SUBJECT: Addendum to Request for Proposal: #DTI14620-DRKFBRLEASE

Addendum #3 E-Rate Form 470 Clarification

This Addendum is issued to clarify Item #13 in the associated E-Rate Form 470. All RFP terms and conditions remain the same.

According to the E-Rate Form 470 posted under #372890001239586, the Item #13 states:

“SEE RFP FOR CONTRACT TERMS OF THIS MULTI-YEAR CONTRACT WITH ALLOWABLE EXTENSIONS BY MUTUAL AGREEMENT BEGINNING WITH PROJECTED CONTRACT AWARD DATE 11/07/2014. THE TERM OF THE CONTRACT BETWEEN THE SUCCESSFUL BIDDER(S) AND THE STATE SHALL BE FOR TEN (10) YEARS WITH TWO (2) OPTIONAL EXTENSIONS FOR A PERIOD OF FIVE (5) YEARS FOR EACH EXTENSION TO A CONTRACT END DATE OF 11/07/2034. QUESTIONS WILL BE RECEIVED ACCORDING TO THE DATES AND TIMES GIVEN IN THE RFP SPECIFICATIONS. CONTACT ONLY THE ALLOWED PERSON LISTED IN BLOCK 2 ITEM 12. FUNDING YEARS COVERED BY THIS FOR 470 ARE 2014 THROUGH AND INCLUDING 2034.”

It is the intention of this RFP and subsequent Contract, to begin functional implementation in the E-Rate funding year 2015. Functional implementation may include the lease of unlit fiber, the lighting of unlit fiber, and the operation of lighted fiber in a working environment. The Department of Technology and Information (DTI) expects to award this contract on or before 11/07/2014, but DTI is not legally bound to that estimated Contract Award Date. DTI expects to start actively using this Contract no sooner than the E-Rate Funding Year 2015 but can continue the use of the Contract according to period terms extending through and including 2034.
