Questions & Answers**

1. On the pricing spreadsheet Section 2A, line 253, are those nuts?

Yes, they are hex nuts. I have updated the pricing spreadsheet regarding this update.

2. On the pricing spreadsheet Section 2B, line 283, self tapping? Do you mean self drilling the list needs diameters and head styles.

Please see Addendum 1 & the update excel spreadsheet regarding the new sizes.

3. On the pricing spreadsheet Section 4 & 14 are the flat washers USS or SAE dimensions?

They can be either, please state specifics in your bid submission.

4. On the pricing spreadsheet Sections 12, 13, 14, and 15 are they grade 2?

No, they are grade 5. I have updated the pricing spreadsheet also.

5. Lastly would you please explain lines 694, 696, 698, and 700?

694-MOA Please disregard it means Minimum Order Amount. I have deleted it in the excel file.

696- How many days to ship stock items

698-How many days to ship non-stock items

700-How many days to ship initial order items. Disregard this as well. I have also deleted it in the excel file.

6. A fastener catalog is not required with the bid submission??

A fastener catalog is requested, but not required. You may take an exception to this & state in the excel spreadsheet under the comments/exceptions tab.
