

Delaware Department of Transportation
QUESTIONS AND ANSWERS
DOT2001-FIXED_DMS
Fixed Dynamic Message Signs
Wednesday, February 05, 2020

Q #	Question	Answer
7	Will the DOT allow price increases each year due to material costs?	Price Adjustment are in section 1.8 page 4.
6	How long is the requested price agreement?	Pricing, Section 1.7 page 4.
5	Does the DOT have any idea on how many signs will be purchased in a year for each type?	Estimated Quantities are listed on Attachment E - Bid Form.
4	Per item 6.6.3 of the terms and conditions, the State of Delaware intends to use the P-Card for payment of goods and services. Is this to be used for DMS? If so, what percentage fee is used for this payment method?	The DMS would be an invoiced item and would be paid after acceptance. The P-Card may be used to purchase spare parts depending on pricing.
3	Does each vendor have to submit a list and price of recommended spare parts for this RFP? Or is this only required once the vendor is awarded the contract? If the vendor is required to submit spare parts list and price, should this be separate than the price sheet for the	Yes, each vendor is expected to submit a list and price of recommended spare parts for the RFP. This should be separate from the DMS specific type and respective pricing.
2	Page 3 of the 'RFP-Material and Nonprofessional Services' states the due date to submit questions is Thursday, January 28, 2020. Do you mean Tuesday, January 28, 2020 or Thursday, January 30, 2020?	Addendum #2 was issued correcting the date.
1	The RFP is showing contract id# DOT2001-FIXED_DMS, however, Appendix A is showing contract id# DOT1915-FIXED_DMS. Please advise if the correct appendix was uploaded to the website.	Addendum #1 was issued correcting the Contract Number.
