Addendum #03

Date: July 17, 2017
Project: Cottage 504- ADA Improvements
Contract: FD-15-061

The work herein shall be considered part of the bid documents for the referenced project and carried out in accordance with the following supplemental instructions issued in accordance with the Contract Documents without change in Contract Sum or Contract Time. Acknowledge receipt of addendum on the bid form as indicated.

Clarifications:

1. If the contractor is bidding on just one bid package then a bid bond is required for just that particular package. If the contractor is bidding on both bid packages A & B a bid bond is required for each package.

EX:

- Bidding on just bid package A- Submit a bid bond for bid package A.
 - Bidding on just bid package B- Submit a bid bond for bid package B.
 - Bidding on bid packages A & B - Submit a bid bond for bid packages A & B as labeled in the headings of the Project Manual. So a separate bid bond is required for each package.
2. Bids are still due on July 20th at 2:00PM.
