract with, whether as a partner, employee or independent contractor, directly or indirectly, any of the other party's Personnel during their participation in the services or during the twelve (12) months thereafter. For purposes of this Section 10.2, "Personnel" includes

any individual or company a party employs as a partner, employee or independent contractor and with which a party comes into direct contact in the course of the services.

10.3 Possession of a Security Clearance, as issued by the Delaware Department of Public Safety, may be required of any employee of EDUCATION ANALYTICS who will be assigned to this project.

11. Independent Contractor.

11.1 It is understood that in the performance of the services herein provided for, EDUCATION ANALYTICS shall be, and is, an independent contractor, and is not an agent or employee of DDOE and shall furnish such services in its own manner and method except as required by this Agreement. EDUCATION ANALYTICS shall be solely responsible for, and shall indemnify, defend and save DDOE harmless from all matters relating to the payment of its employees, including compliance with social security, withholding and all other wages, salaries, benefits, taxes, exactions, and regulations of any nature whatsoever.

11.2 EDUCATION ANALYTICS acknowledges that EDUCATION ANALYTICS and any subcontractors, agents or employees employed by EDUCATION ANALYTICS shall not, under any circumstances, be considered employees of DDOE, and that they shall not be entitled to any of the benefits or rights afforded employees of DDOE, including, but not limited to, sick leave, vacation leave, holiday pay, Public Employees Retirement System benefits, or health, life, dental, long-term disability or workers' compensation insurance benefits. DDOE will not provide or pay for any liability or medical insurance, retirement contributions or any other benefits for or on behalf of DDOE or any of its officers, employees or other agents.

11.3 EDUCATION ANALYTICS shall be responsible for providing liability insurance for its personnel.

11.4 As an independent contractor, EDUCATION ANALYTICS has no authority to bind or commit DDOE. Nothing herein shall be deemed or construed to create a joint venture, partnership, fiduciary or agency relationship between the parties for any purpose.

12. Suspension.

12.1 DDOE may suspend performance by EDUCATION ANALYTICS under this Agreement for such period of time as DDOE, at its sole discretion, may prescribe by providing written notice to EDUCATION ANALYTICS at least 30 working days

prior to the date on which DDOE wishes to suspend. Upon such suspension, DDOE shall pay EDUCATION ANALYTICS its compensation, based on the percentage of the project completed and earned until the effective date of suspension, less all previous payments. EDUCATION ANALYTICS shall not perform further work under this Agreement after the effective date of suspension. EDUCATION ANALYTICS shall not perform further work under this Agreement after the effective date of suspension until receipt of written notice from DDOE to resume performance.

12.2 In the event DDOE suspends performance by EDUCATION ANALYTICS for any cause other than the error or omission of the EDUCATION ANALYTICS, for an aggregate period in excess of 30 days, EDUCATION ANALYTICS shall be entitled to an equitable adjustment of the compensation payable to EDUCATION ANALYTICS under this Agreement to reimburse EDUCATION ANALYTICS for additional costs occasioned as a result of such suspension of performance by DDOE based on appropriated funds and approval by DDOE.

13. Termination.

13.1 This Agreement may be terminated in whole or in part by either party in the event of substantial failure of the other party to fulfill its obligations under this Agreement through no fault of the terminating party; but only after the other party is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with the terminating party prior to termination.

13.2 This Agreement may be terminated in whole or in part by DDOE for its convenience, but only after EDUCATION ANALYTICS is given:

- a. Not less than 30 calendar days written notice of intent to terminate; and
- b. An opportunity for consultation with DDOE prior to termination.

13.3 If termination for default is effected by DDOE, DDOE will pay EDUCATION ANALYTICS that portion of the compensation which has been earned as of the effective date of termination but:

- a. No amount shall be allowed for anticipated profit on performed or unperformed services or other work, and
- b. Any payment due to EDUCATION ANALYTICS at the time of

- termination may be adjusted to the extent of any additional costs occasioned to DDOE by reason of EDUCATION ANALYTICS's default.
- c. Upon termination for default, DDOE may take over the work and prosecute the same to completion by agreement with another party or otherwise. In the event EDUCATION ANALYTICS shall cease conducting business, DDOE shall have the right to make an unsolicited offer of employment to any employees of EDUCATION ANALYTICS assigned to the performance of the Agreement, notwithstanding the provisions of Section 10.2.

13.4 If after termination for failure of EDUCATION ANALYTICS to fulfill contractual obligations it is determined that EDUCATION ANALYTICS has not so failed, the termination shall be deemed to have been effected for the convenience of DDOE.

13.5 The rights and remedies of DDOE and EDUCATION ANALYTICS provided in this section are in addition to any other rights and remedies provided by law or under this Agreement.

13.6 Gratuities.

13.6.1 DDOE may, by written notice to EDUCATION ANALYTICS, terminate this Agreement if it is found after notice and hearing by DDOE that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by EDUCATION ANALYTICS or any agent or representative of EDUCATION ANALYTICS to any officer or employee of DDOE with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or making of any determinations with respect to the performance of this Agreement.

13.6.2 In the event this Agreement is terminated as provided in 13.6.1 hereof, DDOE shall be entitled to pursue the same remedies against EDUCATION ANALYTICS it could pursue in the event of a breach of this Agreement by EDUCATION ANALYTICS.

13.6.3 The rights and remedies of DDOE provided in Section 13.6 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

14. Severability.

If any term or provision of this Agreement is found by a court of competent

jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary in the court's opinion to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

15. Assignment; Subcontracts.

15.1 Any attempt by EDUCATION ANALYTICS to assign or otherwise transfer any interest in this Agreement without the prior written consent of DDOE shall be void. Such consent shall not be unreasonably withheld.

15.2 Services specified by this Agreement shall not be subcontracted by EDUCATION ANALYTICS, without prior written approval of DDOE.

15.3 Approval by DDOE of EDUCATION ANALYTICS's request to subcontract or acceptance of or payment for subcontracted work by DDOE shall not in any way relieve EDUCATION ANALYTICS of responsibility for the professional and technical accuracy and adequacy of the work. All subcontractors shall adhere to all applicable provisions of this Agreement.

15.4 EDUCATION ANALYTICS shall be and remain liable for all damages to DDOE caused by negligent performance or non-performance of work under this Agreement by EDUCATION ANALYTICS, its subcontractor or its sub-subcontractor.

15.5 The compensation due shall not be affected by DDOE's approval of the EDUCATION ANALYTICS's request to subcontract.

16. Force Majeure.

Neither party shall be liable for any delays or failures in performance due to circumstances beyond its reasonable control.

17. Non-Appropriation of Funds.

17.1 Validity and enforcement of this Agreement is subject to appropriations by the General Assembly of the specific funds necessary for contract performance. Should such funds not be so appropriated DDOE may immediately terminate this Agreement, and absent such action this Agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific

appropriation is available, at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

17.2 Notwithstanding any other provisions of this Agreement, this Agreement shall terminate and DDOE's obligations under it shall be extinguished at the end of the fiscal year in which the State of Delaware fails to appropriate monies for the ensuing fiscal year sufficient for the payment of all amounts which will then become due.

18. State of Delaware Business License.

EDUCATION ANALYTICS and all subcontractors represent that they are properly licensed and authorized to transact business in the State of Delaware as provided in 30 *Del. C.* § 2301.

19. Complete Agreement.

19.1 This agreement and its Appendices shall constitute the entire agreement between DDOE and EDUCATION ANALYTICS with respect to the subject matter of this Agreement and shall not be modified or changed without the express written consent of the parties. The provisions of this agreement supersede all prior oral and written quotations, communications, agreements and understandings of the parties with respect to the subject matter of this Agreement.

19.2 If the scope of any provision of this Agreement is too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Agreement shall not thereby fail, but the scope of such provision shall be curtailed only to the extent necessary to conform to the law.

19.3 EDUCATION ANALYTICS may not order any product requiring a purchase order prior to DDOE's issuance of such order. Each Appendix, except as its terms otherwise expressly provide, shall be a complete statement of its subject matter and shall supplement and modify the terms and conditions of this Agreement for the purposes of that engagement only. No other agreements, representations, warranties or other matters, whether oral or written, shall be deemed to bind the parties hereto with respect to the subject matter hereof.

20. Miscellaneous Provisions.

20.1 In performance of this Agreement, EDUCATION ANALYTICS shall comply

with all applicable federal, state and local laws, ordinances, codes and regulations. EDUCATION ANALYTICS shall solely bear the costs of permits and other relevant costs required in the performance of this Agreement.

20.2 Neither this Agreement nor any appendix may be modified or amended except by the mutual written agreement of the parties. No waiver of any provision of this Agreement shall be effective unless it is in writing and signed by the party against which it is sought to be enforced.

20.3 The delay or failure by either party to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of that party's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

20.4 EDUCATION ANALYTICS covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. EDUCATION ANALYTICS further covenants, to its knowledge and ability, that in the performance of said services no person having any such interest shall be employed.

20.5 EDUCATION ANALYTICS acknowledges that DDOE has an obligation to ensure that public funds are not used to subsidize private discrimination. EDUCATION ANALYTICS recognizes that if they refuse to hire or do business with an individual or company due to reasons of race, color, gender, ethnicity, disability, national origin, age, or any other protected status, DDOE may declare EDUCATION ANALYTICS in breach of the Agreement, terminate the Agreement, and designate EDUCATION ANALYTICS as non-responsible.

20.6 EDUCATION ANALYTICS warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, DDOE shall have the right to annul this contract without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

20.7 This Agreement was drafted with the joint participation of both parties and shall be construed neither against nor in favor of either, but rather in accordance with the fair meaning thereof.
