QUESTIONS AND ANSWERS
Traffic Engineering & Intelligent Transportation Systems (ITS) Support Services
Agreement 1912F
Monday, September 24, 2018

Q #	Question	Answer
1	Whether companies from Outside USA can apply for this? (like, from India or Canada)	No activity is to be executed in an offshore facility whether by personnel, a subcontracted firm, or foreign office, or division of the vender.
2	Whether we need to come over there for meetings?	Incumbent services may require public participation which may include meeting facilitation and preparation, and distribution of public outreach materials.
3	Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)	No activity is to be executed in an offshore facility whether by personnel, a subcontracted firm, or foreign office, or division of the vender.
4	Can we submit the proposals via email?	The Proposal Requirements listed on page 2, state that Facsimile and E-mail responses to this RFP are not acceptable.
