2	For this contract's DBE requirements, will laboratories and drillers listed with DelDOT website as an approved DBE count toward the 4% DBE Goal?	DBE Firms in good standing with DelDOT's DBE Section are eligible to be used towards goals on DelDOT projects.
3	The RFQ for the HAZMAT and Environmental Services Contract requires submission of the "Certificate of Non-Collusion" This statement discusses non-collusion on bids and costing information. Our understanding is cost information is not required at this time and will only be requested following a short list. Is the Non-Collusion certificate still required?	All forms listed in the RFP as required are required.
