

Request for Proposals Statewide Housing Needs Assessment

The Delaware State Housing Authority (DSHA) is seeking proposals from qualified organizations for the provision of professional consulting services to conduct and prepare a Statewide Housing Needs Assessment. This study will enable the State and local jurisdictions to better understand the housing needs of low- and moderate-income persons and households for affordable housing and related services in order to target and coordinate the use of Federal, State and local resources. The specific services being sought are further identified in the Request for Proposals (RFP). A copy of this document may be obtained from:
