Q #	Question	Answer
5	How long will the "brief interview session" be?	See response to Question 3.
4	Will there be a typical shortlist interview in addition to the June 16-20 "brief interview session" referenced in the RFQ or will selections simply be made after the RFQ/interview session process?	Selection will be based on the criteria outlined in the RFQ and will take place following the interview session.

3	What is the format for the "brief interview session"?	Further information will be distributed following receipt of the Expressions of Interest. We do ask that candidate firms be available during the week noted in the RFQ.
2	We received the email below from Contract Administration noting potential DBE subconsultants that could be considered for this agreement. However, the RFQ states that "...potential subconsultants are not to be listed; are not considered during the evaluation process; and do not become part of the initial agreement." Could you please confirm that subconsultants are NOT to be referenced in our expressions of interest?	That is correct. Subconsultant information should not be included at this stage. A statement of commitment to put for a "Good Faith Effort" to achieve any DBE goals assigned will be sufficient.
1	Please confirm that for this letter of interest the present DELDOT workload and a listing of contracts with DelDOT for the past five (5) years are NOT required.	Correct. That information is not being requested at this time.
