Contract Number FM-18-001R**

Clarification

The work/ clarification/ answers listed in this addenda shall be considered part of the Bid/ RFP document for the referenced project.

Below are questions and answers regarding subject RFP. All questions are written in black color font and the answers are provided in dark red color font.

1. Are hallways, laundry areas, etc. included in the scope of work of subject RFP?

Only dorms are part of the scope of work of this RFP. No hallways, laundry, etc. are part of the scope of work. However, while work is performed for the dorms, if the contractor messes up with hallways, etc., those affected areas must be worked/ cleaned/ repaired by the contractor to bring the affected areas into its original shape without any cost to the University.
