

Delaware Department of Transportation
QUESTIONS AND ANSWERS
Bridge Design Services
1672-1673 Request For Proposals
Friday, October 25, 2013

Q #	Question	Answer
3	If submitting SF 255, are the 5 Item 8 projects to be no more than one page total or can each of the five projects be one page?	Either option is acceptable; one project per page project or all five (5) projects on one page.
2	Are firms required to have a Delaware business license to be a subconsultant on a DelDOT contract?	Firms conducting business in Delaware should have a Delaware business license. Please see the attached link. http://revenue.delaware.gov/information/faqs_lic.shtml
1	Is there a list of DelDOT approved non-DBE subconsultants?	Firms are permitted to register as “consultants” with the Department; no designation as a subconsultant. At your request, I can forward a listing of all firms registered as consultants with DelDOT
