**QUESTIONS AND ANSWERS**  
**Improvements to Delaware's Crash Data Reporting and Analysis Program**  
**Agreement 1918**  
**Thursday, May 9, 2018**

Q #	Question	Answer
1	Just to confirm based on the information provided, questions are due by June 13, 2019? And answers to questions will be posted by June 18, 2019?	Please refer to the RFI document Section 1.5 RFI Schedule.
2	What is the estimated funding source, or budget for this project?	There is no funding source at this time.
3	Has funding for a formal solicitation been secured?	No.
4	Is this a new requirement? Or is there an incumbent vendor providing these services? If so, what is the contract number, vendor name, and term of the contract?	This is a new request for information. There is an incumbent for our current program. The incumbent is GeoDecisions.
5	Is there a timeline for a formal solicitation to be reached? If not, what steps are expected to make a decision on a formal solicitation?	Decision to proceed will be made internally, partially based on responses to this RFI.
