<b>Q #</b>	<b>Question</b>	<b>Answer</b>
2	Page 11 of the RFQ, Item 2D Company Information: Does this information have to be, or can it be, submitted using the GSA SF330 forms?	Since this Request for Qualifications (RFQ) is not for A&E Services, we are not requiring the SF330 form.
1	Can the selected firm be any professional services provider who has the qualified personnel and knowledge per the Certificate of Eligibility and not restricted to 'appraisal firms'?	Yes. Any firm capable of performing the work is encouraged to apply. We are revising the language in the RFQ to reflect this clarification.
