Q #	Question	Answer
1	Does the Prime have to be registered in all these areas, or just any one of them as long as other team members are registered in the other areas?	RFQ 1625-1626 has been revised to allow firms to be pre-registered area 1 or 7 or 10 at the time of submission. Firms responding to this RFQ should be prepared to give detailed information on how they plan to address those categories for which their firm is NOT registered (i.e. subconsultant usage).
