GENERAL:

1. There have been some concerns brought to the University's attention regarding how to obtain the bid documents for this project. Using the state procurement site, bids.delaware.gov, bidders may request access to view bid drawings (Drawings) after submitting a request form. These drawings are intended for general information of interested bidders and generally are not "not for bidding" purposes. The drawings can be obtained by contacting Ms. Jessica Wilson, Director of Purchasing, at jwilson@desu.edu.
2. Site visits: Any additional site visits to the existing facility must be scheduled in advance through Mr. Khalid Zerrad, Construction Project Manager, at kzerrad@desu.edu.
