BLUE VALLEY INDUSTRIES, INC.

THE BLUE VALLEY ADVANTAGE

What is the Blue Valley Advantage? Quality craftsmanship, custom fabrication and a full line of park equipment is the ***Blue Valley Advantage!***
Since 1972, Blue Valley has provided a blend of the finest in central Pennsylvania craftsmanship to bring you our unique advantage.
Have a special request? Blue Valley specializes in custom fabrication. Whether you are able to provide the specifications, or need help in designing your special requirements, our competent staff will meet your needs in a timely manner.
Combine these special attributes with Blue Valley's long standing commitment to customer service and competitive pricing, and you get the full impact of the ***Blue Valley Advantage.***
Experience it today!

TERMS AND CONDITIONS
TERMS: Net 30 days from date of invoice to approved credit. All others check with order or COD.
SPECIFICATIONS: Blue Valley reserves the right to change product design without notification.
PRICES: F.O.B. Port Royal, PA 17082 and are subject to change without notice.
SHIPMENTS: Most items are shipped knocked-down to reduce freight charges. Freight charges are determined by the carrier. Blue Valley is not responsible for loss, damage, or delay in transit. Any shortage or damage must be noted on the freight bill before accepting the shipment. Blue Valley will assist in making claims only if proper documentation is provided.

LIMITED WARRANTY
Blue Valley Industries, Inc. guarantees all materials and workmanship for one year from date of invoice with normal use, damage from vandalism excluded. For pressure treated pine, Blue Valley Industries, Inc. guarantees against deterioration from bacteria or insect infestation which impairs the structural integrity of the product. Blue Valley Industries, Inc. does not guarantee against damage from checking or warping which is a natural tendency of pressure treated pine. The warranty does not cover the cost of removing and/or installation of the replacement provided by the warranty. A copy of the original invoice must accompany all claims. Blue Valley Industries, Inc. must be notified before any corrective action is taken and reserves the right to determine whether claims will be fulfilled by replacement or other means.

SLAT OPTIONS
TREATED PINE: #1 pressure treated southern yellow pine.
REDWOOD: Clear all heart, free of heart center redwood with clear sealer.
DOUGLAS FIR: Clear "C" and better douglas fir with clear sealer.
