

**Contract GSS-MU-08-492A-HF
Trash Can Liners
Questions & Answers**

1. Who was awarded previous vendor and what was the winning bid?

Calico you can see the award notice at our website at www.gss.omb.delaware.gov

2. How many cases were ordered?

Last year's estimate of cases was approximately 5000

3. Is this one location, or if there are various locations?

There are various locations. This contract is for use by all state agencies and can be used by schools and municipalities.

4. How often are shipments made?

This is a decision made by the user and the vendor. This is based on the users needs.

5. Do they have a loading dock? If not how do they receive their orders?

Some state agencies have loading docks, but not all. Again this would be between the state agency and the vendor.

6. Do they have a pallet jack or a fork lift?

Depending on the agency they would have a forklift or a pallet jack available again this depends on the site.
