A Heritage of Innovation

With 87 years of experience, we are dedicated to continuous product innovation. From materials and coatings to textures and colors, we're always looking for ways to make better and longer lasting products.

1920's

The iconic "Whirl" is developed by Johnnie Ahrens, father of Miracle Recreation Equipment Company founder, Claude Ahrens.

1940's

Johnnie's son, Claude, starts the Miracle Recreation Equipment company and continues the use of innovative design and quality production.

1950's

Miracle pioneers the use of fiberglass for slides and canopies, creating eye-catching and colorful components that differentiate products from the competition.

1960's

Miracle becomes the first playground manufacturer to use powder coating for quality and durability.

1980's

Miracle grows well beyond its original roots, expanding into – and eventually moving to – Monett, MO.

1990's

Miracle introduces Big Timber® themed playground components, complete with leaf roof canopies, Mountain Trail® climbers, and Grizz Lee® Bear Climber.

2000's

Miracle introduces our revolutionary Mega Tower® design, featuring the industry's tallest slides, followed by Mega Physzics™, a futuristic take on this customer favorite.

Today

Always innovating, Miracle now holds over 38 patents registered with the USPTO on its playground equipment, along with our patent-pending MiracleTech® security products.

Taking the Initiative to Protect Playgrounds and People

MiracleTech® security products help protect against vandalism. For more information, see pages 188-189 of this catalog.

FUN for the WHOLE community...

...a FEW friends...

...or even just ONE!

Limitless Designs and Combinations, Ultimate Flexibility and Customization meet your playground needs ... no matter how large or small!

Go for a Spin!

The **Ten Spin** is available in over 20 colors allowing for ultimate customization.

Take a Ride!

Our large variety of **Spring Riders** accommodates and accentuates any playspace.

Imagination-Focused

We understand that the skills of preschool and school-age children differ dramatically, not only physically, but also cognitively and socially. That is why we design creative playgrounds that provide play opportunities for every child.

Safety, Durability & Quality

Everything You Want From A Partner

We know what you need in a playground partner. And at Miracle, we're all about delivering **EVERYTHING** you need to feel confident making the right choice.

Planning & Design

With your dream and our vision, your next playground project will be carried out with unmatched expertise and attention to detail.

Safety

Safety is such a critical aspect of playground design that our equipment is designed to meet or exceed the highest industry guidelines and standards.

Value

Through our customized design process, Miracle provides you with a multitude of design options, perfect for any budget.

Customer Service

Once you choose Miracle, we work hand-in-hand with you, from designing and specifying to funding, purchasing and installation. We're your dedicated partner in play, making Miracle the right choice, right now.

Slide over to Pg. 114

Versalok® is Miracle's patented clamp design that features a unique stainless steel, tamper-resistant fastener that eliminates the need for unsightly - and costly - clamp stacking.

Quality Means Value

With durability that you can recognize and design features that you can appreciate, Miracle delivers the leading edge of innovative features and designs to your play project.

Anti-microbial coatings

Available on select Mira-Coated surfaces to help prevent spread of bacteria.

Gator Grip® is a three-dimensional textured pattern on gripping surfaces to provide comfort for little hands.

Mira-Therm™ vinyl coating on deck surfaces helps to prevent rapid heat transfer. And the small holes in our surfaces are designed to keep little fingers safe!

Environmentally Friendly

We've been around for 87 years, and we are doing our part to ensure we are around for many more. Here are just a few of the steps we've been taking:

- Using rubber mulch surfacing made from recycled tires
- Selling plastic regrind to keep it out of landfills
- Recycling unused plastic molded parts to manufacture Miracle Trim Timbers®
- OHSAS 18001 and ISO 14001 certifications

Intertek

Incredible Structures that Stretch the Imagination

We bring the most innovative structures to you, so you can pick from the latest and greatest. From our new lines to our classic play systems and everything in between, the only limitation is your imagination.

Inclusive Play

All playgrounds marked with a wheelchair symbol in this catalog are configured to meet ADA guidelines

ALL CHILDREN deserve a safe and fun place to play!

In addition to designing your chosen playground to meet ADA requirements, we offer numerous products and features that are designed to create an environment for inclusive and interactive play for children of all abilities.

For more information on our Inclusive products, please contact your local Miracle representative, who can create a fully customized playground that fits your needs.

Establishing A Budget

What to Keep in Mind Your Total Playground Investment

Purchasing a new playground is exciting! When planning your budget, don't forget to include more than just the cost of your playground equipment. Don't worry! Our Miracle representatives are here to help through every step of the process.

Your Representative Will Work Miracles!

Contact your representative to learn more about establishing a budget.

1-888-458-2752

1. Equipment

The cost of your equipment includes all of the heavy-duty materials that go into making your high quality Miracle playground.

2. Surfacing

Every playground is required to have a minimum amount of appropriate safety surfacing. Your local Miracle representative will work closely with you to help you determine the best surfacing for your needs and your budget.

3. Shipping

Your representative can help you to estimate the cost of freight to deliver your playground to you in perfect condition to your site in time for installation.

4. Installation

The most exciting part of the process is breaking ground on your new playground! Your local Miracle representative will help you find a certified installer to ensure your playground is installed correctly and safely.

Nature's Choice is made of PolyFiberCrete®, a solid, synthetic sandstone made with Portland cement, fibers, sand, and proprietary add mixtures. It naturally has a variegated surface and authentic hairline cracks that looks like real rock.

What is PolyFiberCrete®?

- PolyFiberCrete® offers the best in non-abrasive climbing grip, safety, and durability
- PolyFiberCrete® does not crack or shatter like hollow products such as GFRG and fiberglass
- PolyFiberCrete® products can only be chipped, not cracked open
- PolyFiberCrete® does not splinter like natural wood products

WARNING!!! Contact burn injuries can occur when metal play surfaces are located in direct sun. To avoid the risk of such burn injuries, the United States Consumer Product Safety Commission recommend in its "Handbook for Public Playground Safety" that metal play surfaces, such as stainless steel slides and bare or painted metal crawl tubes, should be placed/installed in shaded areas, and out of direct sunlight. The proper location of metal play surfaces must be addressed during the play area planning process.

Surfacing

Play Terrain® Synthetic Turf

Style, Safety, Durability and Environmental Accountability – Miracle® Playground Surfacing Has You Covered!

Miracle's two earth-friendly playground surface options offer great choices for any playground. Select one here, or browse online at www.miracle-recreation.com.

SURFACING

PLAY TERRAIN®

Play Terrain® Synthetic Turf

It looks and feels like lush, natural grass. But revolutionary Play Terrain® Synthetic Turf delivers even more!

- No turf is "greener!" No watering, fertilizers or pesticides
- 100% recyclable
- Nearly maintenance-free
- Shock absorption and impact protection from falls, customized for your project
- Designed in accordance to fall heights for 6', 9' and 12' per ASTM F 1292
- IPEMA Certified
- Play Terrain® Synthetic Turf incorporates anti-microbial coated sand infill to minimize mold and mildew!
- Safely eliminates potentially harmful buried debris
- Completely ADA-accessible; fully complies with ASTM and ADA accessibility requirements (ASTM F 1951)
- Durability; weathers all climate conditions (rain, temperature, etc.)
- Accommodates different styles, sites (slopes, contours, etc.)

Play Terrain® Rubber Mulch

Our earth-friendly rubber mulch is from 100% recycled materials. Miracle's loose fill Play Terrain® Rubber Mulch delivers great safety protection for the dollar, and its durability is ideal for high-traffic playgrounds in public parks, schools and churches!

- Made from 100% clean recycled tires (vulcanized)
- Proven durability: 10-year warranty* on product performance
- Proprietary UV stabilized color technology warranted for 8 years against a complete color loss
- Non-toxic, with non-toxic colorant that won't rub off on kids
- Won't crack, harden, deteriorate, rot or decompose as wood will
- Suitable for fall height ratings up to 12' at proper surfacing depth
- IPEMA tested and certified; also meets wheelchair accessibility specification ASTM F1951
- Meets or exceeds US Consumer Product Safety Commission (CPSC), IPEMA and ASTM criteria for safety surfacing attenuation and absorption
- Ask your local Miracle® representative for color options available

MiracleTech[®] Security

Take the Initiative to Protect Playgrounds & People

Every year, security problems like vandalism, graffiti and theft cost playground owners millions of dollars. With the risk of child abductions and other violent crimes, the human cost of even one incident is more than anyone is willing to pay.

For these reasons, Miracle Recreation has developed the MiracleTech[®] Security products (patent pending), for park directors, school administrators, parents, children, and others concerned about vandalism that can happen at their recreational facilities.

Partnerships

Miracle Partners With:

GSA Advantage!

Miracle® Recreation Equipment Company (approved ISO 9001 and ISO 14001 certified) is a supplier to the US General Services Administration. You can shop for Miracle® Products electronically from the GSA Advantage website. Miracle's GSA number is: GS07F9713G

Certifications and Affiliations:

- ISO 9001 Certification: The International Standards Organization is a network of national standard institutes from 146 countries that work in partnership with international organizations, governments, industry, business and consumer representatives to develop universal standards for quality, environmental and management processes. Miracle's ISO 9001:2008 certification demonstrates documented, world-class manufacturing quality control practices are being employed to support our quality commitment to you.

- Miracle Recreation® Equipment Company's processes and factory are certified as compliant to ISO 14001-2004 Environmental Management Standards.

- In the interest of playground safety, IPEMA provides a Third Party Certification Service whereby a designated independent laboratory validates a participant's certification of conformance to ASTM F1487, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 10 & 12.6.1; CAN/CSA Z614, Children's Play Spaces and Equipment, except clauses 9.8, 10 & 11; or both. The use of the corresponding logo in Miracle's catalog signifies that Miracle® has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms with the requirements of the indicated standard. Check the IPEMA website at www.ipema.org to confirm product validation.

- The space requirements in this catalog are shown to ASTM standards. Requirements for other standards may be different.

- European Norm EN-1176. Miracle® offers playgrounds that have been certified by TÜV Product Service, the recognized testing house designated by the European Union. This certification demonstrates compliance with the European Harmonized Standard for Commercial Play Equipment, EN 1176.

- IPEMA Member: Miracle® is a member in good standing of the International Play Equipment Manufacturer's Association (IPEMA), a member-driven international trade organization which represents and promotes an open market for manufacturers of play equipment.

- Canadian Welding Bureau Certified

BUYER'S REMEDY: If any products prove defective or non-conforming under normal use and within the above-prescribed warranty periods, Buyer must promptly notify Miracle in writing at 878 E. Hwy 60, Monett, MO 65708 USA. Miracle will within a reasonable time and in its sole discretion repair or replace such defective or non-conforming product by providing replacement products or part(s) free of charge to the site. Miracle's limited warranties do not cover the cost of labor to remove defective or non-conforming part(s) or to install repaired or replacement part(s).

All warranty periods begin on the date of Miracle's invoice. Repaired and/or replacement part(s) are warranted only for the balance of the original limited warranty. All warranties extend only to the original Buyer/end user of products from Miracle or Miracle's authorized reseller and are not transferable.

These limited warranties apply only to Miracle products that are erected and installed in conformance with Miracle's installation instructions, and that are maintained and inspected in conformance with Miracle's maintenance and operational instructions. These limited warranties specifically do not cover Miracle products: that have been modified, altered, or misused; that have not been used as designed or intended; to which non-Miracle parts have been added or substituted; or that have been damaged due to excessive wear and tear, vandalism, abnormal use, abuse, negligence, extraordinary weather or acts of God. MiracleTech® Security systems limited warranties do not cover products serviced or repaired by unauthorized service providers. These limited warranties do not protect against color fade, except for PlayCover® as noted above. Buyer, by acceptance and use of these limited warranties, waives any rights it would otherwise have to claim or assert that this limited warranty fails of its essential purpose. Buyer agrees that venue for any court action to enforce these limited warranties shall be in Barry or Greene Counties in the State of Missouri.

EXCEPT AS EXPRESSLY WARRANTED HEREIN, MIRACLE EXPRESSLY DISCLAIMS ANY OTHER WARRANTIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND THOSE ARISING BY STATUTE OR OTHERWISE IN LAW OR FROM COURSE OF DEALING OR USAGE OF TRADE. IN NO EVENT SHALL MIRACLE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, WHETHER BASED UPON CONTRACT, TORT, OR ANY OTHER LEGAL THEORY (INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, BUSINESS INTERRUPTION, LOSS OF INFORMATION, CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES OR OTHER PECUNIARY LOSS). PUNITIVE OR CONSEQUENTIAL DAMAGES, WHETHER BASED UPON CONTRACT, TORT, OR ANY OTHER LEGAL THEORY (INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, BUSINESS INTERRUPTION, LOSS OF INFORMATION, CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES OR OTHER PECUNIARY LOSS).
