TO: ALL QUALIFIED OFFERORS

FROM: JANET B. SCHUKOSKE, CPPB
STATE CONTRACT PROCUREMENT OFFICER

SUBJECT: ADDENDUM TO: FIELD SERVICE MAINTENANCE
CONTRACT NO.: 06-553-JS

ADDENDUM #1

Please note the following information for the above referenced contract: As a result from the Mandatory Prebid meeting, the following information has been added to the RFP for Field Service Maintenance:

1. Question: How will the vendor be able to track the equipment that was purchased with Homeland Security money and will be maintained with Homeland Security money?

Homeland Security will work with the awarded vendor(s) to work out a system to track the items that were purchased with Homeland Security money.

2. Question: Does the vendor have to do a medical test as well as a fit test?

No, the vendor will only perform a the fit test, however they must identify in their proposal whether or not the person must have a medical certificate before they can fit test them.

3. Question: What factory certification should be included in our proposal?

Include in your proposal all factory certifications that your company or individuals in your company have.

4. **Add the following to page 18 under item 2, "The vendor will complete Hydrostatic testing on SCBA cylinders per manufactures specifications." Also include in your proposal a price for Hydrostatic testing.**

Hydrostatic Testing of SCBA cylinders	Turn around time ARO	Onsite or offsite service	Cost for annual service & Man.	Cost per hour for Repairs	% off manufactures Catalog of Parts
