DANT EDGE

THE NATION'S
EASIEST AND MOST
COST-EFFECTIVE WAY
TO ORDER BLEACHERS

BE DIFFERENT

STEP UP YOUR SEATING BY DESIGNING YOUR OWN CUSTOMIZABLE BLEACHER. To differentiate for your team or venue, Dant Edge bleachers can be ordered with powder coated risers and frames in a variety of colors. In compliance with regulations, all bleachers reaching more than 30" in height come standard with galvanized chain link fence guardrail system, but can be ordered with optional black vinyl chain link fence or vertical picket rail.

THE ADVANTAGE

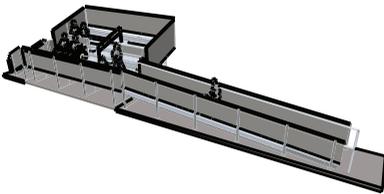

Dant Edge products are **HIGH-QUALITY** and **DURABLE**, with **CUSTOMIZABLE** options incorporating **COST-EFFECTIVE** and **SCALABLE** design. **EFFICIENT** fabrication scheduling enables us to meet short term lead times. Our **CUSTOMER SERVICE** provides additional on-site services through local territory distributors.

ADDITIONAL INFORMATION

All Dant Edge bleachers are ICC-300 2007 and IBC 2009 compliant. Each features construction of galvanized or bolted aluminum frame and support, spaced at 6'-0" (max) intervals and secured with cross bracing. Standard elevation height is 30". Egress/access to elevated stands is via stairs with 6'2" wide front walkway. Optional ADA pocket and ramp kits are available (as shown in many product images) by selecting from the Options category on www.dantedge.com. Note that the customer is responsible to ensure the products they order meet their specific location code requirements.
