Q #	Question	Answer
1	Does the four (4) page "Rating Criteria Support Information" section include the workload tables described in Section 5, Part D, Items 1 and 2 of the RFP or are they in addition to the page limited section?	The workload tables are separate from the four page Rating Criteria Support Information section.
2	Will DelDOT allow the organization chart found in the SF330 – Section D to be submitted on an 11x17 page layout?	Yes.
3	Should any further certification of DBE firms be provided other than that shown in the SF 330 – Section C?	No.
