QUESTIONS AND ANSWERS
Storm Drain Video Inspection & Inventory Services
1745-1748 Request For Proposals
Wednesday, July 29, 2015

Q #	Question	Answer
8	Is there a way we can see the current contracts (1616-1619) pricing that was submitted?	See response to Q. 4.
7	How can I get a PDF copy of the 2008 Storm Sewer CCTV Manual for Storm Sewer Assessment and Acceptance document?	The Manual is posted on the GSS website at www.bids.delaware.gov/bids_detail.asp?i=3239&DOT=N .
6	How much of the work is to be "Laser" Camera inspected?	As requested/required by the project manager.
5	How much of the contract was performed?	The work is on a task order basis, as requested/required by the project manager.
4	Can you provide the amount of money that was allocated to the previously awarded contract?	An initial review shows at least \$92,960 was spent previously, but this is not an exact or exhaustively reviewed number. The allocation of funds is on an as needed basis for the work.
3	Contract 1616-1619 had bid prices for various extraordinary traffic control setups. There are no such items in this contract. How are we to take into account traffic control?	Department now has an Open-Ended MOT contract that will be utilized when the service is needed.
2	What were the total yearly dollar amounts that were paid under contract 1616-1619?	That information is not available at this time.
1	Do the bid quantities of <250 LF or >250 LF refer to the overall quantity of a task order? Or to any given individual pipe segment within a task order?	This refers to the estimated quantity that may be needed per task order/location.
