Q #	Question	Answer
5	Can I have the previous Bid Tabulation on this Bid?	Previous bid tabulations can be found at the following link: http://contracts.delaware.gov/default.asp
4	Shall we include Federal, State, County or City Tax in our pricing?	Contract documents reference the basis of payment and what is to be included in the submitted bid.
3	As a prime contractor, do we need to have State working license?	Please refer to the Special Provisions, Item 11. State of Delaware Business License.
2	Any local preference for local companies? Can we be entitled of this preference considering the fact that we would use a local company to implement the project?	There is no local preference.
1	As a foreign company (from out of state), do we have any limitations to bid on this opportunity – we will use local companies to implement the project?	As long as all contract requirements in documents are met, bidding is open.
