Definitions

Minority, Women and/or Veteran Business Enterprise

A Minority, Women Business and/or Veteran Enterprise is a business that is at least 51 percent owned, controlled and actively managed by minority, women and/or Veteran group members who are United States citizens or persons lawfully admitted to the United States for permanent residence.

The business must be a for-profit business and currently be performing a useful function.

Minorities – United States citizens or permanent residents who are African Americans, Asian/Pacific Americans, Hispanic Americans, Native Americans, Subcontinent Asian Americans, or as defined herein:

African (Black) Americans: All persons having origins from any of the Black groups of Africa and

all persons having origins in any of the original peoples of the Cape Verde Islands.

Asian/Pacific Americans: All persons having origins from any of the original peoples of the Far-East, Asia, or the Pacific Islands, including China, Japan, Korea, Samoa, Philippine Islands, and Hawaii, Guam, U.S. Trust Territories of the Pacific or the Northern Marianas.

Hispanic Americans: Persons having origins from any of the Spanish-speaking people of México, Puerto Rico, Cuba, Central or South America, or the Caribbean Islands.

Native Americans: All persons having origins from the original peoples of North America and who are recognized as Native Americans by a tribe or tribal organization.

Subcontinent Asian Americans: All persons whose ancestors originated in India, Pakistan or Bangladesh.

Veteran: An individual who has served in the United States military or has served in the National Guard of the United States for six months and has received a discharge other than a dishonorable discharge.

Certification - A determination by the OSD that a for-profit business entity is a Minority Business Enterprise (MBE), Women Business Enterprise (WBE) and/or Veteran Business Enterprise (VBE).

Ownership

The minority, woman or veteran ownership interest in the firm must be real, substantial and continuing and shall go beyond the pro forma ownership of the business as reflected in its ownership documents. The minority and women owners shall enjoy the customary incidents of ownership and shall share in the risks and profits commensurate with their ownership interest as demonstrated both by an examination of the substance and form of arrangements.

Delaware Minority, Women and/or Veteran Business Enterprise Certification

Control

Control will be exemplified by possession of the requisite knowledge and expertise to run the particular business. Control includes the authority to determine the direction of a business, including but not limited to capital investments and all other financial transactions; property acquisitions; day-to-day decisions; contract negotiations; legal matters; selection and hiring of officers, directors, and employees; operating responsibility; cost-control; income and dividend matters; and the rights of other shareholders or partners.

The minority, women, and/or veteran owners must hold the highest officer position in their companies, example chief executive officer or president.

The minority, women, and/or veteran must demonstrate that they possess the experience, expertise and knowledge to operate their particular types of business.

Expertise limited to office management, administration, or bookkeeping functions unrelated to the principal business activities of the company is insufficient to demonstrate control. Veteran, women and/or minority owners must also verify that they hold any licenses or certification required by the type of business in which they are engaged.

Minority Business Enterprise (MBE) - A for profit business in which at least 51% of the beneficial ownership interest and control are held by a minority or minorities. In the case of a corporation, minorities must hold at least 51% of voting interest.

Minority & Women Business Enterprise (MWBE) - A for-profit business in which at least 51% of beneficial interest and control is held by minority women or by an equal combination of minorities and women. In the case of a corporation, women and minorities must also hold at least 51% of voting interest.

Women Business Enterprise (WBE) - A for-profit business in which at least 51% of beneficial interest and control is held by women. In the case of a corporation, women must also hold at least 51% of the voting interest.

Veteran Business Enterprise (VBE) – A for-profit business which at least 51% of beneficial interest and control is held by veterans.

Useful Business Function

A useful business function is one, which results in the provision of materials, supplies, equipment or services to consumers in the State. A business acting as a conduit to transfer funds to a non-minority business does not constitute a useful business function unless doing so is a normal industry practice.

Benefits of Certification

Current certified minority and/or women owned firms are eligible to be listed in the State of Delaware Directory of Minority and Women Owned Businesses which is circulated to all state and local government agencies.

Recertification

At the ends of three years from original certification date, firms must submit the recertification affidavit to remain actively visible in the State of Delaware's Minority and/or Women Business Enterprise database.

A minority, veteran and women owned business (sole-proprietorship, partnership, corporation or joint venture) must meet the following criteria:
