Q #	Question	Answer
1	Please advise as to the particular location of the program description.	Training will occur at the service providers location or campus. Participants originate from Delaware. The location should be within one hour from New Castle County.
2	On pg 3 of 21 RFP states participants are required to pay a portion of the tuition cost. Is there a % of the total tuition they are required to pay? How is the deposit amount calculated?	It is anticipated that participants will be responsible for \$500.00. This amount is determined as a flat investment from all participants.
3	I did not see a location identified where the training will occur. Is there a dedicated facility, if so, where?	Training will occur at the service providers location or campus
4	Will vendor be responsible for providing a classroom and yard space for behind the wheel exercises?	Yes
5	Do you know the breakdown of participants between CDL A & CDL B	The breakdown is TBD. However, provider should have the ability to provide either training.
6	Is the service provider/contractor required to provide classroom and backing range for instruction of the CDL training? The RFP states that equipment and instruction are required to be provided by contractor but does not mention classroom and practice range.	See Answer to Question #4.
