SECTION II. GENERAL COMMENTS AND INFORMATION

2.1 Purpose

This Request For Proposal (RFP) is issued by the Division of Revenue (DOR) for the purpose of acquiring services for the collection of second referral tax accounts receivables and other state receivables owed to the State of Delaware. Second referral tax receivables are receivables in which collection attempts have been previously made by the Division of Revenue and/or a First Referral collection agency. DOR is authorized to establish and maintain a special fund with the State Treasurer for the purposes of contracting for the collection of delinquent State taxes. The contracts will provide for the collection of delinquent accounts from persons and businesses presently located in and out-of-state. Deposits to the special fund shall be from the collection of delinquent taxes under such contracts.

2.2 Scope

This document contains general information relating to the procedural requirements in the preparation of proposals to the Division of Revenue, performance requirements and proposer characteristics, which must be met in order for a proposal to receive consideration.

2.3 Intent

These specifications are intended to cover professional services for the collection of second referral tax account receivables in an efficient manner and in quantities referred to in section 3.2 of this bid. The intent of this proposal request is to secure a qualified firm or firms (preferably with collection experience in tax accounts) which has or have proven ability to collect upon medium to large volume, aged (approximately 1-8 years) account receivable of state governments. This intent may be served by negotiation with more than one firm, with each to handle a portion of the accounts assigned to outside collections. Accordingly, whenever the singular (e.g., "agency") is used, it implies the singular or plural (e.g., "agencies").

2.4 Reservations

The Division of Revenue reserves the right to annul any contract if, in its opinion, there is a failure at any time to successfully perform the stipulations of this invitation to respond, and the general conditions and specifications which are part of these proposals, or in any case of any attempt to impose upon the Division services of an unacceptable quality. Any action taken pursuant to this latter stipulation shall not affect or impair any rights or claim of the Division to damages for the breach of any covenants of the contract by the proposer(s).

Should the collection agency fail to furnish any item or items, or to complete the required work included in a contract, the Division reserves the right to withdraw such items or required work from the operation of a contract without incurring further liabilities on the part of the Division.

Should any proposer have any questions as to the intent or meaning of any part of this proposal, it should contact the Division before submitting its request in time to receive a reply.

The Division reserves the right to reject any or all proposals, in whole or in part; to make partial awards; to waive any irregularity in any quotation; to increase or decrease quantities if quantities are listed in the proposal(s), and may reject any request that shows any omission, alterations of forms, additions not called for, conditions, or alternate proposals, and may make any such award as is deemed to be in the best interest of the State of Delaware.

2.5 Contract Conditions

The firm(s) awarded the contract under this RFP shall be subject to the following contractual provisions:

A. Non-Appropriation

In the event the General Assembly fails to appropriate the specific funds necessary to continue the contract, in whole or in part, the contract shall be terminated as to any further obligation of the State requiring the expenditure of money at the end of the last fiscal year for which no appropriation is available, or upon the exhaustion of funds.

B. Notice

Any notice to the DOR required under this contract shall be sent by registered mail to: Sharon Ferrara, Delaware Division of Revenue, Bureau of Tax Collections, 820 N. French Street, 8th floor, Wilmington, DE 19801.

C. Formal Contract & Purchase Order

The successful firm(s) shall promptly execute a contract incorporating the terms of this RFP within thirty (30) days after the award of the contract. No proposer is to begin any service prior to receipt of a State of Delaware purchase order signed by two (2) authorized representatives of the agency requesting service and properly processed through the State of Delaware Accounting Office and DOR. Upon receipt, the purchase order shall serve as authorization to proceed in accordance with the bid specifications and special instructions.

D. Indemnification

By submitting a proposal, the proposing firm(s) agrees that in the event it is awarded a contract, it will indemnify and otherwise hold harmless the State of Delaware, its agents and any employees from any and all liability, suits, actions, or claims, together with all costs, expenses for attorney's fees, arising out of the firm(s)'s, its agents and employees' performance of work or services in connection with the contract, regardless of whether such suits, actions, claims, or liabilities are based upon acts or failures to act attributable, in whole or in part, to the State, its employees or agents.

E. Non-Discrimination

In performing the services subject to this RFP the firm(s) agrees that it will not discriminate against any employee or applicant for employment because of race, creed, color, sex, or national origin. The successful firm(s) shall comply with all federal and state laws and policies pertaining to the prevention of discriminatory employment practices. Failure to perform under this provision constitutes a material breach of contract.

F. Covenant Against Contingent Fees

The successful firm(s) warrant(s) that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission or percentage, brokerage or contingent fee excepting bona-fide employees, bona-fide established commercial or selling agencies maintained by the proposer for the purpose of securing business. For breach or violation of this warranty, the DOR shall have the right to annul the contract without liability, or at its discretion, to deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

G. Contract Documents

The RFP, the Purchase Order, the Bid Response and the executed Contract between the DOR and the successful firm(s) shall constitute the Contract between the DOR and the firm(s). In the event there is any discrepancy between any of these contract documents, the following order of documents govern so that the former prevails over the later: Contract, RFP, Bid Response, and Purchase Order. No other documents shall be considered. These documents contain the entire agreement between the DOR and the firm(s).

H. Applicable Law

The Laws of the State of Delaware shall apply, except where Federal Law has precedence. The successful firm(s) consent(s) to jurisdiction and venue in the State of Delaware.

I. Scope of Agreement

If the scope of any provision of this Contract is too broad in any respect whatsoever to permit enforcement to its full extent, then such provision shall be enforced to the maximum extent permitted by law, and the parties hereto consent and agree that such scope may be judicially modified accordingly and that the whole of such provisions of the Contract shall not hereby fail, but the scope of such provisions shall be curtailed only to the extent necessary to conform to law.

2.6 Consideration of Prior Service

Awards on this proposal will be made after consideration has been given to any previous performance for the State of Delaware as to quality of service and of merchandise, and with regard to the proposer's ability to perform should it be awarded the proposal.

2.7 Proposal Security

Each proposer must submit with its proposal the initial proposal security check below:

If no award shall be made within thirty (30) days after the date of the opening of the proposals, proposal security will be returned to any proposer upon demand of the proposer at any time after the thirty-day period so long as the proposer has not been notified of the acceptance of its proposal. Written notification of the acceptance of any proposal will be made to the successful proposer or proposers.

The successful proposer or proposers, upon awarding of this contract and as a condition of this contract, will provide full and adequate verification to the Division that all persons connected with the State's account will be sufficiently bonded in amounts deemed satisfactory for the nature of this contract.

SECTION III. REQUIREMENTS

3.1 Introduction

The collection agency or agencies are expected to acknowledge accounts promptly upon receipt. Specific procedures relating to proper identification of accounts and handling various transactions shall be subsequently agreed upon by the vendor and DOR, but the vendor should provide sufficient information in its response to this Request For Proposal to allow for evaluation.

The agency is to provide collection procedures to achieve maximum possible recovery from the debtor. These will include a reasonable number of telephone calls, direct mailing efforts and skip tracing procedures, as well as other procedures outlined by the agency. The agency may undertake legal action only on out-of-state accounts and only when authorized by DOR. The agency's collection procedures should be described in response to Section 3.6 of the Request For Proposal.

3.2 Volume of Current Accounts

The Division anticipates forwarding on a monthly basis to the collection agency or agencies accounts receivables of approximately 200 to 500 accounts for a total anticipated value of \$200,000 to \$500,000. These accounts will include various tax categories for prior years including personal income tax, withholding tax, license and gross receipts tax and corporate income tax and other State of Delaware accounts receivables. The accounts are typically, but not entirely, from tax assessments that are from 1 to 8 years outstanding.

Extension of time would require Division of Revenue approval. The Division of Revenue may request the return of an account at any time.

6. Minimum and maximum duration of collection cycle.
7. Proposers must submit with the proposals:
 - (a) Five references from large volume customer accounts (i.e.; from customers with similar or greater number and value of cases forwarded for collection).
